PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each student's a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc. We are committed to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

Prof. Dasharath Sagare
Founder President
YSPM - YSS, Satara

EDITOR'S DESK

I am pleased to release (63 volume) of YSPM & YSS newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

Kind Regards:
Mr. Somnath N. Kumbhar
YSPM - YSS, Satara

SHIV JAYANTI CELEBRATION

Introduction:

The Yashoda Technical Campus celebrated Chhatrapati Shivaji Maharaj Jayanti with great enthusiasm on February 19, 2025. As the event coordinator, I ensured that the program was organized in a manner that reflected the wisdom, and governance principles of Chhatrapati Shivaji Maharaj, emphasizing the relevance of his leadership in the Indian Knowledge System (IKS). The program started with procession, following with drama/ act by students, felicitation of guest, speech by Dr. Vinod Babar (guest speaker) and vote of thanks by Prof. C.B.Patil (Shivjayanti Coordinator). For this celebration Registrar, Director, Associate director, Principals, Head of the departments, Teaching and non-teaching staff and Students were present.

Objectives of the Celebration

1. To honor the legacy and contributions of Chhatrapati Shivaji Maharaj in Indian history.
2. To integrate the Indian Knowledge System (IKS) in understanding his governance, warfare and administrative strategies.
3. To instill a sense of national pride, discipline, and leadership among students and faculty members.

Program Highlights

The event commenced with the lighting of the lamp and garlanding of Shivaji Maharaj's portrait, followed by a series of cultural activities:

1. Speech on Shivaji Maharaj's Governance & Indian Knowledge System

- Dr. Vinod Babar (Guest Speaker) discussed how Shivaji Maharaj's governance was rooted in indigenous knowledge, including water conservation, fort architecture, military strategies, and administrative policies.
- His use of the Ashta Pradhan Mandal (council of eight ministers) was highlighted as a precursor to modern governance models.

SHIV JAYANTI CELEBRATION

2. Traditional Dhol-Tasha Performance

- A student-led Dhol-Tasha performance paid tribute to the Maratha warrior spirit, reflecting the integration of folk traditions in historical celebrations.

3. Drama

- The Yashoda College of Pharmacy presented a vibrant drama during Shivjayanti, showcasing key events from Chhatrapati Shivaji Maharaj's life, aligned with Indian Knowledge Systems (IKS). The enactment of his birth celebration reflected the cultural and historical significance of his legacy in shaping Swarajya. The oath-taking ceremony emphasized his visionary leadership, rooted in Dharma and ethical governance. The Rajyabhishek scene highlighted indigenous administrative principles, demonstrating self-rule and strategic statecraft. This performance effectively conveyed traditional values, inspiring students to embrace India's rich heritage and leadership ideals.

Outcomes of Shivjayanti Celebration:

The celebration of Shivjayanti fosters a deep connection with India's rich heritage and imparts valuable lessons to students and participants. The key outcomes include:

1. Understanding of History and Leadership: Participants gain insights into the visionary leadership, strategic governance, and administration of Chhatrapati Shivaji Maharaj, enhancing their historical awareness.
2. Promotion of Indian Knowledge Systems (IKS): The event highlights indigenous governance, ethical warfare, and self-rule principles, aligning with Bharatiya traditions and knowledge systems.
3. Development of Patriotism and Ethical Values: By revisiting Shivaji Maharaj's ideals, students develop a sense of national pride, responsibility, and ethical leadership.
4. Enhancement of Communication and Cultural Skills: Through dramas, speeches, and performances, students improve their public speaking, teamwork, and creative expression.
5. Inspiration for Leadership and Strategic Thinking: The event instills qualities of courage, discipline, and strategic decision-making, encouraging students to apply these values in their personal and professional lives.

EXPERT LECTURE ON IMPORT-EXPORT BUSINESS OPPORTUNITIES: UNLOCKING GLOBAL TRADE POTENTIAL BY MR. AMITKUMAR BOTE (FOUNDER-EMISSIONMIRACLES.COM)

FACULTY OF MBA

An insightful expert lecture on the opportunities and strategies in the import-export business sector was held today at Yashoda Technical Campus, Department of Management, providing attendees with in-depth knowledge and practical guidance on navigating the complexities of international trade.

