### **PRESIDENT'S DESK**

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to import value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

**Prof. Dasharath Sagare**  
**Founder President**

## CELEBRATIONS OF 15TH FOUNDATION DAY OF YASHODA INSTITUTES, SATARA

YSS-YSPM

Yashoda Institute's work of imparting knowledge till date is very impressive, Yashoda Institute's journey of culture and education is admirable and inspiring. Famous screenwriter Pratap Gangawane expressed his desire to convert Yashoda Institute into a university soon. He was speaking as the chief guest at the 15th anniversary function of Yashoda Institute. Presided over by the Founder President of Yashoda Education Institute Prof. It was Dasharatha Sagare. Advocate Sambhajirao Mohite, Principal Anil Bodhe were chiefly present.

Speaking on the occasion, Pratap Gangawane said that in the form of Yashoda Education Institute, poor students of Satara and surrounding areas have received quality technical education and professional education. Rishitulya Prof. who takes everyone along. Dashrath Sagare has brought about this kind of educational revolution by going through extreme struggles. Apart from sports, the students of various disciplines here are leading in studies. And he also said that students and teachers should also nurture and enrich the culture of reading in order to create Sanskar Me generation. Speed is very important in life and he also advised to use time wisely without succumbing to any form of temptation.

On this occasion, Prof. Dashrath Sagare while briefly reviewing the anniversaries of the institute said that we have always invited many eminent literary figures, writers and eminent personalities in the field of education so that the teachers and students can get deep thoughts. Prizes were distributed to meritorious professors of the reporting year, meritorious teachers, students who have excelled in sports, and teachers-non-teaching staff Spurti 2023 competitions organized on the anniversary of Yashoda Institute. Professors who have done research work at the national and international level during the reporting year were also honored with special prizes.

## CELEBRATIONS OF 15TH FOUNDATION DAY OF YASHODA INSTITUTES, SATARA

YSS-YSPM

On this occasion, the professors who received grants for research from various schemes of the university were also felicitated. Teachers from the Yashoda family who have completed the work of publishing books were also honored with badges of honor. The program started with the lighting of the lamp, after Saraswati Pujan by the dignitaries present, the students of Sadhana English Medium School and Yashoda Public School sang the welcome song. On this occasion, the students welcomed the chief guests with a lot of enthusiasm with the help of Dhol Tasha, a traditional instrument. The reading of the annual report of Yashoda Education Institute by Principal Mrs. Dhumale while Principal PR Baddapure read the annual report of Yashoda Shikshan Prasarak Mandal. The introduction was done by Principal VK Redasani while the vote of thanks was expressed by former Principal Sanjay Kadam. It was moderated by Mrs. Vaishali Ghorpade and Mrs. Priya Ingwale.

On this occasion, Secretary Sadhana Sagare, Vice President Ajinkya Sagare, Shashikant Parekh, Executive Director Namrata Sagare, Akash Bhilare, Swarali Bhilare, Sanjay More, Atul Mali, Sanjay Kadam, Sanjay Shelar, Pintu Nayakwadi, Rajesh Vanjari, Dayanand Gade, Bhau Padgham etc. were present.

## YASHODA INSTITUTE'S WORK IN TECHNICAL EDUCATION IS AMAZING: STATE PRESIDENT BAWANKULE

Maharashtra State President of Bharatiya Janata Party Chandrasekhar Bawankule paid a goodwill visit to Yashoda Institute Satara. Founder President of Yashoda Institute Prof. Dashrath Sagare, and Vice-Chancellor Prof. He was felicitated by Ajinkya Sagare. When the state president Chandrasekhar Bawankule was on a visit to Satara, he had this goodwill meeting with him. Rich Chhatrapati Shivendraji Bhosale, Jayakumar Gore, Muralidhar Mohol, Darishsheel Kadam, Vikram Pavaskar and Vitthal Balshethwar along with various Bharatiya Janata Party functionaries were present. Meanwhile, Bawankule expressed his satisfaction about Yashoda Institute's historical achievements in education.

On this occasion, he also visited the exhibition place of innovation and research work of students and teachers. At this time, he expressed the opinion that the educational institutions should be keen to give scope to the talents of the students and to make room for researchers who are part of them.

More than 15 research works have received patents from the Government of India during the current academic years at Yashoda Institute. Incubation in the institute will serve to strengthen the research work of the students and faculty. On this occasion, patent awarded student teachers, head of department, registrar, principal, director, Asso. director etc. were present.

## CELEBRATIONS OF MAHATMA GANDHI JAYANTI AND LAL BAHADUR SHASTRI JAYANTI

"Harmony and Reflection: Gandhi Jayanti Celebrations at Yashoda Technical Campus, Satara. In a spirit of unity and reflection, Yashoda Technical Campus commemorated Gandhi Jayanti with a series of thoughtful events. From insightful discussions on Mahatma Gandhi's principles to engaging activities promoting peace and tolerance, the campus was alive with the essence of the Father of the Nation. Students and faculty alike came together to honor his legacy, fostering a sense of community and shared values. "Remembering the Silent Crusader: Shastri Jayanti Commemoration at Yashoda Technical Campus, Satara. paid tribute to the unassuming hero of India, Lal Bahadur Shastri, on the occasion of Shastri Jayanti. The campus resonated with the ideals of simplicity and dedication as students and faculty participated in various events. The day served as a poignant reminder of Shastri's enduring legacy and the principles he stood for.

## ANNIVERSARY BLOOD DONATION CAMP HELD AT YASHODA INSTITUTE, SATARA

On the occasion of the fifteenth anniversary of Yashoda Institute, a massive blood donation camp was organized at Yashoda Technical Campus. This blood donation camp was organized with the view of preserving the necessary feeling of awareness towards the society among the students and teachers. Yashoda Institute Vice President Prof. The blood donation camp was inaugurated by Ajinkya Sagare. Speaking at the inauguration, he appealed to more teachers to donate blood to students. And explained the importance of blood donation. HDFC Bank and Balaji Blood Bank took initiative for this blood donation camp. Keeping in view the increasing demand of blood in hospitals, these types of blood donation camps are frequently organized at Yashoda Institute. The students of Pharmacy Engineering, Polytechnic, MBA, MCA, Architecture before Department of Yashoda Technical Campus were present in large numbers and also donated blood enthusiastically.

## SPHURTI 2023

### TOURNAMENTS FOR THE STAFF OF YASHODA INSTITUTES

On the ground of 15th Foundation Day Yashoda Institutes had organized Two Days tournaments for the Teaching and Non-teaching staff, Cricket, Volley Ball, Throw Ball, Table Tennis and Badminton were the sports event included into it. Sphurti 2023 Tournaments for teachers provide a unique platform for professional growth and camaraderie. Engaging in such competitions fosters a sense of healthy competition, promoting continuous learning and skill enhancement. It allows educators to showcase their expertise, exchange innovative teaching methods, and build a supportive network within the academic community. Tournaments also serve as a motivational tool, encouraging teachers to stay abreast of educational advancements and ultimately benefiting the overall quality of education. Engaging in sports is a powerful way to enhance efficiency. Regular physical activity boosts energy levels, improves concentration, and reduces stress, all of which contribute to increased productivity. Team sports, in particular, foster collaboration and communication skills, essential for a well-functioning work environment. Additionally, the discipline and time management required in sports often translate into more organized and efficient work habits. Overall, incorporating sports into one's routine can significantly contribute to both physical well-being and professional efficiency.

