YASHODA INSTITUTES CELEBRATES INDEPENDENCE DAY WITH GRAND FESTIVITIES AND RENEWED PATRIOTISM

Yashoda Institutes Celebrates Independence Day with Grand Festivities and Renewed Patriotism

The nation marked its annual Independence Day with a series of celebrations that highlighted the country's rich history, cultural heritage, and collective resilience. Citizens across the country gathered in public squares, parks, and at national monuments to honor the sacrifices of those who fought for freedom. At Yashoda Technical Campus, Satara parade was held, featuring colorful floats, traditional music, and performances by Yashoda Public School children. The President of Yashoda Institutes Prof. Dasharath Sagare, in his address, paid tribute to the founding leaders, stating, "This day is not just a celebration of our independence, but a reminder of the struggles and sacrifices that have shaped our nation. As we honor our past, we must also look towards the future with hope, determination, and a shared vision for progress." The chief Guest Retired colonel Vikas Pawar addressed the audience on discipline and responsibilities of students and parents.

Independence Day celebrations this year carried a special message of unity, as the country continues to navigate through various challenges. From social justice movements to economic recovery efforts, the spirit of independence was reflected in the collective determination to build a stronger, more inclusive society.

The Director, Associate Director, Principal, Registrar, HODs, Teacher and Non-Teaching staff of Yashoda Institutes were present to celebrate this festival.

As the festivities come to a close, citizens are left with a renewed sense of pride and responsibility to uphold the values that define the nation's identity.

TREE PLANTATION PROGRAM

FACULTY OF MCA

On 24th August 2024, Yashoda Technical Campus, Satara Faculty of MCA has organized an event on "Tree Plantation in campus garden". Dr. V.K. Redasani sir, Director (YTC), Dr. Smita Patil Ma'am (MCA HOD), all teaching staff and students were present during the event. All staff and students of MCA were present in the Campus Garden. The event started with

the speech of our Dr. V.K. Redasani sir, Director, YTC. He has explained about the importance of plantation and has motivated student to plant trees and water it every day until their academic session. At first all students were provided with the saplings. Teachers also participated in that event and guided student how to plant the saplings. Tree planting is the process in which tree seedlings are transplanted generally for forestry, land reclamation, or landscaping purposes.

With this tree plantation, it is clear that tree plantation is the key to save the earth from pollution. This is why many countries have now started to concentrate on increasing the rate of tree plantation to make the earth a safer place to live for the future generation. Every country should aim to increase afforestation rather than deforestation.
