### **PRESIDENT'S DESK**

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc. We are committed to import value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

## PROF. PRATIK SITARAM MATKAR HONoured WITH THREE PRESTIGIOUS CERTIFICATES OF EXCELLENCE IN PEER REVIEWING FACULTY OF CIVIL ENGINEERING

Satara, June 27, 2025 – Prof. Pratik Sitaram Matkar, Head of Civil Engineering Department, Faculty of Polytechnic at Yashoda Technical Campus, Satara, has been awarded three Certificates of Excellence recognizing his exceptional contributions to academic peer reviewing across renowned international journals and publications. Certificate of Excellence in Peer-Reviewing for Book Quality Prof. Matkar received the honour from B P International, validated through their Reviewer Hub platform. This award commends his meticulous efforts in enhancing the quality of a major academic book, reflecting his dedication to upholding high scholarly standards. Certificate of Excellence from the International Journal of Plant & Soil Science. Acknowledged for his outstanding contribution to journal quality, Prof. Matkar was conferred this prestigious certificate for his expert reviews that enriched the journal's scientific discourse. This award underscores his expertise and commitment to the global scientific community.

Certificate of Excellence from the Asian Journal of Current Research Adding to his impressive list of achievements, Prof. Matkar was recognized for his significant role in improving the quality of research published by this respected journal. His critical evaluations have been instrumental in maintaining rigorous publication standards.

Prof. Matkar's consistent excellence in peer-reviewing not only elevates the quality of scholarly publications but also serves as an inspiration to students and fellow

academicians at Yashoda Technical Campus. His dedication to academic integrity and research excellence strengthens the institution's standing as a centre of quality technical education. The management, faculty, and students of Yashoda Technical Campus, Satara, extend heartfelt congratulations to Prof. Matkar Sir on these remarkable achievements.

The General Science & Humanities Department of Yashoda Technical Campus, Satara, proudly congratulates its top-performing students for their exceptional achievement in the MSBTE Summer 2025 Examination. Four students have secured a perfect score of 100 out of 100 in the Applied Mathematics subject, marking a significant academic milestone for the department. This remarkable success is a testament to the students' hard work, dedication, and sharp problem-solving skills. The department commends their consistent efforts and perseverance in mastering one of the most challenging subjects in the curriculum. "We are extremely proud of our students. Their achievements highlight the strength of our academic foundation and the commitment of our faculty," said a spokesperson from the General Science & Humanities Department. "Our goal is to empower every student to succeed and build lasting confidence in Mathematics." The department continues to emphasize academic support and growth by encouraging students to seek help and take full advantage of additional learning resources provided on campus. The administration remains committed to closely monitoring academic progress and offering continuous support to help all students overcome challenges in Mathematics and other foundational subjects. Best wishes to all students as they continue to strive for excellence in their academic journeys.

#### WORKSHOP ON HOW TO WRITE RESEARCH PAPER

DIPLOMA IN ARTIFICIAL INTELLIGENCE & MACHINE LEARNING AND INFORMATION TECHNOLOGY

The Departments of Artificial Intelligence & Machine Learning and Information Technology at Yashoda Technical Campus jointly organized a one-day faculty workshop on “How to Write a Research Paper” on 21st June 2025. The session was conducted by Mr. Sandeep Wategaonkar, Assistant Professor at Kisanveer Mahavidyalaya, Wai (M.Sc., Ph.D.). The workshop aimed to guide faculty members in understanding the fundamentals of academic writing and publishing in reputed journals. Mr. Wategaonkar covered various key areas including the importance of research, identifying good journals (UGC-CARE, Scopus, Web of Science), plagiarism checks, reference styles, and structuring a paper. He also highlighted the role of AI tools in assisting with literature reviews, grammar checking, and content refinement. The event was coordinated by Mr. Gosavi P.R., with valuable guidance and encouragement from Principal Dr. P.P. Gavade, whose vision for research excellence inspired the initiative. Mr. R.S. Khandekar, Central Academic Coordinator, played a crucial role in mentoring and ensuring academic quality. The continuous support and monitoring by Ms. D.G. Dolas (HoD, AI & ML) and Mrs. T.S. Kenjale (HoD, IT) contributed significantly to the event’s success.

The workshop concluded with positive feedback from all participants, who appreciated the practical insights and motivation to pursue quality research and publications.

