CAREER GUIDANCE SESSION FOR STUDENTS

FACULTY OF PHARMACY

The career guidance session for students, organized by the YSPM's YTC Faculty of Pharmacy, Satara was held to provide insightful advice to students aspiring to build a successful career in the field of Pharmaceutical Sciences, Technology, and allied areas. The session was led by two eminent personalities in the field:

1. Dr. Prashant S. Kharkar, Professor, DPST, ICT Mumbai
2. Dr. Hemant Joglekar, Retired Service manager, Asian Paint, Mumbai

The session aimed to guide students on various career options, skills development, and opportunities in the rapidly evolving pharmaceutical and chemical industries. Both speakers shared their rich experience and perspectives, encouraging students to take informed decisions about their careers.

Dr. Prashant S. Kharkar initiated the session by highlighting the growing significance of pharmaceutical sciences in the global health and wellness sector. Dr. Kharkar stressed the importance of acquiring both technical and soft skills. However, he also underscored the significance of soft skills such as communication, teamwork, problem-solving, and adaptability.

He advised students to participate in internships, workshops, and conferences to gain hands-on experience and build their professional network.

Dr. Hemant Joglekar, drawing from his vast experience as a Retired Service manager, Asian Paint, Mumbai, broadened the scope of career opportunities by mentioning that students could also consider positions in governmental agencies, non-governmental organizations (NGOs), healthcare institutions, and in the business side of the pharmaceutical industry, including regulatory and policy-related roles. He highlighted the opportunities in regulatory bodies such as the FDA (Food and Drug Administration) and EMA (European Medicines Agency), where professionals play an integral role in ensuring drug safety and efficacy.

The event concluded with a Q&A session where students interacted with the speakers and received personalized guidance, which further solidified the practical aspects of the advice provided.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, the activity coordinated by Ms. Aneri V. Adsul and Dr. Sachin H. Rohane with valuable guidance of HOD Dr. Avinash M. Bhagwat and honorable Principle Dr. V. K. Redasani.
