PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc. We are committed to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

Prof. Dasharath Sagare
Founder President
YSPM - YSS, Satara

EDITOR'S DESK

I am pleased to release (68 volume) of YSPM & YSS newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

Kind Regards:
Mr. Somnath N. Kumbhar

NBA ACCREDITATION AWARDED TO B. PHARM PROGRAM AT YASHODA TECHNICAL CAMPUS

DEPARMTMENT OF PHARMACY

We are proud to share a remarkable achievement of Yashoda Technical Campus, Satara – the Bachelor of Pharmacy (B. Pharm) program has been successfully accredited by the National Board of Accreditation (NBA), New Delhi.

This prestigious accreditation is a testimony to our commitment towards academic excellence, quality education, and continuous improvement in teaching and learning. It highlights the collective efforts and dedication of our faculty members, management, students, alumni, parents, and industry partners who have continuously supported the growth of our institute. By securing NBA accreditation, Yashoda Technical Campus now joins the list of reputed institutions in Maharashtra that provide education aligned with national and international standards. This milestone not only enhances the credibility of our B. Pharm program but also ensures that our graduates are well-

prepared to meet global challenges in the field of pharmacy. Our institute has always focused on providing a holistic learning environment supported by state-of-the-art laboratories, modern digital classrooms, a well-equipped library, incubation and research centers, and skill development facilities. These resources, along with a strong culture of innovation and research, have played a vital role in achieving this recognition. The NBA accreditation is not just an honor but also a responsibility to continue setting benchmarks in quality education and student development. It reinforces our mission to nurture future pharmacists who are competent, ethical, and industry-ready.

This success truly adds another feather in the crown of Yashoda Group of Institutes. We extend our sincere gratitude to all stakeholders for their unwavering trust, cooperation, and encouragement in reaching this milestone.

RECOGNITION AS PH.D. GUIDE

DEPARTMENT OF PHARMACY

The Faculty of Pharmacy, Yashoda Technical Campus, Satara, is proud to share the achievement of Dr. Bharatee Chaudhari Chaware, who has been officially recognized as a Ph.D. Guide (Supervisor) in Pharmacy by Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere.

This recognition is a reflection of Dr. Chaware's hard work, dedication, and contribution to academics and research. Becoming a Ph.D. Supervisor is an important milestone in any teacher's career. It shows professional excellence as well as the responsibility of guiding research scholars toward meaningful research and innovation in pharmaceutical sciences. Dr. Chaware has been a valued faculty member of Yashoda Technical Campus for several years. She has contributed greatly through her teaching, research activities, and support for student development. With her recognition as a Ph.D. guide, the institution's academic profile has been strengthened, and research scholars now have the opportunity to learn under her guidance and pursue innovative research in pharmacy.

The management and faculty of Yashoda Technical Campus take great pride in this achievement, as it matches the institution's vision of promoting quality education and research. Under Dr. Chaware's mentorship, students will gain valuable knowledge, develop strong research skills, and contribute to progress in the pharmaceutical field, benefiting both academics and industry. On behalf of the YSPM family, we extend our warmest congratulations to Dr. Bharatee Chaudhari Chaware for this remarkable accomplishment. Her success will motivate colleagues and students alike, encouraging them to aim higher in their academic and research journeys.

This recognition is not only a personal success for Dr. Chaware but also a proud moment for the institution, strengthening its reputation in the field of pharmacy education and research.

OUTSTANDING ACADEMIC & INDUSTRIAL PLACEMENTS BY M. PHARM STUDENTS (2024-25)

DEPARTMENT OF PHARMACY

The Faculty of Pharmacy, Yashoda Technical Campus (YSPM), Satara, proudly announces the remarkable placement achievements of its M. Pharm students in both academics and industry for the academic year 2024-25. These accomplishments reflect the dedication, hard work, and commitment of the students, guided by the continuous support and mentorship of the faculty.

Several students have successfully secured positions in academia, continuing the tradition of contributing to the next generation of pharmacy professionals. Ms. Nutan R. Zanjurne joined Phaltan Education Society's College of Pharmacy and Research Centre, Phaltan. Ms. Lalita Karne, Mr. Shubham Bansode, and Mr. Shahu Deshmukh have been placed at YSPM's Yashoda Technical Campus, Faculty of Pharmacy, Satara, while Ms. Snehal Pise joined Mandesh Institute of Pharmaceutical Science and Research Centre, Mhaswad.

Equally commendable are the placements in the pharmaceutical industry, where students have secured vital roles in research and regulatory affairs. Mr. Bhushan Shirke has joined Alkem Laboratories, Taloja, Mumbai, in the Regulatory Affairs Department, while Mr. Suraj Mohanappa Munjal is appointed as Research Associate at Alkem R&D, Taloja, Mumbai. Mr. Vikas Chandrakant Mali begins his career as Research Associate at Stabicon Life Science Pvt. Ltd., Bangalore. Ms. Prajakta Ingale has joined Aster Analytics Research Institute, Pune, and Ms. Pranoti Shirke as Research Associate at Rubicorn Research Ltd., Satara.

The management, principal, and faculty members of YSPM extend heartfelt congratulations to all achievers and express pride in their accomplishments. These placements highlight the institution's commitment to nurturing excellence in pharmacy education, research, and professional growth.

YTC B. PHARMACY SEM I & VIII STUDENTS ACHIEVE REMARKABLE RESULTS

DEPARTMENT OF PHARMACY

The B. Pharmacy Department of Yashoda Technical Campus (YTC), Satara, has once again upheld its tradition of academic excellence with outstanding results in the recent examinations conducted by Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere. First -year (Sem I) and Final-year (Sem VIII) students of the department have secured top ranks, bringing pride and recognition to the institution. This year's remarkable achievers include students from both Semester I and Semester VIII.