The tournaments Sphurti 2023 was inaugurated at the Hands of Hon. President Prof. Dasharath Sagare and Hon. Vice-President Ajinkya Sagare, Director, Principal, Associate Director, Registrar, HODs, Teaching and Non-Teaching staff were present on the occasion of the Inauguration event of Sphurti 2023.

## ACHIEVEMENT IN STATE LEVEL SLOGAN COMPETITION

FACULTY OF PHARMACY

Mr. Onkar Jadhav from final year B. Pharm awarded with third prize in state level slogan competition organized by Ashokrao Mane institute of Pharmaceutical science and research, Save on the occasion of World Pharmacist day. Founder president Hon. Dashrath Sagare and vice president Prof. Ajinkya Sagare, Director and Principal Dr. V. K. Redasani appreciated and congratulate his efforts.

## PATENT PUBLISHED BY FACULTY OF B. PHARMACY

FACULTY OF PHARMACY

Our staff of Yashoda Technical Campus, Faculty of Pharmacy, Dr. A.M. Bhagwat, Prof. R.P. Bhoite, Prof. S.M. Pardeshi, Prof. P.B. Kadam, Prof. P.R. Joshi have published patent namely "Design for synthesis of chiral pharmaceutical intermediates", "synthesis and characterization of tricyanobutadine derivative and evaluation of its antimicrobial activity" and "design patent to oven" respectively. For this great achievement our founder president hon. Dashrath Sagare and vice president Prof. Ajinkya Sagare appreciated and congratulate for their efforts.

## FACULTY ACHIEVEMENT

ELECTRONICS AND TELECOMMUNICATION ENGINEERING

Dr. Santosh S. Itraj (H.O.D. E&TC) scored 90% in NPTEL Exam held in Sep. 2023, in Subject of Discrete Time Signal Processing, is honored with Elite Gold certification and is a topper in India. Course was conducted by IIT Kharagpur.

## Faculty of Pharmacy

### SEMINAR ON TOPIC "GPAT PREPARATION-PHARMACOLOGY"

FACULTY OF PHARMACY

The Lecture was delivered by Mr. Utkarsh Patil, Junior Research Fellow, Banaras Hindu University, Lakhaao, Uttar Pradesh having GPAT-2021 qualification with AIR 288, NIPER AIR 801 and Alumni of this college. Seminar held on Saturday, 23th September 2023. Mr. Utkarsh Patil is motivated speaker and has command over Pharmacology and GPAT exam,

in introductory part she had elucidate importance of GPAT. Speaker told briefly about all subject and in between speaker told certain tips and tricks that how this subjects is to be studied and also told that how Questions will be asked on that particular topic and shared some trick to remember classification, MOA and ADR. Lastly the QnA session was held and madam cleared all the concepts and also told the tricks to crack the exam and importance of critical analysis while studying for the subject.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The activity coordinated by Dr. Sachin H. Rohane and Ms. Puja B. Kadam.

### SEMINAR ON TOPIC "EDUCATION AT ABROAD"

FACULTY OF PHARMACY

The Lecture was delivered by Ms. Netra Jadhav, having GPAT-2023 qualification with NTA Score 97.2008 and Alumni of this college. Seminar was held on Wednesday, 11th October 2023. Ms. Netra Jadhav is lively hood speaker and has command over GPAT exam. In introductory part she had elucidate importance of Dream. Speaker told briefly about her

journey for GPAT and NIPER qualification. She also emphasized over hard work and dedication towards dream. She also shared her experiences through which she had gone. She also elaborated the eligibility and entrance exam needed for education at abroad. Lastly the QnA session was held and madam cleared all the concepts and also told the tricks to crack the exam and importance of critical analysis while studying for the subject. On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The activity coordinated by Dr. Sachin H. Rohane and Ms. Puja B. Kadam.

## Faculty of Pharmacy

### SEMINAR ON TOPIC "GPAT PREPARATION-PHARMACEUTICS"

#### FACULTY OF PHARMACY

The Lecture was delivered by Ms. Sumitra Sutar, Asst. Professor, Arvind Gavali college of Pharmacy, Satara, having GPAT-2020 qualification with AIR 391 and Alumni of this college. Seminar was held on Friday, 6th October 2023. Ms. Sumitra Sutar is gracious speaker and has command over

Pharmaceutics and GPAT exam, in introductory part she had elucidate importance of GPAT. Madam told briefly about all subject and in between madam told certain tips and tricks that how this subjects is to be studied and also told that how Questions will be asked on that particular topic. Lastly the Question answer session was held and madam cleared all the concepts and also told the tricks to crack the exam and importance of critical analysis while studying for the subject.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The activity coordinated by Dr. Sachin H. Rohane and Ms. Puja B. Kadam.

### SEMINAR ON TOPIC "GPAT PREPARATION-PHARMACEUTICS"

#### FACULTY OF PHARMACY

A part of curriculum, it is necessary to provide information about industry and to fulfill that, an industrial visit was organized at SG Phytopharma, Kolhapur by Training and Placement cell on 14h Oct. 2023 at YSPM's, YTC, Faculty of Pharmacy. Students of first year Diploma in Pharmacy along with 2 teaching staff visited the industry.

Students have seen various machines like automated capsule machine, packing machine, manually operated capsule filling machine, syrup filling machine and automated tablet punching machine. Also they came to know about operation of these machines to work and how to maintain them periodically. Mr. Deepak Gune, Unit Head gave information about quality assurance and quality control department and how various parameters regarding raw material and products were evaluated.

## Faculty of Pharmacy

### GUEST LECTURE ON TOPIC " CAREER OPPORTUNITIES FOR PHARMACY STUDENTS IN PHARMA INDUSTRY "

FACULTY OF PHARMACY

YSPM's Yashoda Technical Campus, faculty of Pharmacy, Wadhe, Satara has organized Guest Lecture on Topic "Career Opportunities for Pharmacy Students in Pharma Industry" on 14th Oct.2023.As a part of the curriculum, It is required to arrange guest lecture for student to develop personality and for motivational purposes.

The Lecture was delivered by Dr. Ajit Ekal (Managing Director, Insta Vision Laboratory and Services, Satara) who is one of the most renowned person in the area of Satara. He has more than 22 years of experience in Quality control and Analytical Development of Pharmaceutical companies approved by USFDA, MHRA, ANVISA, TGA, WHOMCC, and PICs etc. The event was hosted by Dr. B. V. Chaware. Welcome speech was delivered by Prof. Dr. V. K. Redasani, Director, Yashoda Technical Campus, Satara, Dr. A. M. Bhagwat introduced Dr. Ajit Ekal to the audience

He discussed on "Opportunities" and "How to prepare ourselves for the industry requirement". He also discussed about some analytical techniques, skill, planning, quality Assurance etc. He emphasized the need to go beyond textbooks and imbibe the knowledge from all the spheres for the overall development of any analyst. He encouraged and motivated students to take up challenges and put efforts to achieve excellence in their life. He gave his best wishes to organize this kind of programme in near future. All students from Third year, Final year B. Pharm and M. Pharm were attended the program. There was very good interaction happened between the speaker and participants. Overall it was a fruitful experience. Dr. A. M. Bhagwat proposed a vote of thanks.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity was coordinated by Prof. Dr. B. V. Chaware and Prof. Mandrupkar, under the valuable and precious guidance of Principal Dr. V. K. Redasani.

