Pharmacy Ms. Shinde Kiran has Secured First rank in college with 79.50% marks. Ms. Dundale Pratiksha secured second rank 77.90% and Ms. Phadtare Artee got third rank with 76.60% marks respectively. For this great

achievement Honorable Founder President Prof. Dasharath Sagare, Vice President Prof. Ajinkya Sagare, Principal Dr. V. K. Redasani, HOD Prof. A. T. Thorat & teaching staff Ms. Patil S.D., Ms. Bagwan N.M., Ms. Sonmale A. R., Mr. Bhongale A. ,Mrs. Kadam P. A. and Mrs. Pawar S.M. congratulated the students for their great achievement & extended best wishes for future.

## BEST PROJECT AWARD FOR FINAL YEAR B.PHARM STUDENTS

FACULTY OF PHARMACY

Project work is a course of Sem VIII B.Pharm which is included in syllabus to train the students and develop their Problem solving, critical thinking and innovation abilities. Practice school & project work are collaborated activities which will help to increase curiosity of students to learn new things. This will

improve teamwork abilities, attitude and disciplined nature of student. From total 18 Domains given by DBATU, Lonere, College selects total 10 Domains for practice school & project work. Student can work on any one domain depending on their area of interest. Students select domain in semester VII. In Practice school students clear all the basic theoretical & practical concepts of Pharmacy. In semester VIII, under project work each student apply the knowledge of practice school & work innovatively for research work. In the selection process for Best project award, each mentor nominate one of student name from the students guided by him for Best project award 23-24. The criteria for nomination was Regular attendance for project work, Selection and Novelty of research work, Socio-economical application of project, Presentation/Publication of the said work, Performance in the final viva-voce in examination, Completion of project in stipulated time. The nominated students projects was evaluated by HOD's of respective departments and final four projects were selected for next evaluation

At last the selected four projects were evaluated by Principal Dr. V.K. Redasani and the Best project award was given to Ms. Shravani. A. Adalinge for his project 'lending Tradition with Technology: Emulgel Preparation for Melasma Management.' Principal Dr. V.K.Redasani congratulates Winner & mentor Ms. N.D.Naikawadi for their efforts & work.

Ms. R.P.Devale was coordinator for project work activities. Founder President Prof. Dashrath Sagare, Vice-President Prof. Ajinkya Sagare and Principal Dr. V .K. Redasani have provided all necessary facilities & motivation for the project work course.

## FO.Y. CASE STUDY VISIT

### FACULTY OF ARCHITECTURE

The site visits to Krushi Vigyan Kendra, Baramati, was scheduled for fourth year students on 16th July 2024, to provide with valuable insights into the design and operations of an Agricultural Research and Training Center. To observe and understand the architectural design, layout, and spatial organization of Krushi Vigyan Kendra (KVK) at Baramati.

The visit provided students with practical insights and a comprehensive understanding of the

functioning, design, and operations of an Agricultural Research and Training Center. The visit concluded with a Q&A session, offering practical knowledge and inspiration for incorporating innovative solutions into their own design projects.

The subject and faculty coordinators for the case study visit are Ar. Rakhi Begampure and Ar. Priyanka Patil.

## SITE VISIT

### FACULTY OF ARCHITECTURE

The site visit was scheduled for T.Y B. Arch students under the subject Building Construction and materials –V was arranged at Mangalwar Tale, NeNe Wada, Satara on 18th July 2024 with the aim to study and identify the reinforcement of the R.C.C. Staircase on the site. The purpose of the visit was to provide students with practical experience and insight into the details of R.C.C. and the reinforcement techniques used in staircase construction.

The students get the clear idea of reinforcement details and bar sizes, materials and working on site, after the visit. So site visit plays an important role.

The subject and faculty coordinator for the site visit was Prof. Rakhi Begampure

## CASE STUDY VISIT AT NARENDRA MODI STADIUM, AHMEDABAD

FACULTY OF ARCHITECTURE

### STUDENTS, FACULTIES AND MR. BIRBAL, (SECRETARY) AT NARENDRA MODI STADIUM

Yashoda college of architecture's final year students along with faculties visited Narendra Modi Stadium on 20th July 2024 at 9:00 AM. Narendra Modi Stadium located in Ahmedabad, Gujarat, stands as a monumental achievement in modern sports architecture and engineering. As the world's largest cricket stadium by capacity. Originally known as the Sardar Vallabhbhai Patel Stadium, this iconic structure underwent a comprehensive redevelopment and was renamed in honour of India's Prime Minister Narendra Modi, reflecting its significance in contemporary sports and national pride.

Visit to the Narendra Modi Stadium began promptly at 9:00 AM. Students and faculties mate Mr. Birbal, the Secretary of the stadium, who provided them a comprehensive overview of the facility. He elaborated on various aspects of the stadium, including its impressive capacity, operational mechanisms, and overall functionality.

The visit covered stadium's accessibility features, highlighting how it is designed to accommodate individuals with different needs. Students gained valuable insights into the stadium's operational flow and its role in hosting large-scale events, enhancing their understanding of both architectural and functional aspects of modern sports venues.

The visit to Narendra Modi stadium, Ahmedabad, Gujarat. was highly informative and beneficial for the final-year architecture students. They gained a deeper understanding of the design and functional requirements of stadium.