Sem I

- 1st Rank: Ms. Surabhi Rohidas Ghorpade and Ms. Bushra Nadim Momin (SGPA 8.62)
- 2nd Rank: Ms. Mahvish Kalim Sayyed (SGPA 8.34)
- 3rd Rank: MS. Gayatri Sanjay Karale (SGPA 8.17)

Sem VIII

- 1st Rank: Ms. Sanjana Shyamrao Pawar (SGPA 8.82)
- 2nd Rank: Mr. Sahil Santosh Gole (SGPA 8.64)
- 3rd Rank: Mr. Prathamesh Ravindra Narale & Ms. Shreya Ashok Kirdat (SGPA 8.45)

The outstanding performance of the students reflects their dedication as well as the consistent guidance of the faculty. The leadership of YTC, including Prof. Dasharath Sagare (Founder President), Prof. Ajinkya Sagare (Vice President), Dr. Prakash Jadhav (Principal), and Dr. Avinash Bhagwat (Head of Department), extended their congratulations and commended the achievers for their commitment and perseverance. These accomplishments reaffirm the department's commitment to academic excellence and further strengthen its reputation, while serving as an inspiration for future students to strive for similar success.

VISIT TO AYURVEDIC ARKSHALA, SATARA

YASHODA COLLEGE OF PHARMACY

Beyond the Classroom:
A Look at Real-World
Production Students of
Third Year B. Pharm of
Yashoda College of
Pharmacy recently paid

an Industrial visit to Ayurvedic Arkashala Satara, an Ayurvedic pharmaceutical company. This visit proved to be an addition to the industrial knowledge of the students. Expert officers from the Arkashala guided the students about the various stages of Ayurvedic medicine manufacturing. The students got in-depth information about the actual manufacturing process, quality control, research and development department as well as GMP (Good Manufacturing Practices). The students also expressed their satisfaction about the visit and said that it was helpful in setting future goals. They explained the importance of such visits by informing the students about the growing need for Ayurvedic medicines.

The students also said that this visit was very informative and expressed their resolve to do research in the field of Ayurveda in the future. They highlighted the importance of this visit and said that the students should get the right direction for their careers through such practical knowledge. We also received the cooperation of the Founder President of Yashoda Shikshan Prasarak Mandal's, Prof. Dashrath Sagare, Vice President Prof. Ajinkya Sagare. We also thank them sincerely for their valuable guidance. Students also expressed gratitude towards Principal, Dr. V. J. Chaware, General Manager of the Arkshala, Mr. Makarand Erande, and the in-charge of production Mr. Satish Deshpande. Teachers were present on this occasion.

TOP PHARMACY DEPARTMENT RANKERS ARE ALL GIRLS

YASHODA COLLEGE OF PHARMACY

The students of Yashoda College of Pharmacy have achieved Brilliant success in First year (Semester I) B. Pharm. examinations conducted by Dr. Babasaheb Ambedkar Technology University Lonere. In this examination Ms. Manasvi Patil bagged first position by securing [S.G.P.A- 8.55] marks. In the second place Ms. Asmita Shirke [S.G.P.A - 8.48] and third place Ms. Shreya Apshinge [S.G.P.A- 8.24] succeeded. Founder President of Yashoda Shikshan Prasarak Mandal's Prof. Dashrath Sagare, Vice- President Prof. Ajinkya Sagare congratulated all the meritorious students and praised them. Yashoda College of Pharmacy Principal Dr. V. J. Chaware said "Students have achieved this success through hard work, perseverance and regular study. We are proud of them".

Meritorious students attribute their success to the guidance of teachers, support of parents and consistent study. The entire Yashoda family congratulated all the successful students and wished them more success in the future.

ATTENDED ONE-DAY NATIONAL CONFERENCE AND PRESENTED POSTERS ON EMERGING PHARMA RESEARCH TRENDS

DEPARTMENT OF PHARMACY

The Department of Pharmacy successfully attended a One-Day National Conference and presented Poster Presentation on “Emerging Trends in Pharmaceutical Research & Health Sciences” on 23rd August 2025. The event aimed to provide students with insights into the latest developments, research innovations, and industry practices in the pharmaceutical and health sciences sector.

The program commenced with the Inaugural Session, beginning with the worship of Goddess Saraswati and an inaugural song presented by students of S.Y. M. Pharmacy, Dattakala College of Pharmacy, Bhigwan. Distinguished guests including Dr. Suresh Gosavi (Vice-Chancellor, SPPU) and Dr. Parag Kalkar (Pro-Vice-Chancellor, SPPU) graced the occasion as Chief Guests. Eminent personalities Dr. John Disouza (Principal, SYBES's Bombay Institute of Pharmacy & Research, Mumbai) and Mr. Sarang Salunkhe (Director, 3S Analytical Technologies Pvt. Ltd., Pune) enriched the conference as resource persons. The welcome address was delivered by Ms. Namrata Durande, Programme Coordinator.

The academic sessions featured special lectures by the resource persons. Dr. John Disouza enlightened the audience on emerging trends and innovations in the pharmaceutical field, while Mr. Sarang Salunkhe shared valuable insights on cutting-edge technologies, industry innovations, and the current pharmaceutical landscape. A total of 36 students from our college actively participated in this event, gaining exposure to industry-oriented knowledge and perspectives.

The Poster Presentation session witnessed enthusiastic participation. Students Ms. Jedhe Shruti Lalasaheb and Ms. Jagtap Yukta Sachin represented the college with their research posters. Participants shared highly positive feedback, appreciating the platform for meaningful discussions and interactive learning.

The Valedictory Session was presided over by Dr. Shrikant Kumar, who also delivered the valedictory address. Certificates were awarded to participants and resource persons, followed by a heartfelt Vote of Thanks by the Organising Secretary. The entire activity was successfully coordinated by Ms. Kakade P. S.