## Faculty of Pharmacy

### GUEST LECTURE ON TOPIC PROSPECT OF GMP IN PHARMACEUTICAL INDUSTRY

FACULTY OF PHARMACY

As a part of the curriculum, It is required to arrange guest lecture for student to develop personality and for motivational purposes. YSPM's Yashoda Technical Campus, faculty of Pharmacy, Wadhe, and Satara has organized Guest Lecture on Topic "Prospect of GMP in Pharmaceutical Industry" on 04th Oct.2023.

The Lecture was delivered by Dr. Kuldeep Bhokare Director, Pharmaceutical Process, Romaco, China. He worked for 12.5 years at Abbott. Dr Bhokare has a doctorate in Pharmacy from Shivaji University along with a Master's degree in Business Administration from Annamalai University. The event was hosted by Prof. Mandrupkar. Welcome speech was delivered by Prof. Dr. V. K. Redasani, Director, Yashoda Technical Campus, Satara, Dr. Prakash Jadhav introduced Dr. Bhokare to the audience

Dr. Kuldeep Bhokare is a Director of the processing laboratory in Romaco, Changsha, China and also look after training of laboratory techniques. He discussed on "GMP" and "Role of a pharmacist in quality control". He also discussed about some strategies of time management, quality management, planning, quality Assurance etc. He also elaborated on the contribution and importance of a pharmacist. He emphasized the need to go beyond textbooks and imbibe the knowledge from all the spheres for the overall development of any pharmacist. He encouraged and motivated students to take up challenges and put efforts to achieve excellence in their life. All students from Third year, Final year B. Pharm and M. Pharm were attended the program. There was very good interaction happened between the speaker and participants. Overall it was a fruitful experience. Dr. B. V. Chaware proposed a vote of thanks.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity was coordinated by Prof. Dr. B. V. Chaware and Prof. Mandrupkar, under the valuable and precious guidance of Principal Dr. V. K. Redasani.

## Faculty of MBA

### ORIENTATION ON MICROSOFT ADVANCE EXCEL CERTIFICATION COURSE AND POWERBI

FACULTY OF MBA

Faculty of MBA organized One Day Advance Excel Certification Course Orientation Program for MBA students dated on 11th October 2023. Mr. Shubhajeet Poddar was the Resource person for this orientation program. The competitive era has underlined the importance of Global Certification Courses. The placement offering companies are asking for the certifications so that they will get the ready to work human power. The Excel is one of the widely used tools for the data analytics and business operations. Faculty of MBA is looking forward to offer the Industry Ready Global Certification Courses to the students. The orientation session was a detailed introduction of the course which includes. Meaning and Definition of Excel, Customizing common options in Excel, Absolute and relative cells, Protecting and un-protecting worksheets and cells, An overview of the screen, navigation and basic spreadsheet concepts, Protecting and unprotecting worksheets and cells, Increase interactivity by automating your spreadsheets with macros and VBA, Use advanced graphs in minutes instead of wasting hours trying to figure them out, Solve complex problems with superpower functions, Turn raw data into 'must make' decisions using PivotTables and Power Pivots. Students were keen to learn the contents and contexts of the course. Microsoft Excel is a powerful data-organizing platform that helps reduce clutter and maximize the data's value. It includes spreadsheets that combine columns and rows for data organization, calculation, manipulation, and calculation. Companies are looking to hire Excel-savvy employees as the rise of globalization, and ecommerce has generated vast amounts of data. So taking an Advanced Excel course opens many doors for students in various fields. Moreover, it allows them to learn from experts. Advanced excel provides excellent insight into the advanced features of Microsoft Excel. Advanced Excel training is very beneficial for candidates looking to begin a career as an MIS Analyst, Data Analyst, or Business Analyst in Microsoft Excel.

## Faculty of MBA

### STUDY VISIT TO KOTIBHASKAR MATERIAL HANDLING EQUIPMENTS

FACULTY OF MBA

Kotibhaskar Material Handling Equipments is a middle scale industry located at Additional M.I.D.C area Satara. Industry is having all state of the art facilities regarding design and production of material handling equipments. As a part of curriculum students visited and observed various manufacturing processes

regarding material handling equipments. Students obtained detailed knowledge of different levels of management, skills required by the managers to smooth running of the business. Students discussed with Hon. Kotibhaskar Sir how to plan and organize the resources. Students in depth discussed in detailed how to perform staffing process. Students studied the process of scientific training of workers prior to actual on the job placement. Students realized the principles of directing, also steps in control process. Also various techniques of controlling process. Students obtained a detailed knowledge of Plan-Do-Check-Act terminology. Also students obtained detailed knowledge of Business Process Reengineering. Students obtained detailed knowledge about division of work, importance of hierarchy, rules and regulations, interpersonal conduct, technical competence in democratic style of management. Theoretical and practical (various approaches) of management such as Need theory of Abraham Maslow, theory of Elton Mayo, working theory of Douglas McGregor was also studied during the practical industrial visit. Students also obtained the detailed knowledge about productivity and various factors affecting productivity. Students also obtained detailed knowledge of Safety precautions to be followed at shop floor of manufacturing industry. Students also studied time management techniques, economical study, standardization, maximum out put through optimum output. Students realized the importance of various motivational theories, importance of team work, importance of activity of workers participation in management. Students obtained detailed knowledge ethical practices performed by an entrepreneur to uplift the organization. Students also realized role of Indian Ethos in Managerial Practices. Students also realized about how ancient epics such as Mahabharata, Vedas, Bible, Quran, are implemented to solve the various day to day managerial activities. Students also obtained detailed knowledge about Indian Heritage in Business Management. During the industrial visit students realized various inventory management techniques. Students obtained in detailed information about Kaizen techniques implemented in the industry.

As the industry is a middle scale industry student in detailed learned about how to maintain the quality of the product in existing globalized environment.

## Faculty of MBA

### STUDY VISIT TO MAHARASHTRA SCOOTERS LIMITED, SATARA

#### FACULTY OF MBA

Maharashtra Scooters Limited is a large scale Limited company located at old M.I.D.C. area Satara, Company is a leading manufacturer of Bajaj scooters. Students along with two staff members visited an industry as a part of curriculum. Important objective of an industrial visit is to study the various manufacturing

processes existing in the large scale industry, Hon. Vaibhav Raut Sir (Manager Facilities) is really a cooperative employee. He was with our students during the induction tour. As a vast industrial experience he practically explained all the manufacturing processes happening in the industry. He explained to our students how to utilize and manage old plus modern technological machines. Students obtained detailed practical knowledge about all the manufacturing processes. Also, students realized about the concept of production management i.e. the value addition process towards the raw materials. Students also realized various objectives of production management. Such as how to control manufacturing cost, how to maintain product quality. How to adjust the manufacturing schedule? Also, how to dispatch the product in specified time span. So that it can reach to the customers in excellent manner. Students obtained detailed knowledge about how to analyze the performance of vendors. Hon. Raut sir explained about inward material inspection up to the final dispatch of the finished products. Students obtained detailed knowledge about product selection and design, process selection and planning, location facilities, layout and material handling facilities, capacity planning etc. Students obtained detailed knowledge about operations functions, operations management decisions, interface of operations management with other departments. Students also obtained in detail knowledge about plant layout and material handling. Students also obtained detailed knowledge about automation, flexible manufacturing system, lean manufacturing system. Students also explained by the management authority regarding Program Evaluation and Review Techniques/Critical Path Method. Students also, obtained detailed knowledge about supply chain and logistics management.

how to manage Large Scale Limited organization. Prof, (Dr.) S.A. Bhosale madam conveyed speech of thanks towards the employees (those are part of and those are the non-existing part of industrial visit). Prof.M.V. Landage concluded the visit towards sincere thanks towards all the employees of Maharashtra Scooters Limited.

