PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

Prof. Dasharath Sagare
Founder President
YSPM - YSS, Satara

EDITOR'S DESK

I am pleased to release (55 volume) of YSPM & YSS newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

Kind Regards:
Mr. Somnath N. Kumbhar

GREEN IT RECYCLING CENTER PLACEMENT DRIVE

FACULTY OF MCA

Interview Rounds

First Round: Technical and Personal Interview

The first round combined both technical and personal interviews. During this phase, the interviewers focused on assessing the candidates' technical knowledge relevant to the position of Hardware Engineer, as well as their interpersonal skills and overall suitability for the role.

- Participants: 4 students applied for the Hardware Engineer role.
- Outcome: After rigorous evaluation, 2 students were shortlisted for the second round.

Second Round: Technical and Practical Assessment

The second round was more hands-on and practical. Candidates were tasked with re-assembling circuits and CPUs, testing their practical knowledge and problem-solving skills in real-time scenarios.

- Participants: 2 shortlisted students.
- Outcome: Mr. Atharva Kharat demonstrated exceptional technical prowess and practical skills, leading to his selection for the Hardware Engineer position.

The placement drive was a successful initiative by the Training and Placement Cell, providing students with valuable exposure to industry standards and recruitment processes. Congratulations to Mr. Atharva Kharat from MCA for securing the role of Hardware Engineer. We are confident that he will excel in his new position and bring pride to Yashoda Technical Campus.

The Training and Placement Cell of Yashoda Technical Campus organized a placement drive for students of MCA and CSE Engineering. The drive was aimed at filling roles for Sales Manager and Hardware Engineer, with our students specifically applying for the Hardware Engineer position. The event commenced with a pre-placement talk, where students were provided with comprehensive information about the company, including its vision, mission, and work culture. Detailed descriptions of the roles and responsibilities associated with the available positions were also discussed.

EXPERT LECTURE ON STRUCTURAL AUDIT REPORT

FACULTY OF CIVIL ENGINEERING

Department of Civil Engineering has organized an expert lecture on the topic "Structural Audit Report" under subject of Structural Audit on Tuesday, 21/05/2024 at 12.40 pm to 2.40 pm for TY B. Tech Civil Students. The lecture was delivered by Mr. Shailesh Pharande, a renowned

expert in the field of Structural Engineering with extensive experience in both academic and industry. The lecture aimed to provide fundamental knowledge essential for civil engineering for structural audit of any structure. The lecture equipped students with essential knowledge about laws, IS Codal Provision, Authorities to conduct Structural Audit Report.. The activity was coordinated by Prof. Shah A S.

We are also thankful to CESA coordinator Mrs. V. P. Pawar, IGS coordinator Mr. A. N. Shaikh, Head of Department Prof. C. B. Patil and Principal Dr. P. R. Badadapure for giving permission for arranging such expert lecture.

VISIT TO WATER TREATMENT PLANT KRISHNA NAGAR SATARA

FACULTY OF CIVIL ENGINEERING

The Civil Engineering Department organized a visit to Water treatment project at Maharashtra Jeevan Prabhakaran Krishna Nagar, Satara for SY B Tech Civil students on Monday, May 20 2024, under the subject Environmental Engineering. The focus of the visit was to understand actual orking of different units of water supply scheme.

The primary objective of this visit was to corelate theoretical knowledge and its practical application. Students were able to interact with industry experts, ask questions, and engage in meaningful discussions to deepen their understanding of Environmental engineering concepts.

w All SY B. Tech. Civil students were encouraged to participate in this visit to make the most of this unique learning opportunity.

We are very thankful to the team Maharashtra Jeewan Pradhikaran Krishna Nagar Satara. We are also thankful to Head of Department Prof. C. B. Patil and Principal Dr. P. R. Badadapure for giving permission for arranging such a visit.