### FOUR AI & DS FACULTY COMPLETED UHV-I COURSE

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The Department of Artificial Intelligence and Data Science proudly celebrates five faculty members who completed the AICTE's Universal Human Values - I (UHV-I) course. This training equips them to foster ethical values and holistic education in our students.

The faculty members are:

- Dr. Suraj R. Nalawade
- Prof. Neha M. Pathan
- Prof. Payal S. More
- Ms. Anisha M. Chavan

Through the UHV-I course, they explored values like trust and ethical decision-making, enhancing their ability to mentor students as technically skilled and socially responsible professionals. "This achievement strengthens our commitment to ethical education," said Dr. Suraj R. Nalawade, Head of AI & DS.

The department will integrate UHV principles into teaching and activities to promote ethical innovation. Congratulations to our faculty!

### FT.Y. B. TECH PROCTORED PRE-ASSESSMENT SUCCESSFULLY CONDUCTED

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The Department of Artificial Intelligence and Data Science (AI & DS) successfully conducted the mandatory Proctored Pre-Assessment under Training and Placement activity for all T.Y. B.Tech students on Saturday, June 14, 2025. Held online, the test evaluated:

- General Aptitude
- Logical Reasoning
- Programming Skills (C, Java, Python)

Attendance was closely monitored, and the department commends students for their participation. The top 10 performers will be shortlisted for special placement training next semester.

### STUDENTS GAIN INDUSTRY EXPOSURE

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering students from Yashoda Technical Campus, Satara, recently completed valuable industrial visits on June 10, 2025, to Ajinkyatara Co-operative Sugar Factory Ltd. and Shree Renuka Sugars Pvt. Ltd... These visits were a key part of their Applied Thermodynamics Lab curriculum.

The students gained practical experience with various industrial systems, including boilers, nozzles, turbines, condensers, calorimeters, air compressors, and centrifugal blowers. The visits were highly informative, providing insights into sugar production processes and cogeneration plants.

### STUDENTS GAIN INDUSTRY EXPOSURE

DEPARTMENT OF ELECTRONICS AND TELECOMMUNICATION ENGINEERING

The Department of Electronics and Telecommunication successfully organized a Student Development Programme (SDP) on PSpice Simulation Software on 28th May 2025. The programme aimed to enhance students' practical understanding of circuit simulation and analysis using PSpice, a widely used tool in electronics and electrical engineering.

The session was conducted by Mr. Jahir H Patel Assistant Professor, who provided an in-depth introduction to the software, followed by hands-on sessions covering basic to advanced circuit simulations. Over 60 students participated enthusiastically, gaining valuable insights into real-time circuit behavior and simulation techniques. This initiative was part of the department's commitment to bridge the gap between academic learning and industry requirements by equipping students with essential technical skills.

### YOGA DAY CELEBRATED AT YASHODA COLLEGE OF PHARMACY, SATARA

FACULTY OF PHARMACY

Every year on June 21, we commemorate International Yoga Day to increase awareness of this age-old discipline and to honor the spiritual and physical strength that yoga has bestowed upon the globe. The practice of yoga is crucial for promoting mental and physical relaxation as well as the immunological system of humans. With the immense enthusiasm and guidance of principal Dr. V. J. Chaware, the teaching and non-teaching faculty members of Yashoda College of Pharmacy, Satara celebrated the 11<sup>th</sup> International Yoga Day on June 21, 2025. "Yoga for One Earth, One Health" is the theme for 11<sup>th</sup> International Yoga Day 2025, and it highlights how yoga promotes both the health of our world and our individual well-being. This subject serves as a reminder of the close relationship between environmental and human health. Mr. Aniket Shinde, the physical director, gave a brief overview of Yoga Day before the event started. He clarified that consistent yoga

practice contributes to improved physical and mental well-being. Yoga instructor Ms. Mugdha Bhosale joined in the celebration of Yoga Day. She began with a prayer before outlining the value of yoga in daily life. For a healthy body and mind, she urged everyone to regularly practice yoga and meditation. She explained the standard yoga protocol. She demonstrated various Asanas like Tadasana, Pawanmuktasan, Ardha chakrasana, Trikonasana, Vajrasana, Ustrasana, Makarasana etc. with their benefits & cautions and all other followed and performed carefully. The program concluded with the recitation of Shanti Mantra and with vote of thanks by Mrs. S. M. Bhandwalkar.