## Faculty of Engineering

### TEACHER'S DAY

#### ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The Teacher's Day commence in the first week of 5 Sept 2023. Teacher's Day is that momentous event where students engage in unbridled capacity to show their love, adoration and respect to their teachers, the harbingers of knowledge light, in their lives. Department of Artificial Intelligence and Data Science Engineering, YTC Satara had organized program on Teacher's day on 5th September 2023. The chief guest was Prof. Ajinkya Sagare, Vice-president of YSPM's Yashoda Technical Campus, Satara, and Dr. P.R. Badadapure, Principal of Engineering, YTC who enthralled the students by introducing importance of the Teacher's Day. The day was started with Saraswati Pujan and by remembering Mr. Sarvepalli Radhakrishnan on 10.30am. After that Teacher's day function was started. Students felicitated to all teachers by giving the memorable gift & bouquet. Some students gave the speech on teacher day to show their love, adoration and respect to their teachers. Then teachers had delivered their experiences about teaching and teacher's day. At the end of function presentation extended the thanks to all teachers from students for building us. Then Some Students have played the role of teacher by conducting the Lectures.

### GANDHI JAYANTI

#### ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

Department of Artificial Intelligence and Data Science Engineering, YTC Satara has celebrated "Gandhi Jayanti" on 2 nd October 2023. Gandhi Jayanti is celebrated on 2nd October every year to commemorate the Birth Anniversary of the Father of the Nation Sri Mohandas Karamchand Gandhi. Remembering Mahatma on birth anniversary, worldwide celebrated as the "International Day of Nonviolence". The man who showed the world that nonviolence is an effective and lasting way of defeating injustice. He is a great inspiration of truly embodying the principles of tolerance and peace. In his words "You must be the change you wish to see in the world". On the Occasion of Gandhi Jayanti Artificial Intelligence and Data Science Engineering Department had done the Swach Bharat Mission at our Department. All the students and Faculty members were enthusiastically participated in the Swach Bharat Mission by cleaning the campus and surrounding area. Students, Staff Members and Management actively took part in the cleanliness drive and had done all the departments and Campus clean.

## Faculty of Engineering

### ENGINEER'S DAY

#### ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

The Engineers' Day celebration at Yashoda Technical Campus, Satara, was a testament to the spirit of innovation and technical excellence. This year, the event was organized by the dedicated students of the Artificial Intelligence and Data Science Department, under the able guidance of Prof.H.O.Tapase and the esteemed Chief Guest, Prof. P.S. Gade. The day commenced with the grand inauguration program of the Artificial Intelligence and Data Science Students Association, named "Artificial Intelligence Active Student Association (AIASA)." This momentous occasion marked the official launch of "AIASA", a platform for students to explore, learn, and innovate in the fields of artificial intelligence and data science. The program saw enthusiastic participation from students and faculty members who shared their vision for the association, emphasizing the importance of collaboration and knowledge sharing. After intense deliberation, the competition results were announced, and the top three winners were celebrated for their exceptional photographic talents. The winners' names are as follows:

Sr. No.	Student Name	Department	Rank
1	Suyash Rokhade	T.Y Electrical Engineering	1 <sup>st</sup>
2	Sangramsingh Shinde	T.Y Computer Science Engineering	2 <sup>nd</sup>
3	Shreya Jadhav	F.Y General Science Department	3 <sup>rd</sup>

## Faculty of Engineering

### E-WASTE COLLECTION ON OCCASION OF GANDHI JAYANTI

#### COMPUTER SCIENCE & ENGINEERING

Yashoda Technical Campus, Satara, Faculty of Engineering, Department of Computer Science and Engineering on occasion of Gandhi Jayanti had taken initiative to collect E-Waste from college students and staff in YSPM. Event was taken from 2/10/23 to 09/10/23. Students and staff

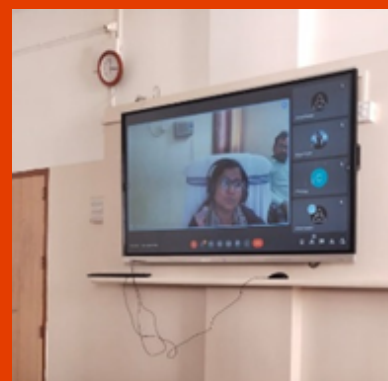

in YSPM. Event was taken from 2/10/23 to 09/10/23. Students and staff contributed to the activity. Many different E-waste given in notice got collected. Sagarmitra foundation, satara supported this event to collect and submit to E-Waste centre and help for social cause. Students of SY Suraj gadadare, Aniket menkudale and all staff members on initiation day attended and took care about readiness of event. This event was co-ordinated by SY, TY students.

### WEBINAR ON APPLICATION OF DESIGN THINKING

#### COMPUTER SCIENCE & ENGINEERING

Computer Science and Engineering department had organized webinar on "Application of Design Thinking" on 6th October, 2023 from 3:00 PM to 5.00 PM. The Webinar was organized for Final year students of Computer science & Engineering Department. It was focused on introductory knowledge of Design Thinking in the world.

Design thinking is an extension of innovation that allows you to design solutions for end users with a single problem statement in mind. This webinar helped project group students to elaborate their thinking to an extend of entrepreneurship. Design thinking workshops help design teams to create feasible and user-focused solutions to complex problems in design. This helps the team to design better products faster, reduce costs, and increase profits. Resource Person of Webinar: - Prof. Monika Singh and Prof. Rajesh Dey. Webinar was co-ordinated by Dr. Vivek Kumar.

## Faculty of Engineering

### DANDIYA PROGRAM ON OCCASION OF NAVARATRI CELEBRATION COMPUTER SCIENCE & ENGINEERING

Computer Science and Engineering department student association CISCO had arranged "Dandiya Celebration" on 23rd October 2023 at institute level. Prof. Dr. P. R. Badadapure Principal YTC, Satara was the Chief Guest for the "Dandiya Celebration" and guest of honor Dr. Tarang Shinde HOD Mechanical also present for the inauguration of the "Dandiya Celebration" Program. For the Dandiya Celebration all girls students from the all UG departments (CSE, Mech., ETC, Electrical, Civil) as well as Pharmacy, MBA, MCA students were participated. Dr. S. V. Balshetwar HOD CSE

Department in her speech, welcome all the guests, participants and also told the importance of Dandiya playing. Mr. K. P. Jagtap Asst. Professor CSE Department & CISCO Coordinator gave the vote of thanks.