"INSPIRING GUEST LECTURE ON QA & QC PILLARS OF QUALITY MANAGEMENT IN PHARMACEUTICAL INDUSTRY AT YSPM YTC"

DEPARTMENT OF PHARMACY

The Faculty of Pharmacy, YSPM's Yashoda Technical Campus, Wadhe, Satara, successfully organized a guest lecture on "QA & QC: Pillars of Quality Management in Pharmaceutical Industry" on August 28, 2025, at the YCP Seminar Hall. The session began at 11:00 am and was specially designed for final-year B. Pharmacy and M. Pharmacy students, drawing an enthusiastic participation of about 110 students.

The expert speaker for the session was Mr. Sachin Patil, Manager – Quality Assurance, Lupin Ltd., Goa, who delivered an insightful talk on the vital role of Quality Assurance (QA) and Quality Control (QC) in the pharmaceutical sector. He elaborated on the significance of QA in critical areas such as warehousing, raw material selection, vendor finalization, quality risk management, cleaning validation, hold-time studies, in-process sampling, and batch release data analysis.

Further, he highlighted how Quality Control ensures product integrity through stringent testing procedures and adherence to regulatory standards. Mr. Patil stressed that QA and QC together form the pillars of quality management, ensuring not only product reliability but also patient safety.

The session provided students with practical insights into industry operations, bridging the gap between classroom learning and professional expectations. The interactive discussions boosted their confidence and inspired them to pursue careers with a strong sense of quality and responsibility.

The Faculty of Pharmacy extends heartfelt gratitude to Mr. Sachin Patil for his valuable guidance. We also sincerely thank our Hon. President, Prof. Dashrath Sagare, and Vice President, Prof. Ajinkya Sagare, for their constant encouragement and support. Special appreciation goes to our Principal, Dr. P. D. Jadhav, for his guidance, and our HOD, Dr. A. M. Bhagwat, for motivating the team. The event was successfully coordinated by Dr. S. V. Suryavanshi.

RGUEST LECTURE ON “DEVELOPING INDUSTRY READINESS: A GUIDE FOR ASPIRING PHARMA PROFESSIONALS”

DEPARMTMENT OF PHARMACY

The Faculty of Pharmacy, YSPM's Yashoda Technical Campus, Wadhe, Satara, successfully organized a guest lecture on “Developing Industry Readiness: A Guide for Aspiring Pharma Professionals” on 13th August 2025 at 11:30 AM in the YCP Seminar Hall. The event was specially designed for final-year B. Pharmacy students, with around 90 students benefitting from the session.

The resource person, Dr. Ajit Ekal, MD, Insta Vision Laboratory and Services, Satara, shared valuable insights into the pharmaceutical industry, offering students practical guidance to enhance their readiness for professional careers. His lecture focused on the importance of networking, staying updated with industry trends, and developing a skill set aligned with employer expectations. The session emphasized bridging the gap between academic knowledge and industry demands, thereby helping students to transition smoothly into the workforce.

The objectives of this activity were aligned with program outcomes such as Pharmacy Knowledge (PO-1), Planning Abilities (PO-2), and Life-long Learning (PO-11). Through interactive discussions, Dr. Ekal highlighted how young professionals can adapt to the evolving pharmaceutical landscape while maintaining ethical values and a commitment to continuous learning.

This initiative reflects the institute's vision to provide a nurturing environment for teaching, learning, and research, ultimately contributing to the betterment of society. It also resonates with the mission of preparing skilled pharmacists who are intellectually strong, ethically grounded, and industry-ready.

The Faculty of Pharmacy extends heartfelt gratitude to the Hon. President, Prof. Dasharth Sagare, and Vice President, Prof. Ajinkya Sagare, for their constant encouragement and support. We are equally thankful to our Principal, Dr. P. D. Jadhav, for his guidance, and our HOD, Dr. A. M. Bhagwat, for motivating the faculty in planning and executing such enriching activities. Special thanks are also due to the activity coordinator, Dr. S. V. Suryavanshi, for successfully organizing the event.

HOSPITAL VISIT FOR DIPLOMA IN PHARMACY STUDENTS

DEPARTMENT OF D PHARMACY

A visit to Sahyadri Hospital, Karad was arranged at 02nd August 2025 for the students of IInd year D. Pharm of Yashoda Technical Campus, Satara. Around 47 students along with 03 faculty members had visited the hospital.

The visit started at 10.30 am from the College. We boarded with the college bus to reach to Karad. We reached therearound 12.00 noon. At the reception, we were welcomed by the team members of Sahyadri Hospital. The students visited the different departments of the hospital like ICU, ICCU, In-Patient Pharmacy, OUT-patient pharmacy, canteen, pathology lab, CATH Lab, operation theatres, emergency services etc. A detailed explanation regarding each department was given during the visit. This was followed by a detailed presentation about the role of hospital pharmacy in hospital, drug distribution systems and inventory

management and medication errors.

In the end, we visited the In-Patient pharmacy store, where we had a chance to see the actual storage, purchasing and billing of drugs to patients. We also saw the special precautions for storage of narcotic drugs. Overall, the visit was very informative and enjoyable. We came to know regarding the role of Hospital Pharmacist in the overall health management.

This field visit was successfully completed under the valuable guidance of President Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare, Registrar Mr. G. K. Survase, I/C Principal Dr. P. D. Jadhav and HOD Prof. A.T. Thorat.

FIELD VISIT AT SUNNY PHARMA, SATARA

DEPARTMENT OF D PHARMACY

YSPM's, Yashoda Technical Campus Faculty of D. Pharmacy, Satara organized a field visit to Sunny Pharma in Satara for second-year Diploma in Pharmacy students on August 20, 2025. The visit included 45 students and three staff members. Upon arrival at 2:30 p.m., students were greeted by Mr. Nitin Shah, the owner of Sunny Pharma. Mr. Shah provided a comprehensive overview of the firm's operations, including medication storage, distribution, and the process of bill reconciliation and record maintenance. Following the presentation, students were given a tour of the facility to observe the organized arrangement of medicines. This was followed by an interactive Q&A session where Mr. Shah addressed various questions from the students, providing valuable insights into the pharmaceutical distribution industry. Students were particularly interested in how orders are managed, bills are prepared, and records like purchase and credit orders are maintained. They also learned about the different software used for billing.