The event, organized by [Organizer Name], attracted a diverse audience ranging from aspiring entrepreneurs to seasoned business professionals. The guest speaker, Mr. Amitkumar Bote, an acclaimed international trade consultant and industry veteran, led the session, which focused on uncovering the untapped potential in global markets and strategies to successfully engage in import-export operations.

Mr. Amitkumar Bote started the lecture by emphasizing the consistent rise in global trade, underscoring that the world's interconnected economy presents abundant opportunities for businesses to scale beyond domestic borders. With recent shifts in trade agreements and evolving consumer demands, He highlighted key regions where there is high demand for both exports and imports, particularly in emerging markets in Asia, Africa, and Latin America.

A crucial element of the lecture was the analysis of profitable markets for import-export businesses. [Expert's Name] discussed the importance of market research, including analyzing trade statistics, economic trends, and consumer behavior. Practical tips were provided on how businesses can identify in-demand products and services that could yield substantial profit margins in foreign markets.

The expert lecture on import-export business opportunities was a valuable learning experience for all attendees. By equipping individuals with knowledge on global trade dynamics, risk management, regulatory challenges, and emerging market trends, the session provided attendees with the tools they need to succeed in the global business arena.

As the world becomes increasingly interconnected, there's no better time than now to explore the potential of import-export business opportunities, and this lecture was just the beginning of what promises to be a series of valuable educational events for budding entrepreneurs and business professionals.

EXPERT SESSION ON "DEVELOPMENT OF ECOSYSTEM FOR EARLY INVESTORS" BY MR. ROHIT WARMAN, NISM

FACULTY OF MBA

An enlightening expert session on "Development of Ecosystem for Early Investors" was conducted today by Mr. Rohit Warman, an NISM certified trainer and seasoned finance professional, at Yashoda Technical Campus, Satara, Department of Management. The session was a part of a series of events aimed at providing essential knowledge to individuals looking to dive into the world of investments. Mr. Warman, who brings years of experience in the financial sector, discussed the importance of creating a conducive environment for early-stage investors and how they can navigate the complexities of financial markets. The event was attended by aspiring investors, entrepreneurs, and financial professionals eager to learn how to make informed investment decisions in a rapidly evolving market landscape.

Throughout the session, Mr. Warman stressed the importance of a well-structured ecosystem for early investors, highlighting the need for support from financial institutions, mentorship, and government policies that nurture a healthy investment environment. He explained how emerging investors can benefit from tools, resources, and platforms designed to mitigate risk and enhance returns. Drawing on real-world examples, he discussed the critical role of networking, knowledge-sharing, and accessibility to financial services in building a robust ecosystem. According to Mr. Warman, fostering such an ecosystem is essential for early investors to overcome initial hurdles and develop the confidence to grow their portfolios.

Mr. Warman also delved into the practical aspects of early-stage investments, offering attendees valuable insights into developing a diversified investment strategy. He emphasized the need to understand market trends, risk management, and the psychology of investing, especially for those just entering the investment space. By creating a sustainable and supportive ecosystem, investors can build long-term wealth and contribute to the overall growth of the economy. The session concluded with a Q&A, where Mr. Warman answered questions from participants, offering tailored advice on how to succeed as an early investor in today's fast-paced financial markets.

DEPARTMENT OF MANAGEMENT SUCCESSFULLY ORGANIZED ASHADHI VARI ON TRADITIONAL DAY

FACULTY OF MBA

The MBA students of Yashoda Technical Campus, Satara showcased their exceptional event management and leadership skills by successfully organizing Management of Ashadhi Vari as part of the Traditional Day celebrations. This energetic event highlighted Maharashtra's rich cultural heritage while fostering a sense of unity and devotion among participants. Ashadhi Vari is a respected pilgrimage in Maharashtra, where devotees embark on a spiritual journey to Pandharpur, chanting bhajans and expressing their devotion to Lord Vithoba. To honor this tradition, MBA students recreated the pilgrimage on campus, symbolizing faith, discipline, and togetherness. The event was marked by a Dindi procession, with students dressed in traditional nauvari sarees and dhotis, carrying a beautifully decorated palkhi and saffron flags. Enthralling bhajans, kirtans, and folk dances filled the air, creating a spiritual and festive ambiance.

