TODAY'S READER CAN BE A TOMORROW'S LEADER !

PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to import value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

Prof. Dasharath Sagare
Founder President
YSPM - YSS, Satara

EDITOR'S DESK

I am pleased to release (59 volume) of YSPM & YSS newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

Kind Regards:
Mr. Somnath N. Kumbhar
YSPM - YSS, Satara

यशोदा शिक्षण संस्था, यशोदा शिक्षण प्रसारक मंडळाचा सोळावा वर्धापिन दिन समारंभ विशेष

अत्याधुनिक अभ्यासक्रम, संशोधन, नवकल्पना आणि जागतिक दृष्टिकोन म्हणजेच यशोदा इन्स्टिट्यूटस

उद्योग पूरक तंत्रशिक्षणासह व्यवस्थापनाचे शिक्षण देऊन सर्वसामान्य विद्यार्थ्यांना सक्षम बनविण्याच्या उद्देशाने प्रा. दशरथ सगरे यांनी 2008 मध्ये सातऱ्यात एका शाळेपासून सुरू केलेल्या यशोदा शिक्षण संस्था तथा यशोदा शिक्षण प्रसारक मंडळाचा विस्तार हा पूर्व प्राथमिक, प्राथमिक, माध्यमिक, उच्च माध्यमिक तसेच पदविका, पदवी आणि पदव्युत्तर पदवी अशा शिक्षण व्यवस्थेतील सर्व स्तरातून व्यापकतेने समृद्ध झालेला पहावयास मिळतो. तंत्रशिक्षणातील इंजिनिअरिंग, पॉलिटेक्निक, आर्किटेक्चर, फार्मसी, बीबीए, बीसीए, एमबीए, एमसीए इत्यादी व्यवस्थापन शास्त्रातील विद्याशाखांमधून शिक्षण देण्याचं कार्य अविरतपणे सुरू असल्याचे यशोदा इन्स्टिट्यूट मध्ये दिसते. पश्चिम महाराष्ट्रातील नामांकित अशा प्रतीत यश शिक्षण संस्थेचा दसऱ्याच्या शुभमुहूर्तावर सोळावा वर्धापिन दिन समारंभ संपन्न होतो आहे, त्यानिमित्ताने......

अत्याधुनिक शिक्षण देणारी शैक्षणिक संस्था अशी ओळख असणारी यशोदा इन्स्टिट्यूट ही सातारासह पश्चिम महाराष्ट्रातील सर्वाधिक प्रवेश क्षमता असणाऱ्या शैक्षणिक संस्थांपैकी एक आहे. आर्टिफिशियल इंटेलिजन्स अँड मशीन लर्निंग, डेटा सायन्स, मेकट्रॉनिक्स इंजीनियरिंग, रोबोटिक्स इंजीनियरिंग, सायबर सेक्युरिटी या आणि अशा अद्ययावत विद्याशाखांमधून शेकडो विद्यार्थी पदवीधर होऊन देश-विदेशामध्ये नामांकित आस्थापनांमध्ये कार्यरत झाले आहेत.

यशोदा शिक्षण प्रसारक मंडळाच्या माध्यमातून व्यावसायिक आणि तंत्रशिक्षणासोबतच प्रा. सगरे यांनी त्यांच्या मनातील अनेक कल्पक योजना राबविल्या आहेत हे करीत असताना त्यांना मिळालेल्या सातारकरांच्या सहकार्याचे मूल्य ते कधीही विसरत नाहीत आणि याची जाणीव म्हणून हलाखीची आर्थिक परिस्थिती असलेल्या विद्यार्थ्यांना दत्तक पालक योजनेअंतर्गत मदत देत त्यांचे शिक्षण अखंड सुरू ठेवण्याचे कार्य देखील प्रा. सगरे यांनी केले आहे. दरवर्षी सुमारे 100 मुलांना या योजनेचा लाभ घेता येतो. भारतीय विद्यापीठाचे दिवंगत संस्थापक डॉ. पतंगराव कदम, सध्याचे कुलपती डॉ. शिवाजीराव कदम, जयवंत शिक्षण प्रसारक मंडळाचे संस्थापक आणि महाराष्ट्राचे आरोग्य मंत्री डॉ. तानाजी सावंत यांच्याच कार्याला अनुसरून यशोदा संस्थेची यशस्वी वाटचाल सुरू आहे.