### PARENTS MEET

#### COMPUTER SCIENCE & ENGINEERING

Computer Science and Engineering department has organized parents meet for the all the students of department on 28/10/23 from 10: 30 a.m. onwards. All the parents were welcomed to the meeting in the department. Head of the department Dr. S.V. Balshetwar gave a welcome speech sharing Vision, mission of the department along with academics and various activities conducted in the department. She explained importance of attendance and why it is mandatory for all students. She shared details of placement, patents, copyright, student and faculty achievements, research publication, GFM and results of the students. She further shared importance of placement and entrepreneurship. Mr. Bichukale and Mrs. Kadam were selected as parent's representative. All Class teachers gave the academic progress of students. Along with academic's parents were given suggestions regarding the improvement of student technical and aptitude skills. Prof. Nalawade Suraj for the meet gave the vote of thanks.

## Faculty of Engineering

### MY CAMPUS CLEAN CAMPUS

#### CIVIL ENGINEERING

However, a well maintained campus is vital for students as it offers the ideal learning environment to them. Department of Civil Engineering organizes an activity "My Campus Clean Campus" in association NSS and CESA club on occasion of birth anniversary of Mahatma Gandhi & "स्वच्छ भारत दिवस २०२३" on 2nd October 2023.

All faculty members also involved and contributed to clean all labs, classes & staff room. This activity is performed under the guidance of Principal of Engineering Dr.P.R.Badadapure, Head of Department Mr.C.B. Patil,NSS coordinator Mr.Borate P.G.

### SITE VISIT

#### CIVIL ENGINEERING

As a part syllabus requirement the B.Tech Civil Engineering final year students along with subject teacher Prof. Shah A S. (Asst. Prof, Civil Department YTC, Satara), visited to the RCC Site of Yashoda College of Pharmacy at Wadhe, Satara, on 12/10/2023, with respect to gain the knowledge of Concrete in construction, different RCC Element, RMC Usage on site, Formwork detailing, Steel Placing and Stub Column.

This visit was mainly focused on to understand the procedures involved during RCC construction of building, the technology and the equipment's used. Prof. Shah A S explained about the construction techniques, precautions during construction, Drawing and its specification and Placing of Steel with concrete cover blocks. He also explained about the maintenance of the equipment and ethics considered during construction.

## Faculty of Engineering

### GUEST LECTURE

#### CIVIL ENGINEERING

The Department of Civil Engineering at YTC, Satara organized a highly informative and engaging guest lecture on the subject of "Non-Destructive Testing " in association with ISTE students chapter and CESA club for the students of TY B.Tech. under the subject of Concrete Technology.

The lecture was held on 30th October 2023. As a Guest speaker Mr. Mukund Mr.Gaikwad (CEO, Constrotrait Material Testing & Services LPP) was available for session. Guest welcome done by Head of department Prof. Patil C.B. and Introduction of guest and Programme given by Prof. Shaikh A.N. The guest lecture on "Non-Destructive Testing" was a valuable addition to the academic and professional development of the civil engineering community. It provided an opportunity to learn from an expert in the field and gain insights into the critical role of non-destructive testing in ensuring the safety and durability of concrete structures.

### NATIONAL UNITY DAY CELEBRATION

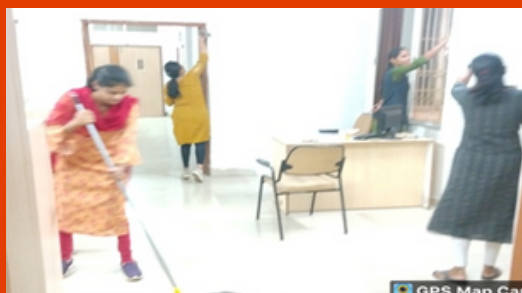

Department of Civil Engineering celebrating "National Unity Day" by taking Unity Pledge on the day of remembrance of great "Iron man of India" Late. Sardar Vallabhbhai Patel under NSS activity on Tuesday, 31/10/2023.

## ACTIVITY-MY DEPARTMENT CLEAN DEPARTMENT

### CIVIL ENGINEERING

Considering in mind the importance of cleanliness & on appeal of our visionary Founder President Prof. Dasharath Sagare Sir, Yashoda Technical Campus, Faculty of Civil Polytechnic organizes an activity "My Department Clean Department" "in association of CESA on occasion of birth anniversary of Mahatma

Gandhi & "स्वच्छ भारत दिवस २०२३" on 2nd October 2023. All faculties & students involved in this activity very enthusiastically. All involved persons give their valuable contribution to clean all labs, classes & staff room. This activity is performed under the guidance of Principal of Engineering Dr.P.R.Badadapure, I/C Principal of Polytechnic Mr. P.P. Gawade.

The activity ends with taking oath of cleanliness. Prof.P.S. Matkar shared his vote of thanks towards all participants of this activity.

## PARENT MEETING

### CIVIL ENGINEERING

Faculty of Civil Engineering polytechnic Department Organized Parent meeting on 6th October, Friday 2023. The parents of SY & TY are invited for the meeting. The first part of the meeting is held in the presence of Hon. Vice President Prof.Ajinkya Sir, Hon. Principal of Engineering Dr. P.R. Badadapure Sir, Hon. Principal of Polytechnic Mr.P.P. Gawade Sir, Hon. Registrar Mr. G.K. Survase Sir, Academic Coordinator Mr.R.S.Khandekar Sir & all HoDs of Polytechnic and staff. Academic coordinator gives information regarding Academic activities planning. Then parents gives their valuable feedback. Later it is followed by Principal sir speech & 1st part of program is ended with speech by Vice President Sir. After having breakfast & tea parents moved to respective departments.

## SITE VISIT-HIGHWAY ENGINEERING

### CIVIL ENGINEERING

Considering in mind the importance of cleanliness & on appeal of our visionary Founder President Prof. Dasharath Sagare Sir, Yashoda Technical Campus, Faculty of Civil Polytechnic organizes an activity "My Department Clean Department" "in association of CESA on occasion of birth anniversary of Mahatma

## SITE VISIT-"CONCRETE TECHNOLOGY

### CIVIL ENGINEERING

The Department of Civil Engineering (Polytechnic) organized Site Visit on "Concrete Technology-NDT Testing" in association with CESA on 14/10/2023. After signing MoU & expert lecture it is followed by extended site visit @ New Pharmacy Building, YTC Satara. Er. Mukund Gaikawad (CEO, CONSTROTRAIT Material Testing NABL Accredited Lab) who demonstrates to students the Ultra Sonic Pulse Velocity Test & teaches the students how to check the strength of the concrete. This highly informative and engaging session was aimed at empowering learning techniques with the knowledge and skills to navigate the practical world safely, as in today's interconnected society, understanding the importance of practical knowledge. This activity is arranged under MoU.

