## TREE PLANTATION ACTIVITY

MBA

### Tree Plantation Activity at Yashoda Technical Campus, Satara

Wednesday, July 19, 2023

Voluntarily tree plantation activity was carried out at Yashoda Technical Campus, Satara in association with the Inner-Wheel club of Satara. The objectives were taken in to consideration regarding tree plantation like to reduce temperature and increase humidity, to beautify the areas of scenic beauty, to reduce noise pollution to the neighboring household population.

In the beautiful campus of Yashoda trees were not only planted but also cultivated for the several reasons trees act as natural filters, absorbing harmful gases and releasing oxygen. By planting trees in schools, colleges we create cleaner and healthier air for students and staffs, reducing respiratory problems and create more conducive learning environments. Yashoda Technical Campus taught life skills through tree planting and gardening, Students learned responsibility by caring the plants, learned how to communicate and compromise each other, gained leadership skills and develop self-confidence. Trees help to maintain and improve the quality of water, soil and to remove pollutants from air. Trees also provide shade and help lower temperatures during hot weather. Trees also provide shade and help lower temperature during hot weather. Trees enrich people's lives and beautify landscapes. Hon.President Prof. Dashrath Sagare sir enlightened all the staff and students through his speech that trees were essential part of our eco system as they provide us food shelter and medicines.

Inervil club dignitaries concluded the event of tree plantation by conveying the benefits of Tree plantation. The activity of MoU sharing with the Inner-wheel club of Satara with the Yashoda Shikshan Prasarak Mandal's Yashoda Technical Campus, Satara were also took place on the same day.