MARATHI RAJBHASHA GAURAV DIN CELEBRATED AT DEPARTMENT OF MANAGEMENT

FACULTY OF MBA

Location: Yashoda Technical Campus, Satara

In a heartwarming event, the MBA Department of Yashoda Technical Campus celebrated Marathi Bhasha Din, dedicated to honoring the rich cultural heritage and importance of the Marathi language. The event was graced by the online presence of Tara Bhovalkar, the esteemed President of the Marathi Sahitya Samelan, who delivered an insightful speech on the significance of

preserving and promoting Marathi as a medium of communication, literature, and identity. During her speech, Tara Bhovalkar emphasized the deep cultural roots of the Marathi language and its influence on the region's history, literature, and art forms. She pointed out that despite the globalized world, the Marathi language holds an essential place in the hearts of millions and must be nurtured and passed on to future generations. Bhovalkar also appealed audience to take pride in their language and promote its use in daily conversations, literary works, and professional spaces. Students enthusiastically and sincerely listened and watched the online speech. Faculty coordinator said tha, I truly believe that by celebrating Marathi Bhasha Din, we ensure that our language remains alive and relevant for years to come." The MBA Department expressed their commitment to continue organizing such events that foster cultural awareness and pride among students. The event was well-received, leaving participants with a renewed sense of appreciation for the Marathi language and its rich literary tradition.

RESEARCH ARTICLE PRESENTATION IN CONFERENCE: A PROUD MOMENT FOR STUDENTS AND FACULTY

FACULTY OF MBA

MBA Students recently participated in the One day National Conference on “Sustainable Development in Commerce and Management: Challenges and Opportunities”, where both students and faculty came together to showcase their research and contribute to ongoing academic discourse. The event was a significant platform for presenting research articles on various topics, and it highlighted the impressive work being done by our students and faculty members. The conference featured a series of presentations by students and faculty across diverse fields, with an emphasis on innovation, critical thinking, and academic excellence. The event provided an invaluable opportunity for students to present their research findings to an audience of experts, professionals, and academics, while also fostering collaboration and networking.

A particularly exciting moment for department came when Ms. Riddhi Sudhir Suryawanshi, MBA II-year student, was awarded the Second Prize for their research paper titled “Cyber Security Awareness: Social Media Usage and Cyber Security Behavior of College Students.” This achievement not only speaks to the student's exceptional research skills and dedication but also reflects the high academic standards upheld by our institution. The paper, which explored Usage of Social Media platforms, Awareness of Cyber security regarding technologies among college students and cyber security behavior of college students, impressed the judges with its originality, rigor, and potential for real-world impact. Every student and faculty member who participated demonstrated effort, creativity, and intellectual curiosity. Their research contributions, whether presented as papers enriched the conference and furthered academic dialogues in their respective fields.

The Parent Meeting was conducted as per following schedule:

- Registration of parents at the registration desk at 11:00 am.
- Felicitation of Toppers done by respected Principal Prof. Gavade P.P. Sir & Central Academic Coordinator Mr. Khandekar Sir
- Commencement of Parent Meeting with speech of Principal Prof. Gavade P.P. Sir.
- Parent representative -Mr. Mahendra Pangare shared his valuable opinions about the institute and department.
- Vote of thanks to the parents.
- Conclusion of meeting at 12:00 pm followed by refreshment to parents.
- HOD & staff members discussed with parents about students' attendance, Exam Marks, Academic Progress, Training placement in college.
- Distribution & Analysis of feedback form at Electrical (Polytechnic) Department.

Faculty of Polytechnic

MARATHI BHASHA DIN

FACULTY OF POLYTECHNIC

Marathi Bhasha Din is celebrated on 27th February every year to honor the contribution of the renowned Marathi linguist, poet, and scholar, Vishnu Wagh, who was a great advocate for the promotion of the Marathi language. The day serves as a reminder of the importance of preserving and promoting the Marathi language in our daily lives, education, and culture.