## MOU-CONSTROTRAIT MATERIAL TESTING LAB (NABL ACCREDITED) CIVIL ENGINEERING

A memorandum of understanding (MoU) is a type of agreement between two or more parties. It expresses a convergence of will between the parties, indicating an intended common line of action. CONSTROTRAIT is very first NABL accredited material testing lab in Western Maharashtra. Mr. Mukund Nandakumar Gaikwad (CEO) agrees to share his resources for better knowledge of students. He is also ready to arrange various field visits for students. Department of Civil Engineering signed MoU with this lab on 14/10/2023 for better future of the students. Prof.P.S.Matkar (HoD Civil) initiated this activity under the guidance of Prof. Dr.P.R.Badadapure (Principal, FOE) & Prof. P.P. Gavade (I/C Principal, FOP) with the help of all departmental colleagues.

## GUEST LECTURE ON WATER RESOURCE ENGINEERING CIVIL ENGINEERING

The Department of Civil Engineering (Polytechnic) organized an Expert Lecture on "Water Resource Engineering" in association with CESA on 14/10/2023. The Expert Lecture featured an expert speaker Er.Ganesh Kanase (Gr.2, WRD, Maharashtra) who shared his insights and expertise on various aspects of Dams, Canals & other important structures. This highly informative and engaging Lecture was aimed at empowering learning techniques with the knowledge and skills to navigate the practical world safely, as in today's interconnected society, understanding the importance of practical knowledge.

## FACULTY OF POLYTECHNIC

### SITE VISIT-DESIGN OF STEEL & RCC STRUCTURE

#### CIVIL ENGINEERING

The Department of Civil Engineering (Polytechnic) organized Site Visit on "Design of Steel & RCC Structure" at New Pharmacy Building Satara. Third year students learned about how to check steel? How to read RCC drawing & many more aspects of Design of Steel & RCC Structure. This activity is executed in association with CESA on 13/10/2023 & under the guidance of Dr. P. R. Badadapure, Principal, FOE & Mr. P. P. Gavade Sir, Principal, FOP with the help of Mr. P. S. Matkar, Head of Civil Polytechnic Department. Mrs. Pooja Khurape initiated this activity with the help of Ms. Smita Chavan. All faculties of Civil Polytechnic contributed to make this event successful.

### SITE VISIT-BUILDING, PLANNING & DRAWING

#### CIVIL ENGINEERING

The Department of Civil Engineering (Polytechnic) organized Site Visit on "Building Constructions" at New Pharmacy Building Satara. Third year students learned about how formwork is erected? How to read RCC drawing & many more aspects of Building Constructions. This activity is executed in association with CESA on 19/10/2023 & under the guidance of Dr. P. R. Badadapure, Principal, FOE & Mr. P. P. Gavade Sir, Principal, FOP with the help of Mr. P. S. Matkar, Head of Civil Polytechnic Department. Ms. Pranita Chavan initiated this activity with the help of Ms. Dnyaneshwari Vanjari. All faculties of Civil Polytechnic contributed to make this event successful.

## SITE VISIT-WATER RESOURCE ENGINEERING@ URMODI DAM CIVIL ENGINEERING

Industrial visit is a part of the college curriculum and holds a special place in the professional career of students. It is a standard process in engineering courses where students get insight into real-world problems. Students understand the internal working of an organization through an industrial visit. Keeping in mind that Faculty of Civil Polytechnic Organized Industrial Visit At Urmodi Dam On 20/10/2023 Under the guidance of Dr. Badadapure Sir (Principal Engineering & Polytechnic) Prof. Gavade Sir (Principal Polytechnic) Entire department contributed to make this visit successful. Prof.P.S. Matkar (HoD Civil) expresses special thanks to Water Resource Department Satara and Er. Ganesh Kanase Sir for their precious time and guidance to our students. Ms. Smita Chavan initiated this activity.

## E-INTEGRITY PLEDGE WITH NATIONAL STOCK EXCHANGE OF INDIA LIMITED CIVIL ENGINEERING

Corruption is one of the most serious issues in many countries. Corruption is considered a major disadvantage to development. Corruption is indeed a serious problem in many countries and can hinder social and economic development. Promoting integrity and anti-corruption values in the workplace and beyond is crucial for fostering a culture of transparency and trust. Anti-corruption awareness programs in the workplace are essential to combat the problem of corruption and fostering the values of integrity in the workplace. It may increase public trust and improve compliance with anti-corruption laws and regulations. Considering this in mind, we the faculty of Civil Polytechnic has organized an activity e-Integrity Pledge in our department in accordance with mail communication from National Stock Exchange of India Limited. In this activity we have taken pledge with slogan "Say no to corruption; commit to the Nation." Total 25 students and departmental faculties have participated in this activity. Mrs. P.R.Khurape has initiated this activity under the guidance of Prof.P.S.Matkar .

## MOU WITH "DREAM CREATORS & SURVEYORS"

### CIVIL ENGINEERING

A memorandum of understanding (MoU) is a type of agreement between two or more parties. It expresses a convergence of will between the parties, indicating an intended common line of action.. Considering this in mind Faculty of Civil Polytechnic signed MoU with Dream Creators & Surveyorson 28/10/2023 for better future of the students. Er.Pranav Jadhav who is owner of this firm is also proud Alumni of Civil Polytechnic Department of 2016 Batch. Prof.P.S.Matkar (HoD Civil) initiated this activity under the guidance of Prof. Dr.P.R.Badadapure (Principal, FOE) & Prof. P.P. Gavade (I/C Principal, FOP) with the help of all departmental colleagues.

## ONE DAY WORKSHOP TOTAL STATION

### CIVIL ENGINEERING

Workshop practice is the backbone of the real industrial environment which helps to develop and enhance relevant technical hand skills required by the technician working in the various engineering industries and workshops. Considering this importance in mind Faculty of Civil Polytechnic arranged "One Day Workshop on Total Station on 28/10/2023." In this workshop students got opportunity to do hands on practical. They learned about the components of total station, stake out, line out. This activity is performed under MoU under the guidance of Dr. Badadapure P.R. (Principal Engineering & Polytechnic), Prof. Gavade P.P. (Principal Polytechnic) Entire department contributed to make this visit successful. Prof.P.S. Matkar (HoD Civil) expresses special thanks to Er.Pranav Jadhav (Owner-Dream Creators & Surveyors) for his precious time and guidance to our students. Ms. Smita Chavan initiated this activity.

## PARTICIPATION IN ISRO MY GOV CHANDRAYAAN 3 MAHA QUIZ

### CIVIL ENGINEERING

S Somnath, the head of the Indian Space Research Organization (ISRO), has invited all Indians to take part in the Chandrayaan-3 Maha Quiz in order to recognize India's incredible space research adventure

and to commemorate the historic lunar landing. Considering his appeal in mind the Faculty of Civil Polytechnic has commenced this activity on 28/10/2023. Total 25 students and departmental faculties have participated in this activity. Mrs. P.R.Khurape has initiated this activity under the guidance of Prof.P.S.Matkar .

## SWACHATA ABHIYAN

### MECHANICAL ENGINEERING

The Swachata Abhiyan has been organized by Department of Mechanical Engineering (Polytechnic) on the occasion of Gandhi Jayanti 02 October, 2023. For this activity all the faculties and students has been actively participated and done the cleaning of all the classroom and labs.

The Swachata Abhiyan in the Mechanical Department at Yashoda Technical Campus was a resounding success. It not only achieved its objective of promoting cleanliness and hygiene but also fostered a sense of social responsibility and environmental awareness among participants. By actively engaging in these activities, we are contributing to a cleaner and greener India and setting an example for others to follow. It is essential to continue such initiatives to ensure that our campus and our nation remain clean and beautiful for generations to come.