This visit provided students with a practical understanding of pharmaceutical distribution, from order management to record-keeping. The visit concluded with a discussion on the uses, cultivation, and medicinal parts of various plants.

This field visit was successfully completed under the valuable guidance of President Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare, Registrar Mr. G. K. Survase, I/C Principal Dr. P. D. Jadhav and HOD Prof. A.T. Thorat.

FIELD VISIT TO WADHE PHATA RELATED TO HIGHWAY ENGINEERING

DIPLOMA IN CIVIL ENGINEERING

A field visit related to Highway Engineering was organized on 04/08/2025 and 06/08/2025 for the Second Year Civil Engineering (Polytechnic) students at Wadhe Phata to provide practical exposure to various aspects like Subgrade Preparation, Base and Sub-base Layers, Drainage and Roadside Works, Safety and Quality Control. The visit was conducted under the guidance of Prof. Pratik Sitaram Matkar Head of Civil Department and accompanied by

faculty members Ms. Rutuja Jadhav and Ms. Pallavi Jadhav. The main objective of the visit was to bridge the gap between classroom learning and field applications, enabling students to observe and understand real-life engineering practices.

INDUSTRIAL VISIT AT CONSTROTRAIT MATERIAL TESTING LAB (NABL ACCREDITED) AT WAI

DIPLOMA IN CIVIL ENGINEERING

The Department of Civil Engineering, Yashoda Technical Campus, Satara, organized an Industrial Visit to CONSTROTRAIT Material Testing Laboratory, Wai – a NABL Accredited Lab. The visit was conducted under the guidance of Prof. Pratik Sitaram Matkar, Head of Civil Engineering Department, accompanied by Prof. Rutuja Jadhav and Prof. Pallavi Jadhav. During the visit, students gained practical exposure to various advanced material testing techniques used in civil engineering. The session included demonstrations of concrete, soil, aggregate, and steel testing procedures, enabling students to bridge the gap between theoretical knowledge and industrial practices.

This visit proved to be highly beneficial for the students, enhancing their technical understanding and preparing them for real-world applications in construction and quality control.

EXPERT LECTURE ON 'INTEGRATING REMOTE SENSING & GIS FOR SUSTAINABLE INFRASTRUCTURE PLANNING'

DIPLOMA IN CIVIL ENGINEERING

Department of Civil Engineering (Polytechnic) organized an expert lecture on 21/08/2025. Mr. Vaibhav Kashyap, Assistant Professor at Yashoda Technical Campus Satara and currently pursuing a Ph.D. in Geo-Informatics, delivered a highly anticipated expert lecture. He shared his views on Remote sensing techniques for acquiring high-resolution satellite imagery. He emphasized how combining remote sensing with GIS empowers planners to make data-driven, environmentally conscious decisions. The session concluded with a Q&A, drawing keen interest in topics like spatial data integration, predictive modeling, and policy frameworks for sustainable urban growth.

PARENT'S MEETING

DIPLOMA IN CIVIL ENGINEERING

The Civil Engineering Department of Yashoda Technical Campus (Faculty of Polytechnic) arranged a Parent Meeting on 23rd August 2025 with an objective to strengthen the bond between the institute, students, and

their parents, and to ensure the holistic development of the learners. The meeting was graced by the presence of Principal Prof. P. P. Gavade, Central Academic Coordinator Mr. Ranjeet Khandekar, Head of Department Prof. Pratik Sitaram Matkar, all faculty members of the Civil Department, parents, and students. The program began with a warm welcome to the dignitaries, parents, and students by the faculty members. Principal Prof. P. P. Gavade addressed the gathering and highlighted the vision and mission of the institute, emphasizing the importance of collaboration between parents and the institution for academic excellence and student discipline. Prof. Pratik Matkar, HOD Civil Department, presented a detailed report on the departmental activities, academic progress, industrial visits, expert lectures, and student achievements. He also interacted with parents regarding their suggestions and feedback for the continuous improvement of the department. All faculty members shared information about subject progress, internal assessments, and remedial measures for slow learners. The parents actively participated in the discussion and appreciated the efforts of the department for the academic and overall development of students.

The session proved fruitful in building a strong partnership between the institute and parents for the betterment of students.

EXPERT LECTURE ON CIVIL ENGINEERING SOFTWARES

DIPLOMA IN CIVIL ENGINEERING

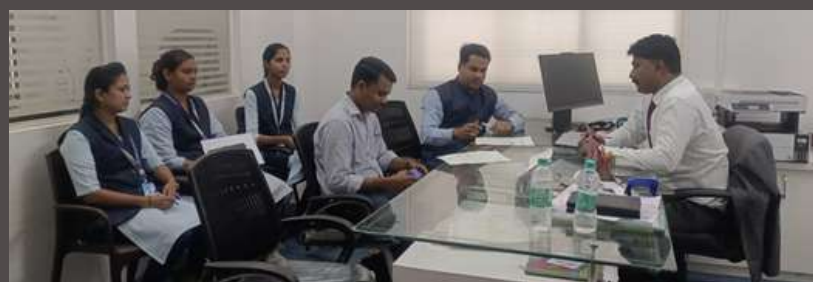

A guest lecture on "Softwares Used in Civil Engineering" was successfully conducted at the Department of Civil Engineering, Yashoda Technical Campus (Faculty of Polytechnic), on 29/08/2025. The session aimed to enhance students' knowledge about modern engineering tools and their

applications in various domains of civil engineering. The guest Mr. Avinash Sakate Sir shared valuable insights into the importance of software in today's civil engineering practices. The lecture covered a wide range of software applications. The expert highlighted how these software tools help improve accuracy, efficiency, visualization, and decision-making in civil engineering projects. The session was highly interactive, with students actively participating in discussions and clarifying their doubts regarding software applications, career opportunities, and industry expectations.