On February 27, 2025, Yashoda Technical Campus (Polytechnic) hosted a vibrant celebration to mark this special occasion. The event aimed to raise awareness about the significance of Marathi in the educational and cultural context, while also fostering a sense of pride among students and staff about the language. The celebration began with the lighting of the lamp by the Principal, followed by a few words about the importance of Marathi Bhasha Din. The principal emphasized the need for preserving regional languages, particularly Marathi, in the face of globalization.

Various activities were organized throughout the day, including:

1. Literary programs:

2. Students presented a poem on "Aai", Marathi Majhi bhasha". They presented an essay on " Marathi bhashecha Gaurav ", the beloved king "Chatrapati shivaji maharaj" & " Mulya shikshanachi garaj". The event was well-received by students who actively participated.

3. Cultural events::

Students & Teachers presented Muktchand Poetry "Nadi milataa sagara", "He Chandra Surya Tare", "Abhiman pinjara Todnyacha". They presented a one-act play "Mulinche Ayushya (Acid Attack).This program encouraged creativity while also emphasizing the significance of the Marathi language.

PARENT MEET

DIPLOMA IN MECHANICAL ENGINEERING

Department of Mechanical Engineering (Polytechnic) arranged a Parent meeting in the Department on 14th Feb 2025 for the all students of department.

Parents interaction is arranged twice in the semester to know the various points of the students' academic & other activities for their development. Discussion points are Monthly attendance, Examination results, other activities.

For this activity the chief Guest was Prof. Pravin Gavade, Principal, Faculty of Polytechnic, YTC Satara have shared their valuable thoughts. Parents & students also shares their suggestions' & thoughts.

Academic Coordinator Prof. R.S. Khandekar, Prof. R.H. Basugade Head of department, all the faculties & students of Mechanical Department was present for this activity.

"NIRMITI" MICRO PROJECT EXHIBITION

DIPLOMA IN MECHANICAL ENGINEERING

Department of Mechanical Engineering (Polytechnic) organize by "NIRMITI" Microproject Exhibition on 24th Feb 2025. The Microproject Exhibition was held to showcase innovative projects developed by students/participants. The event aimed to encourage creativity, problem-solving, and collaboration among participants. All departments were participating this exhibition.

Objectives:

- To provide a platform for students/participants to present their microprojects.
- To encourage innovation and technical skills development.
- To foster teamwork and collaboration.
- To receive constructive feedback from judges and visitors.

The Microproject Exhibition was a successful event that provided a valuable learning experience for all participants. Future exhibitions can be improved by increasing participation, securing additional funding, and incorporating more interactive sessions.

INDUSTRIAL VISIT REPORT AT BRIX BIOPHARMA, KARAD

FACULTY OF PHARMACY

As a part of the curriculum, it is necessary to provide students with practical industry exposure. To fulfill this, an industrial visit was organized to Brix Biopharma, Karad, by the Training and Placement Cell on 22nd Feb. 2025. This visit was arranged for the first-year diploma pharmacy students at YSPM's, YTC, Faculty of Pharmacy.

The visit began at 10:00 a.m., with 45 first-year diploma pharmacy students and 2 faculty members gathering at the college. The group travelled by bus and reached Karad by 11:30 a.m. Upon arrival, we were warmly welcomed by the Production Head, Mr. Sangram Gaikwad, who provided a brief introduction to the company.

The students were divided into two groups. Each group was led by an industry professional: Mr. Dhairyashil Patil, Senior Officer at the Packaging Department, and Mr. Nishikant Patil, Head of the Quality Control Department. The students visited various departments, including Raw Material Storage, Quality Control, Quality Assurance, Production, and the Formulation and Development Department. The students were keen to explore each department and actively asked questions to better understand the operations within each area.

After the tour, lunch was arranged at a nearby location in Karad. The group returned to the college by 4:30 p.m., bringing the visit to a close. The students shared positive feedback, expressing their satisfaction with the visit. They noted that the experience enriched their understanding of the industry and would be beneficial in linking their academic curriculum to real-world applications.