## INDUSTRIAL INSTITUTE INTERACTION

### MECHANICAL ENGINEERING

The Department Mechanical Engineering (Polytechnic) has been Organized the Industrial Institute Interaction on 3rd October, 2023 for the second year and Final year students of Mechanical Engineering Department for identification of curriculum gap between Industry and MSBTE.

Mr. Kishor Pallade Industrialist has visited YTC Satara, Principal Dr. P. R. Badadapure, Registrar Mr. Ganesh Survase, Principal Poly Prof. P. P. Gavade, HOD. Dr.

Tarang Shinde, HOD poly Prof. R. H. Basugde, Workshop Superintendent Mr. M. L. Rathod were present had interaction on Plastic Molding process, Laser Cutting, Plastic molding tool manufacturing, 3D Printing, Powder Coating. He had visited Institute interacted with students observe jobs in workshop. He found great potential in students ready to have collaboration and going to give platform for internship.

## EXPERT LECTURE-ENGINEERING METROLOGY

### MECHANICAL ENGINEERING

The Swachata Abhiyan has been organized by Department of Mechanical Engineering (Polytechnic) on the occasion of Gandhi Jayanti 02 October, 2023. For this activity all the faculties and students has been actively participated and done the cleaning of all the classroom and labs.

The Swachata Abhiyan in the Mechanical Department at Yashoda Technical Campus was a resounding success. It not only achieved its objective of promoting cleanliness and hygiene but also fostered a sense of social responsibility and environmental awareness among participants. By actively engaging in these activities, we are contributing to a cleaner and greener India and setting an example for others to follow. It is essential to continue such initiatives to ensure that our campus and our nation remain clean and beautiful for generations to come.

## INDUSTRIAL VISIT AT TOP GEAR PVT. LTD. SATARA

### MECHANICAL ENGINEERING

The Department Mechanical Engineering (Polytechnic) has been Organized the Industrial Visit for the subjects Engineering Metrology, Mechanical Engineering Materials and

Advanced Manufacturing Processes on 30th October, 2023 for the second year and Final year students of Mechanical Engineering Department for getting extra knowledge of subjects at well-known company in Satara district TOP GEAR Pvt. Ltd. Satara.

Ms. Mohini Jadhav HR of TOP GEAR has delivered expert lecture to students and she has been shows the company overview to the students. Also she has given the detailed knowledge about the different machineries used for gear manufacturing, the material used for gears, different types of gears and different instruments used for gear measurement.

## INDUSTRIAL VISIT TO NSL, WIND POWER COMPANY

### ELECTRICAL ENGINEERING

The department of Electrical Engineering (Polytechnic) had organized an Industrial Visit on 28th October, 2023 to NSL Wind Power Company, Sahyadrinagar, Tal. Medha, Dist. Satara. The students of SY and TY class were fortunate to be guided by the Executive Engineer Kiran Shinde. The visit was coordinated by Ms. K. V. Kamble and Ms. K. B. Kamble.

## GUEST LECTURE-PERSONALITY DEVELOPMENT

### ELECTRICAL ENGINEERING

The department of Electrical Engineering (Faculty of Polytechnic) arranged a guest lecture on 27th October, 2023 on topic "Personality Development" at 12:00 PM. The guidance and knowledge of the resource person Mr. R. D. Mohite was valuable to the students of SY & TY. The resource person elaborated on various topics such as need of personality development, working on communication skill, and so on.

## Faculty of MCA

### ZONAL SPORTS

#### FACULTY OF MCA

Yashoda Shikshan Prasark Mandal's Yashoda College of Architecture had organized Shivaji University, Kolhapur, Satara Zonal Basketball Tournament. The tournaments are carried every year in order to promote fitness and encourage sports. Shivaji University, Kolhapur strongly supports sports and organizes events for athletics and sports; indoor and outdoor events. This year Yashoda Shikshan Prasark Mandal's, Yashoda College of Engineering had organized the Zonal Basketball Tournament at Shahu Stadium, Satara. Teams from various colleges affiliated to Shivaji University, Kolhapur had participated for this particular tournament. The event started at 9:00 am in morning, where teams from Group A and Group B were allotted and the matches began. Yashoda Technical Campus, Faculty of MCA students also participated in Basketball. The zonal sports complex was filled with enthusiastic supporters who cheered for their favourite teams throughout the day. MCA Team played against Government College of Engineering, MCA Department, Karad. They ended up at fourth position in basketball match. They secured a trophy and certificates were distributed to all the participating students. Students played well and showed great sportsmanship. The volleyball matches were organized by Dadasaheb Jotiram Godase College, Vaduj. The zonal events were filled with great enthusiasm and zest. Unfortunately, for Volleyball the students ended up in 5th position and could not secure the prize for college. The volleyball and basketball events showcased the incredible talent and sportsmanship of the participating teams, making it a memorable sporting spectacle for all.

## Faculty of MCA

### PARENT'S MEET

#### FACULTY OF MCA

Parent Teacher Meeting in the current academic year was conducted on 28th Of October , 2023. Around 20 parents reported for the meeting. A Parent - Teacher meeting- provides chance to sit with ward's teacher to talk about your child's progress and to get an opportunity to know the progress of the student.

The Parent Teacher Meeting was conducted as per the following schedule –

1. Registration of parents at the registration desk started at 10:30 am.
2. "Lamp lightening by the hands of Head of Department, parents Representative and Student Representative "
3. A presentation was given by Prof. Arti Mohite ma'am regarding the role & contributions of Teachers and Parents in shaping the career of students.
4. Parent teacher meeting started with a felicitation of Our Head of Department and Parent representative.
5. After that student representative Miss. Pratiksha Jadhav declared an academic report.
6. After that give prizes to first 5 rankers from MCA department.
7. Our HOD Dr. Smita Patil Ma'am gives motivational speech.
8. Parents were invited to express their views about the college, their views regarding the development of their wards and to come up with suggestions.
9. Vote of thanks to the parents was given by Prof. Arti Mohite.
10. Parent Teacher gathering was followed by tea and snacks.
11. After the refreshment, the parents went to meet the class-teachers and all faculty members discussed about the academic performance of the students like class attendance, marks in class tests, internal marks and overall discipline in the campus.

Building a Partnership where a Teacher often introduces parents to their teaching style, discipline methods and classroom policies. Expressing their commitment to your child's education, such as their organizational skills & positive attitude.

## Faculty of MCA

### YASHODA SPHURTI 2023

#### FACULTY OF MCA

The annual Faculty Sports Event, held at Yashoda Shikshan Prasark Mandal campus, where faculties and dignitaries from all Yashoda Institutes were present, participated and was a resounding success, bringing together faculty members from various departments for a day of friendly competition and camaraderie. The event aimed to promote a healthy lifestyle, encourage teamwork, and provide a much-needed break from the academic rigors.

#### Sports and Activities:

The event featured a diverse range of sports and activities to cater to different interests and skill levels. The event not only showcased the sporting abilities of the faculty but also their sportsmanship and team spirit. The participants exhibited exemplary behaviour, emphasizing the importance of fair play and cooperation. All departments participated. MCA Department had participated in Throw ball and badminton events.