The program was conducted under the guidance of Prof. Pratik Matkar, Head of the Civil Engineering Department, and coordinated by Prof. P. K. Jadhav and Prof. R. D. Jadhav.

MOU SIGNED WITH STRUCTURAL ENGINEERING ACADEMY

DIPLOMA IN CIVIL ENGINEERING

The Department of Civil Engineering, Yashoda Technical Campus (Faculty of Polytechnic), entered into a Memorandum of Understanding (MoU) with Structural Engineering Academy on 29/08/2025. Mr. Avinash Sakate Sir who is the owner of Structural Engineering Academy was welcomed in the institute. The MoU aims to foster collaboration between academia and industry in the field of structural engineering. The signing ceremony was held in the presence of Prof. P. P. Gavade, Principal of Yashoda Polytechnic, Prof. Pratik Matkar, Head of Civil Engineering Department, along with faculty members. Representatives from the Structural Engineering Academy graced the occasion and emphasized the importance of bridging the gap between theoretical knowledge and practical application.

This collaboration is expected to enhance the technical competencies and employability of diploma students. The event concluded with a note of gratitude to both institutions for coming together to strengthen academic-industry relations and contribute towards producing skilled civil engineering professionals.

Lat 17.721789° Long 74.020742°

Department of Artificial Intelligence and Data Science Engineering recently hosted an exciting Student Development Program, 'Robo-AI Fusion'. All students of the Department of Artificial Intelligence and Data Science Engineering participated wholeheartedly, showcasing their curiosity, creativity, and passion for learning. The event turned into an inspiring and energetic experience for everyone involved!

The impact of this initiative was recognized in the media, with coverage in Sakal and Punyanagari newspapers on 7th August 2025, emphasizing the importance of the program.

'यशोदा'त तंत्रज्ञान कार्यशाळेस उत्स्फूर्त प्रतिसाद

सतारा, ता. ७ : येथील यशोदा टेक्निकल कॅम्पसमध्ये १४ ऑगस्टपर्यंत होत असलेल्या 'रोबो-आय फ्यूजन' या कार्यशाळेला इलेक्ट्रॉनिक्स आणि टेक्निकल विभागाच्या विद्यार्थ्यांनी उत्साहाने सहभाग घेतला. या कार्यशाळेमध्ये विद्यार्थ्यांनी रोबोटिक्स, आर्टिफिशियल इंटेलिजन्स, डेटा साइन्स आणि क्लाउड टेक्नॉलॉजीसह अनेक महत्वाच्या क्षेत्रांमध्ये प्रगत तंत्रज्ञानाचा अभ्यास केला. कार्यशाळेचे उद्देश्य विद्यार्थ्यांना व्यावहारिक अनुभवांचे प्रदान करणे आणि त्यांच्या समस्या-सolving क्षमतांना वाढवणे होते. या कार्यशाळेचे आयोजन विभागाच्या प्राध्यापकांनी केले होते. कार्यशाळेच्या शेवटच्या दिवशी विद्यार्थ्यांनी त्यांच्या शिकण्याच्या प्रगतीबद्दल प्रतिबद्धता व्यक्त केली.

आजच्या काळात गणित, संगणक, रोबोटिक्स, आर्टिफिशियल इंटेलिजन्स यासारख्या क्षेत्रांमध्ये कोणत्याही अभ्यासात कोणत्याही विद्यार्थ्याची योग्यता आहे. उद्योग क्षेत्रात यासारख्या तंत्रज्ञानाची गरज आहे. उद्योग क्षेत्रात यासारख्या तंत्रज्ञानाची गरज आहे. उद्योग क्षेत्रात यासारख्या तंत्रज्ञानाची गरज आहे.

INTERNSHIP & TRAINING

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The TY B.Tech students of the Artificial Intelligence & Data Science Engineering Department actively participated in the Internship & Training Week, gaining valuable hands-on experience and industry exposure. The initiative was designed to bridge the gap between academic learning and practical application.

Final Year students from the Artificial Intelligence & Data Science Engineering Department have successfully completed their Internship & Training, an enriching experience that helped them explore real-world applications, enhance skills, and prepare for future careers. This program not only bridged the gap between classroom learning and industry practices but also boosted students' innovation, problem-solving abilities, and teamwork. Such initiatives empower our graduates to become industry-ready professionals and contribute meaningfully to society.

TREE PLANTATION

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

All students of the Artificial Intelligence and Data Science Engineering Department actively participated in the Tree Plantation Program held at Aasgaon, Satara on 12th August 2025, organized under the NSS Activity. The initiative aimed at promoting environmental awareness and sustainability among students.

IQHILLS TECHNOLOGY HACKATHON

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The Department of Artificial Intelligence and Data Science Engineering students brought laurels to Yashoda Technical Campus by shining at the prestigious Qhills Technology Hackathon, held at Yashwantrao Chavan Institute of Science, Satara, Maharashtra. A talented student team comprising Hardik Kovale,

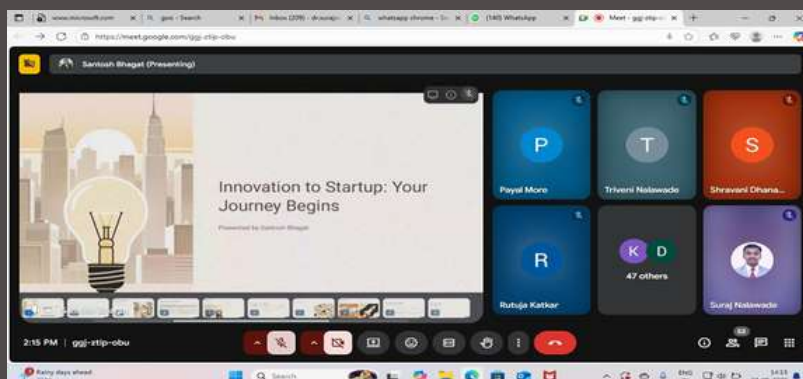

Shriyash Taure, Sai Bhise, and Devdutt Sankhe secured the First Prize in the AI Domain, winning a cash award of ₹10,000. Their innovative project, 'Chat with GitHub Repo', impressed the jury and stole the show, showcasing the students' creativity, problem-solving skills, and technical excellence.