SEMINAR ON TOPIC "COMPETITIVE EXAM PREPARATION"(ALUMNI ASSOCIATION ACTIVITY)
FACULTY OF PHARMACY

The "YASHOCONNECT-alum's on & on & on…" series organized by Alumni Association of YSPM YTC Satara, is incredibly beneficial for students. It gives them the opportunity to gain insights and knowledge from successful alumni who have walked the same path they're on.

Alumni Association of YSPM's YTC, faculty of Pharmacy, arranged seminar on topic "Competitive exam preparation" on Friday, 04th October 2024. The Lecture was delivered by Ms. Shivani Suryakant Chorge Research Scholar, Krishna Vishwa Vidyapeeth Karad. The program commenced with an inspiring speech by the alumni in-charge, Ms. Pooja Kadam. She articulated the vision behind Yashoconnect, emphasizing it as a dedicated platform to bridge the gap between alumni and the college, fostering a sense of community and support. Following her introduction, the academic in-charge, Dr. A. M. Bhagwat sir, took the stage to introduce the guest speaker, Ms. Shivani Chorge. He highlighted her achievements, noting that she was the topper of the B.Pharm program and proud alumni of YSPM. As a token of appreciation, Ms. Shivani Chorge got felicitated with a diary, bouquet, certificate, and memento, recognizing her contributions and success. Principal Dr. V. K. Redasani sir also addressed the attendees, discussing the significance of maintaining strong alumni relations with the college. He stressed how alumni can leverage their expertise and experiences to benefit the college and current students, fostering a collaborative environment that enhances learning and opportunities.

Ms. Shivani Suryakant Chorge is alumni of Yashoda Technical Campus from the batch of 2020 B.Pharm. She delivered an insightful lecture on competitive exam preparation. She provided thorough information regarding the question paper patterns for various government exams, including the Railway Pharmacist exam, ZP Pharmacist exam, NIPER, DI and GPAT. During her session, she actively engaged the students by solving a question paper together, allowing them to understand the types of questions they might encounter. Overall, the session was informative and inspiring, providing students with valuable insights into competitive exam preparation.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy the activity was coordinated by Ms. Pooja B. Kadam & Ms. Sucheta S. Pawar.

Faculty of Pharmacy

DR.B. A. T. UNIVERSITY INSTITUTE LEVEL AVISHKAR 2024-25
FACULTY OF PHARMACY

YSPM's Yashoda Technical Campus, Faculty of Pharmacy, Wadhe, Satara, successfully conducted the Institute Level AVISHKAR 2024-25 on October 15, 2024. The initiative aimed to foster innovative thinking among students and faculty, encouraging them to develop solutions for real-world problems. Participants submitted research ideas and projects as abstracts, models, or posters, all emphasizing innovation.

The event featured six categories to encompass variousdisciplines:

1. Humanities, Languages, Fine Arts, etc.

2. Commerce, Management, Law

3. Pure Sciences

4. Agriculture and Animal Husbandry

5. Engineering &Technology

6. Medicine and Pharmacy

The competition was organized for both undergraduate and postgraduate levels, attracting a total of 55 participants across different disciplines. The program was inaugurated by Dr. V. K. Redasani, Director of the Faculty of Pharmacy, who emphasized the fundamental role of researchin societal development. He highlighted that research is crucial for both cultural and economic advancement, stating that innovations resulting from scientific discoveries can help nations recover from economic challenges.

The participants presentedtheir posters to a panel ofjudges, including Prof. Dr. P. D. Jadhav, Prof. Dr. L. M. Purane, Prof. A. T. Thorat, Prof. S. D. Patil, Prof. S. A. Jadhav, and Prof. A. B. Velhal, who evaluated the submissions and announced the winners. At the conclusion of the event, certificates were awarded to all participants

and 24 students were selected for the zonal level competition. The program wascoordinated by Prof. Dr. B. P. Chaudhari and Prof. Vaishnavi Shedge.