For Throw ball, MCA department won the first round and went into finals. For the Finals, they played against, General science ladies. Lastly MCA department won the Throwball match and bought a trophy for their department.

In addition, in individual events, faculties from MCA department had participated and finally Prof. Vanmala Kadam went for Finals and stood second. She won a trophy for coming second in Sphurti 2023, organized by Yashoda Institutes.

## INDUCTION PROGRAMME 2023-24

The Yashoda college of Architecture Induction Program is a vital part of our commitment to supporting new students in their journey through their education and introducing the academics to students. The induction programme was started the sarswati puja and lamp lighting by the Chief guest Hon.Dr.V.K. Redasani , Mr. Ganesh Suravase and YCA faculty.

The welcome address of programme were given by Ar. Priyanka patil with the overview and outline of programme. The Principal Mr. Suhas Talekar sir introduced students with a college academic integrity. Later Ar. Snehal Shedge explained students with colleges' academic programme , majors, degree importance and Academic calendar. After that students and their parents were felicitated by yashoda college of architecture.

Hon. Dr. V.K. Redasani sir guided the students about their future in Architecture course and its outcomes, adding to that Mr. Ganesh Suravase sir introduced students with the campus importance and architectural facilities. The programme ended with the vote of thanks by Ar. Prakash Bansode by encouraging students.

## READING INSPIRATION DAY

On this occasion the program was inaugurated lighting the lamp by Principal Ar. Suhas Talekar & HOD Ar. Snehal Shedge, along with the students council members, Dr. APJ Abdul Kalam's images was unveiled as well as wreaths and flowers were offered. The Principal Ar. Mr. Suhas Talekar addressed all and paid homage to Dr. APJ Abdul Kalam and highlighted some of APJ Abdul Kalam's major contributions towards the nation. He further added to students that, "book review competitions are an opportunity to celebrate literature and share their passion for reading", Librarian Leena S. Kamble express her thoughts on "Reading Inspiration Day" & "Book Review Competition", she has explained "how can be a great way for students to showcase literary analysis skills, critical thinking, and ability to express thoughts eloquently". Students expressed their heartfelt gratitude towards Dr. APJ Abdul Kalam. In Book Review Competition many students participated. Even the student who visited most to library was appreciated by award "Most Visited Students In Library" the award was given by hand principal sir to, fourth year student Ms. Thorat Sayali & student of Third year Mr. Jadhav Vaibhav received the award. Also faculty members gave review of their favorite book. The program was concluded by student Shravani Bhosale.

## READING INSPIRATION DAY

Yashoda College of Architecture organized a three-day Ice Breaker Event from October 19th to October 21st, 2023. Each day, at 3 pm following their academic classes, students participated in a series of engaging group activities. On the first day, students embarked on a creative journey, constructing 3D models inspired by architectural principles. This activity encouraged them to apply their knowledge and design skills and help new students to get more information about the architects and their work. On second day students showcased their creativity by crafting abstract lamps using recycled materials sourced from the college campus. Top of Form The Ice Breaker Event at Yashoda College of Architecture served as a platform for students to express their creativity, promote sustainability, and strengthen their bonds with one another, setting a positive and engaging tone for their academic journey at the college.

## POST GRADUATION AND CAREER DEVELOPMENT PROGRAM

The Yashoda college of Architecture has organized a "Career development and internship program" on 5th April 2023 in the seminar hall for

T.Y, Fourth and Final yr B.Arch. The session started at 10.00 am with a welcome note by final year student Apurva suryawanshi. The guest speaker Ar, Nalini Naik Nimbalkar HOD of Master courses in SMEF Bricks college from Pune expertise in industrial as well as educational field, and having academic experience of more than 30 years of experience. Ar. Sujata Talekar madam and Ar Swarali Sagare madam facilitated the guest speaker, Ar. Nalini Naik Nimbalkar. She explained the about the master courses available after Bachelor degree of Architetcture and career opportunities in architecture. She also further added the various job opportunities available in architecture. She also gave information about the entrance exams required for admission of master course in India and abroad. She further added about the master courses such as project construction management and sustainable run by Bricks college of architecture Pune . But M.s sustainable masters course is run in hybrid mode with collaboration with Jefferson Thomasuniversity Philadelphia. The advantages of doing these master courses and career opportunities after it. The fees structure was also explained to students. The program was concluded with a vote of thanks by president of student council Anuja shinde.

## NATIONAL UNITY DAY & NATIONAL RESOLUTION DAY

On this occasion the program was inaugurated lighting the lamp by all staff members, also at the hands of students council members, Sardar Vallabh Bhai Patel's & Smt. Indira Gandhi's images was unveiled as well as wreaths and flowers were offered. Students expressed their heartfelt

heartfelt gratitude towards Sardar Vallabh Bhai Patel & Smt. Indira Gandhi. Ms. Siddhi Nalawade student of first year & Mr. Tushar Yadav student of second year express their thoughts and pay tribute to these two iconic leaders of India, and highlighted some of his major contributions towards nation. The faculty Er. Amol Jadhav, added his thoughts and gave the information about the contributions of Sardar Vallabhbhai Patel and Indira Gandhi. He also gave importance of qualities of both the leaders, their impact on the country, and their relevance to the nation. The talks were enlightening and provided valuable insights to the students. These celebrations not only provided a platform for learning but also fostered a sense of unity and national pride among the students and faculty members. The program was concluded by student Rutuja Pandit thanked everyone for gathering and celebrating this programme.

## POST GRADUATION AND CAREER DEVELOPMENT PROGRAM

World Architecture Day is celebrated on first Monday of October every year. This year it occurred on 2nd October which coincided with Gandhi Jayanti hence the celebration was moved to 3rd of October. The United Nations World Habitat Day, under the theme "Architecture for resilient communities". World Architecture Day 2023 marks seventy-fifth anniversary of the founding of the UIA, which was established in 1948 to unite architects everywhere. The International Union of Architects (UIA), the only global organization representing the world's 3.2 million architects. By choosing a different theme for reflection each year, World Architecture Day aims to draw the attention of professionals and the public to issues concerning cities and housing.

A brief introduction to the day's program was presented, emphasizing the importance of World Architecture Day and the role it plays in promoting architectural awareness and education. The audience was encouraged to participate actively in the upcoming sessions.

Ar. Shree Mahajani, known for his distinctive design aesthetics, discussed the intersection of art and architecture in regards to Architectural travel. He emphasized the importance of aesthetics in architectural design and how it can enhance the built environment.

An interactive Q&A session allowed attendees to engage with the speakers, seek clarifications, and explore further insights into the architectural topics presented throughout the day.

The Principal of YCA, Ar. Suhas Talekar, delivered a motivating speech about the significance of architectural education and the role of the college in nurturing young talents in the field of architecture.

The event concluded with a heartfelt vote of thanks by Ar. Rakhi Begampure, expressing gratitude to the guests, speakers, attendees, and everyone involved in making the World Architecture Day celebration a resounding success.

The World Architecture Day celebration at YCA was an inspiring and enlightening event, providing students and professionals with valuable insights and fostering a deeper appreciation for the art and science of architecture. It was a day of learning, sharing, and celebration in honor of the architectural world.

THANK  
YOU