IEXPERT LECTURE

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The Department of Artificial Intelligence and Data Science Engineering organized an Expert Lecture on the topic 'Innovation to Startup: Your Journey Begins'. The session was conducted in online mode and witnessed active participation from all faculty members and students of the department. The lecture provided valuable insights into transforming innovative ideas into successful startups, inspiring students to think entrepreneurially and embrace innovation as a career path.

and Minimum Viable Product/Business".

ISPORTS DAY

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

Yashoda Technical Campus, Satara celebrated Sports Day, during which students of the Department of Artificial Intelligence and Data Science Engineering participated and emerged as the winning team. The Girl's Team secured the First Rank in Throwball, showcasing their outstanding teamwork and determination. The Boy's Team also performed exceptionally well, achieving the Runner-up position in Volleyball.

PARTICIPATED IN VARIOUS ACTIVITIES AND TRAINING PROGRAMS

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

Students from Third Year and Final Year actively participated in various activities and training programs. In the Spoken Tutorial, 185 students earned certificates, while 144 students successfully completed the Skill Dzire Internship. Additionally, 980 students participated in Data Camp activities, and 8 students successfully completed training under EduSkills.

FDP ON AI-POWERED EDUCATION PLATFORMS & TOOLS

DEPARTMENT OF CIVIL ENGINEERING

Mr. Ajinkya Subhash Shah & Mr. Alfaj N Shaikh, assistant professor in Civil Engineering has attended and successfully completed one-week FDP on AI-Powered Education Platforms & Tools organized by D Y Patil College of Engineering, Akurdi, Pune from 25/08/2025 to 30/08/2025.

Mr. Alfaj N Shaikh, assistant professor in Civil Engineering has attended and successfully completed Two-week FDP on 3D Painting and Design organized by SkillDzire in collaboration with AICTE.

Mrs. Vijaya P Pawar, assistant professor in Civil Engineering has attended and successfully completed one-week FDP on Python 3.4.3 organized by EduPyramids, SINE, IIT Bombay from 28/07/2025 to 01/08/2025.

EXPERT LECTURE

DEPARTMENT OF CIVIL ENGINEERING

Prof. Vaibhav Kashyap, Assistant Professor, department of Civil Engineering, Faculty of Engineering, Yashoda Technical campus, Satara has delivered an expert lecture on "Integrating Remote Sensing & GIS for Sustainable Infrastructure Planning" on 21st August 2025 to second year of Civil department of Yashoda college of Polytechnic, Satara on 21/08/2025. Sir has shared valuable insights on the role of geospatial technologies in sustainable infrastructure.

CELEBRATION OF WORLD ENTREPRENEURSHIP DAY

DEPARTMENT OF CIVIL ENGINEERING

Department of Civil Engineering organizes Guest Lecture on Occasion of celebration of 'World Entrepreneurship Day' at Yashoda Technical Campus, Satara, Faculty of Engineering in association with Institutions Innovation Council cell and CESA on 21st August 2025. Topic of guest lecture was "Entrepreneurship Career and Funding Opportunities for Early Stage Entrepreneurs". Mr. Harshad Joshi and Mr. Nikhil Pawar (CEO, Rocklike Techventures, Satara) was the guest for the event. They gave idea about of entrepreneurship as a career path and different

funding opportunities for entrepreneurship. The insights on "Entrepreneurship Career and Funding Opportunities for Early Stage Entrepreneurs" truly motivated our budding innovators and future changemakers. The event was coordinated by faculty members Mr.A.N. Shaikh, Mr. A.S. Shah and Mrs. V.P. Pawar and Students coordinator Miss Sakshi Pawar.

APPLICATION OF GEOSPATIAL TECHNIQUES IN CIVIL ENGINEERING

DEPARTMENT OF CIVIL ENGINEERING

Department of Civil Engineering, Faculty of Engineering, YSPM's Yashoda Technical Campus, Satara organized One-week Faculty Development Programme in Association with ISTE on "Application of Geospatial Techniques in Civil Engineering" from 04/08/2025 to 09/08/2025. The mode of Faculty Development Programme was online mode. Various experts from Industry and organization were invited to give lecture on GIS & RS in aspects of Civil Engineering field. The experts were Dr. Sandeep Pandey, Dr. Manivasagam V. S., Dr. Sachin K. Patil, Dr. Sushree Sangita Mishra, Dr. Madhav B. Kumthekar, Dr. Rajat Kumar Panda, Dr. Sanjay Kumar A. Patil,

A. Patil, Mr. Jamir S. Bagwan, Dr. Abhijit M. Zende, Mr. Vaibhav B Kashyap and Dr. Awkash Kumar. Some participants were from foreign countries. Feedback from participants about this One-week Online Faculty Development Program is very nicely managed and well-organized Faculty Development Program.

Prof. Shah A S and Prof. Kashyap V B, Assistant Professor from Civil Department coordinated the event successfully. and Prof. Dr. Zende A M, HOD Civil Department, and Prof. Shaikh A. N., ISTE Coordinator, YSPM's Yashoda Technical Campus, Satara gave Vote of Thanks to all the Participants & Guests.