This field visit was successfully conducted under the valuable guidance of President Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare, Principal Dr. V.K. Redasani, and HOD Prof. A.T. Thorat and supported by Prof. A.B. Velhal and co-operated by Mrs. P.A. Kadam.

PARENT – TEACHER MEETING

FACULTY OF D PHARMACY

Yashoda Technical Campus, Faculty of D. Pharmacy organized Parents Teachers Meeting for F.Y. D. Pharm students on 14/02/2025 at 11.00am in green seminar hall. The parents were intimated through the student official groups as well as through Personal phone calls by respective teachers and mentors.

The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. There was a discussion on student's performance in individual subjects, students discipline in classrooms and their attendance.

All parents participated in the meeting. First of all our Principal Dr. V. K. Redasani interacted with parents about students, their achievements, departmental achievements and assure them that what they were selected for their students is the best.

Head of the Department Prof. A. T. Thorat interacted with the students and their parents. He talked on the responsibilities and duties of both the students and the parents in upbringing the students as responsible citizens of the country. He also highlighted the weak point of the students who are not regular for lectures. He urged the parents to check their daily notes given by the teachers.

Head of the Department of D. Pharmacy & all faculty members discussed in detail about the academic calendar, sessional examinations, summer exams and their last working day. They also told that if parents and students had any difficulty, they can contact the faculty and the Department anytime. After that few parents amongst present their review about the institute, academics, and other activities taken in the institute and also about the faculty members and department. All are happy about the institute. First sessional marks in all the subjects were discussed with the parents.

The Meeting came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parents and teachers. The whole event is coordinated by Ms. A.R. Sonmale.

FIELD VISIT AT PRIMARY HEALTH CARE CENTRE, NAGTHANE

FACULTY OF D PHARMACY

Nagthane, Maharashtra, India

A Primary Health Care Centre is a healthcare facility that serves as the first point of contact for individuals seeking medical care. It provides essential and comprehensive health services, including preventive, diagnostic, and therapeutic care, with a focus on promoting community health and wellbeing. YSPM, YTC'S, Department of Diploma in Pharmacy organized a field visit as a part of curriculum in Social Pharmacy subject to a Primary Health Center located at Nagthane, Satara on 22nd February 2025 for the F.Y.D.Pharm students. Total 45 students were visited the PHC under the guidance of faculty Mrs. P.A.Kadam and Mr. A.S.Bhongale.

The visit aimed to provide students with practical exposure to primary healthcare practices and the role of pharmacists in community health. Medical Officer Dr. Mahesh Jagade delivers a welcome speech & briefly introduced about the services provided by the PHC e.g. OPD, IPD, Vaccination, Physical Setup, staffing pattern etc. to students. He said that the overall 55 thousand population was covered by this PHC. After this he shows us various departments like vaccination room, TB section, general ward, neonatal room, pharmacy section etc. Also, he informed us regarding various records & registers that are maintained at PHC. The visit also emphasized the importance of patient counseling and medication adherence. Students learned about the process of medication dispensing, labeling, and patient education. They were introduced to the principles of rational drug use and the role of pharmacists in promoting safe and effective medication practices. This exposure enhanced their understanding of the pharmacist's role in optimizing patient outcomes and ensuring medication safety. MO also explained to us different Yojanas that are being offered at PHC like Chiranjeevi Yojana, Janani Suraksha Yojana, PM-JAY. The overall experience of the PHC was very fruitful & informative. The staff of PHC were very cooperative & they were very keen to give us all information that we needed.

This field visit was successfully completed under the guidance of President Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare, Principal Dr. V.K. Redasani and HOD Prof. A.T.Thorat.