HOSTS CUTTING-EDGE INTERNSHIP ON DRONE TECHNOLOGY

DEPARTMENT OF ELECTRONICS AND TELE-COMMUNICATION

The Department of Electronics & Telecommunication at Yashoda Technical Campus Satara, proudly conducted a 10-day internship program on Drone Technology, from 4th to 14th August 2025 empowering students with hands-on experience in one of the most transformative fields in modern engineering. With 70 enthusiastic participants, the program blended theory and practice, offering students a deep dive into the design, operation, and applications of drones across industries such as agriculture, surveillance, disaster management, and logistics.

HOSTS 3-DAY INTERNSHIP ON ARDUINO PROGRAMMING & IOT

DEPARTMENT OF ELECTRONICS AND TELE-COMMUNICATION

The Department of Electronics & Telecommunication at Yashoda Technical Campus Satara, successfully conducted a Three-day internship program on Arduino Programming and Internet of Things (IoT), 11th to 13th August 2025 on designed to introduce students to the fundamentals of embedded systems and smart connectivity.

With 50 student participants, the program offered a hands-on learning experience focused on building real-time IoT applications using Arduino microcontrollers.

CONDUCTS HANDS-ON INTERNSHIP PROGRAM ON C PROGRAMMING.

DEPARTMENT OF ELECTRONICS AND TELE-COMMUNICATION

The Department of Electronics & Telecommunication (E&TC) at Yashoda Technical Campus Satara, successfully organized a practical internship program on C Programming, aimed at strengthening foundational coding skills among students and preparing them for real-world applications in embedded systems and software development.

Held over 4th August to 22nd August 2025, the program attracted 36 enthusiastic student participants from various academic backgrounds, all eager to deepen their understanding of structured programming and algorithmic thinking.

HOSTS ONLINE FDP ON "IOT & INDUSTRY 4.0"

DEPARTMENT OF ELECTRONICS AND TELE-COMMUNICATION

The Department of Electronics & Telecommunication (E&TC) at Yashoda Technical Campus Satara, successfully conducted a One-Week Online Faculty Development Program (FDP) on "IoT & Industry 4.0" from 18th to 22nd August 2025, bringing together educators and experts to explore the cutting-edge technologies driving the fourth industrial revolution.

This virtual initiative aimed to equip faculty members with the latest knowledge and practical insights into the rapidly evolving domains of the Internet of Things (IoT) and Industry 4.0, fostering academic excellence and future-ready teaching practices.

FACULTY DEVELOPMENT PROGRAM

DEPARTMENT OF MECHANICAL ENGINEERING

ABOUT INSTITUTE
Yashoda Technical Campus (YTC), Satara is one of the best Engineering colleges in Satara, established in 2011, owned and managed by Yashoda Shikshan Prasarak Mandal, Satara. YTC is functioning primarily to provide the best professional environment to Engineering and Management students to create new technologically oriented and technologically competent engineers and management professionals. YTC is supported by All India Council of Technical Education, Delhi & Directorate of Technical Education, Mumbai. Affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere, Mumbai and also accredited by NAAC.

ABOUT DEPARTMENT
The Department of Mechanical Engineering was started in the year 2011. The department conducts Undergraduate and Post-Graduate programs in Mechanical Engineering Degree at present:
(i) B.Tech in Mechanical Engineering
(ii) M.Tech in Mechanical Engineering
The Mechanical Engineering department rigorously follows the Outcome Based Education in their teaching learning process. Department has various advanced laboratories including 3-D printing facility and Mechanical Workshop. A separate CAD/CAM/CAE laboratory has been developed with various advanced software packages such as CATIA, ANSYS, AutoCAD, SolidWorks etc.

VISION OF DEPARTMENT
To be identified as a department with excellence in academics by integration of teaching, learning, skill development and research.

MISSION OF DEPARTMENT
M1: To develop state of the art facilities to stimulate faculty, staff and students to learn, analyze, apply and disseminate knowledge.
M2: To have employability and entrepreneurship skills of the students through industry-academia interaction.
M3: To create an environment for the students to excel in mechanical engineering field, engage in research and development activity and participate in professional activities.
M4: To develop an ability to use techniques, skills, modern software and machine tools necessary in the practice of Mechanical Engineering Profession.

FACULTY ACHIEVEMENTS

DEPARTMENT OF MECHANICAL ENGINEERING

Faculty members of Department of Mechanical Engineering actively participated in various Faculty Development Programmes (FDPs) to enhance their knowledge and skills.

Mr. Raut Satish Keru, Assistant Professor, successfully completed a One-Week Online FDP on "Technological Advancements in HVAC&R, Research and Innovation in Space & Automobile Air Conditioning System" organized by ISHRAE, MSIT Kolkata, and PMEC Berhampur (22nd - 26th July 2025) and other.

Mr. Nihal Munir Mulla, Assistant Professor, attended a 2-Week FDP on SolidWorks for advanced learning in design tools.

Dr. T. R. Shinde, Prof. N. M. Mulla, Prof. P. P. Nimbalkar, Prof. A. H. Jagdale attended a Faculty Development Program on Digital Foundries: Integration of IOT, Robotics & Automation at TKIET Warnanagar on August 18-20th 2025.

Department of Mechanical Engineering has conducted Online Faculty Development Program on "Additive Manufacturing for Sustainable Applications" in association with Indian Society for Technical Education (ISTE) from 18th to 22nd August 2025.

SOLID WORKS TRAINING PROGRAM

DEPARTMENT OF MECHANICAL ENGINEERING

Students of Second Year Mechanical successfully completed the training program on Solid Works organized by Department of Mechanical Engineering and CAD/CAM Bridge Pune from August 4th to August 8th 2025.