FIELD VISIT AT SAHAS SPECIAL SCHOOL, ATIT

FACULTY OF D PHARMACY

YSPM's, YTC, Department of Diploma in Pharmacy organized a field visit as a part of curriculum in Social Pharmacy subject to "Sahas" Residential school for mentally retarded child's who need special attention & care, which was located at Atit, Satara on 22nd February 2025. Around 45 first year students joined the visit under the guidance of faculty Mrs. P.A.Kadam and Mr. A.S.Bhongale. "Sahas" Residential school had given an opportunity to visit and observe the special school children conditions. The school has 25 childrens with various mental challenges especially Autism,

Intelligence disability, Mental retardation, Down Syndrome, Cerebral Palsy, Dyslexia and Learning disabilities. Firstly, we were surprised by a warm welcome done by this beautiful child's by giving us handmade rose flowers. Mrs. Rajani Kamble Mam introduced us about the owner & director of this school Mr. Kamble sir & also explained us how they look after to this child's by showering love and care. During our discussion with the teachers and other workers, we observed that the teaches are very dedicated to this service and are able to control even the children with rebellious nature.

Interacting with these remarkable children, we witnessed their incredible determination, creativity, and unwavering spirit. Our college students and staff members gave a small contribution to help them in the form of cash. All the young minds present there, exhibited such amazing talents and reflected hope and love in their eyes. It was truly a pleasure to share a few moments with all of them! Overall, it was a heart touching experience to meet these little ones as it filled with lots of emotions and leave a back mind impact about our social responsibilities.

This field visit was successfully completed under the guidance of President Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare, Principal Dr. V.K. Redasani and HOD Prof. A.T.Thorat.

ANNUAL DAYS CELEBRATION

FACULTY OF PHARMACY

A college is marked by its great events that include its Annual Day's Celebration. Every year, annual day's celebration of YSPM has reached to its highest level of success and thus, aiming a step higher, this year third year student council members 'Thrivers' arranged Yashostav 2k25.

Yashostav 2k22 is festival of the college that includes various events where in students are given chance to think, step forward and show their talent. This festival has its own color and is very unique in their own way. These includes Sareeday, chocolate day, Tie day, Group day, mismatch day, Bollywood day, Fish Pond, Fun Fair, traditional day .To inculcate teamwork in students, Yashostav2k22 are organized from 24/02/2025 to 28/02/2025.

The first day 24/02/2025

Afternoon session was fully loaded with lots of events like Saree day, chocolate day, Tie day Students were participated enthusiastically in all events.

On Second Day 27/02/2025 of Yashostav2k 25 Fun Fair was arranged at morning session. Near about 8 Teams from D. Pharm., B. Pharm, M. Pharm were participated in Fun Fair. The delicious food items are arranged by students like bhel, biscuit shots, cheesy corn, badam shake etc. Judges from the staff evaluated all the food stalls. On Third Day 28/02/2025 at afternoon session traditional Day celebrated at ground floor corridor. All Students and staff members came with traditional attire. S.Y.A B. Pharm students presented 'Dindi' theme. Team of S.Y. B. B. Pharm students presented 'Onam' theme. Students from T. Y. B. Pharm presented 'Maharastrian Samaj'. Pharm D. students gave their performance on "Indian dance form" All the performances of the traditional day are evaluated by Judges.

VIBRANT CULTURAL DAYS

YSPM's Yashoda College of Architecture celebrated Cultural Days on February 24th, 25th, 27th, and 28th, 2025, within the college premises. This lively cultural week, organized alongside regular academics, featured engaging theme-based days, including Villain Day, Retro Day, Commercials Day, and Traditional Day. Students and faculty enthusiastically participated, making the event a grand success. The festivities began with Villain Day on February 24th, where students transformed into iconic antagonists through striking costumes, makeup, and dramatic performances. The next day, Retro Day brought back the charm of past decades as students and faculty embraced vintage fashion, complemented by classic music, dance performances, and a nostalgic fashion show.

After a brief break, the celebration resumed on February 27th with Commercials Day, where students showcased their creativity by enacting humorous and innovative advertisements. Finally, on February 28th, Traditional Day honored India's rich cultural heritage, with students donning traditional attire and participating in folk performances, classical dance, and music. Professors actively guided and encouraged students throughout the events, fostering a spirit of camaraderie and cultural appreciation. The Cultural Days provided a dynamic platform for students to express their talents, creativity, and enthusiasm, making the celebration an unforgettable experience for all.