FACULTY DEVELOPMENT PROGRAM

DEPARTMENT OF ELECTRICAL ENGINEERING

Mrs. Suhani Najmuddin Jamadar (Asst. prof. Department of Electrical Engineering) of Yashoda Technical Campus, Faculty of Engineering, Satara has successfully completed the ISTE approved One-Week Online Faculty Development Program on "Electric Mobility and Renewable Energy for a Sustainable Future" held during 28.07.2025 to 1.08.2025 organized by Department of Electrical Engineering, Yashoda Technical Campus, Satara, Maharashtra.

STUDENT TRAINING PROGRAM

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering conducted a Two-Week Student Development Program (SDP) titled "Hands-on Robotics Lab: Programming, Sensor Integration, and Microcontroller Interfacing for Pick and Place Robots", scheduled

from 4th to 14th August 2025 for final-year B.Tech. Mechanical Engineering students.

ACCELERATOR/INCUBATION-OPPORTUNITIES - EARLY STAGE ENTREPRENEURS

DEPARTMENT OF ELECTRICAL ENGINEERING

The Department of Electrical Engineering successfully organized an online session on "Accelerator/Incubation - Opportunities for Early-Stage Entrepreneurs" for all engineering students of Yashoda Technical Campus. The session was enriched by the presence of our esteemed guest, Mr. Manoj Kumar Singh (Operations Head - TATA MOTORS Receiving Project, Mahalaxmi Enterprises), who graciously shared his valuable time, experience, and insights. His expert guidance provided great value to the participants and inspired them to explore the world of entrepreneurship. On this occasion, Dr. Vikram Patil (Principal, YTC) felicitated the guest in the presence of Dr. N.M. Jamadar (Head, Department of Electrical Engineering), Prof. Vasim Mane (Convener, IIC), Prof. Samarjit Singh, and Dr. S. S. Itraj (Vice-President, IIC), and faculties of various departments.

DEPARTMENT OF ELECTRICAL ENGINEERING

MRS.ASHWINI ABHIJEET KEKARE (Asst professor Department of Electrical Engineering)) has successfully completed the ISTE approved Self-Financing Faculty Development Program on "Electric Mobility and Renewable Energy for a Sustainable Future" held during 28.07.2025 to 01.08.2025 organized by Yashoda Technical Campus, Faculty of Engineering, Satara, Maharashtra.

INAUGURATION OF THE CENTRE OF EXCELLENCE IN AGENTIC AI

Yashoda Technical Campus (YSPM), Satara inaugurated its Centre of Excellence in Agentic AI on 1st August 2025 in collaboration with Progression School, Gurgaon. The MoU aims to promote Generative AI and multi-agent systems through curriculum, training, research, and industry partnerships. The event was graced by Mr. Vivek M. Agarwal, Mr. Rohit S. Ghosh, and YSPM leadership. The CoE will provide students with advanced AI learning opportunities, research support, and hands-on training. This initiative marks a significant step in positioning YSPM as a pioneer in Agentic AI education.

INTERNSHIP ON CRITICAL THINKING AND PROBLEM SOLVING

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering, Yashoda Technical Campus, Satara organized a one-day Internship on Critical Thinking and Problem Solving on 7th August 2025, facilitated by Mr. Avinash Deshmukh. Around 40 students actively participated in interactive sessions including activities, games, and case studies. The program enhanced students' critical thinking, problem-solving, creativity, and decision-making skills, preparing them for academic and professional challenges.

INTERNSHIP ON IOT & ANDROID APPLICATION DEVELOPMENT

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Computer Science and Engineering Department organized an in-house internship on "IoT & Android Application Development" from 4th to 8th August 2025,

followed by an online Data Camp certification. The program introduced students to IoT and Android app development through hands-on projects and practical learning. Resource persons Mr. Sagar Patkar (Android Developer & Trainer, IOFT Mumbai) and Mr. Avinash Yadav (ARVR Developer, IOFT Mumbai) guided the sessions. A total of 38 SY, TY, and Final Year students actively participated in this internship.

The Computer Science and Engineering Department organized a Three Days Internship Program on “Python Programming Foundation” from 6th to 8th August 2025. The sessions were conducted by Mr. Mandar Shriram Kale, Director, Philomath Trainings and Consultancy Pvt. Ltd., who introduced students to Python fundamentals with hands-on exercises and real-time examples. Topics such as variables, data types, loops, functions, collections, and file handling were covered. The program also highlighted the importance of Python in the IT industry and its career opportunities. The event was coordinated by Mrs. S. S. Atpadkar and Ms. Asma Mulla, with a total of 38 students participating.

INTERNSHIP ON AIMLDL

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Computer Science and Engineering Department organized an in-house internship on “Artificial Intelligence, Machine Learning & Deep Learning (AIMLDL)” from 4th to 8th August 2025, followed by an online DataCamp certification course. The program focused on AI concepts, machine learning algorithms, and deep learning applications through hands-on projects. Expert sessions were conducted by Mr. Rahul Gupta (Director, IOFT Mumbai) and Mr. Arafa Shaikh. The event was coordinated by Mr. Kiran P. Jagtap and Mrs. Deepa M. Rathod, with enthusiastic participation from SY, TY, and Final Year students. Total Present Students: 38.

INTERNSHIP ON ADVANCED AI TOOLS AND FUNDAMENTALS

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science & Engineering organized a one-week In-house Internship on Advanced AI Tools and Fundamentals from 4th–8th August 2025. Sessions were conducted by Mr. Shagun Salunkhe (Anliee Animations, Satara), coordinated by Mrs. Ashwini Kadam and Mrs. Rajani Mandhare, focusing on AI fundamentals, emerging tools, and hands-on training. Students also completed a one-week online certification course on DataCamp. A total of 39 students participated, gaining valuable skills that bridged theory with real-world AI applications.

दहीहंडी

कर्मवीर डॉ. मामासाहेब जगदाळे प्राथमिक शाळा आणि बालकमंदिर