Faculty of Pharmacy
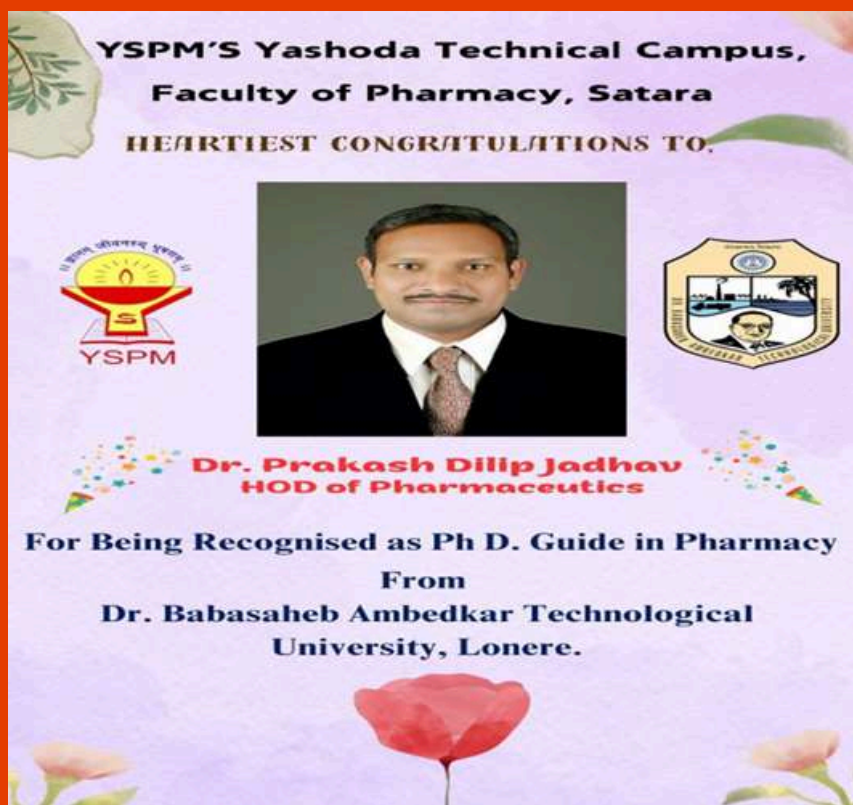

CELEBRATION OF CGMP DAY
FACULTY OF PHARMACY

National cGMP day was celebrated today on 10th October in the green seminar hall by the faculty of Pharmacy. Dr.V.K.Redasani sir gave an introduction to the program Dr. P.D Jadhav was the speaker of the event. Dr. P.D Jadhav shared the importance of cGMP day. He also shared the history of the day. Dr.Jadhav shared various cGMP guidelines to be followed by the manufacturing unit of Pharma industries. He also explained major disadvantages of not following cGMP guidelines to the students. Overall the session was very fruitful for the students as well as for staff members. The program was co-ordinated by Ms D.N.Maske. Karan Gaikwad proposed vote of thank

EDUCATIONAL TRIP AT KAAS PLATEAU SATARA
FACULTY OF PHARMACY

As a part of the curriculum, the students are required to gain pharmacognostic approach of herbal and medicinal plants. We thought it will be fruitful that the students with academic background should have an exposure to herbal plants in order to have a better appreciation of practical applications to curriculum. So as part of college activity, the college has organized educational trip to Kaas Plateu Satara on 7th October 2024. Total 77 students of third year B.Pharmacy and 6 faculties were present for the trip. We left the campus at 11.30am. The Kas Plateau Reserved Forest, also known as the Kaas Pathar, is a plateau situated 25 kilometres west from Satara city. It became a part of a UNESCO World Natural Heritage Site in 2012.Kaas Plateau is rich in its Bio-diversity. Many species are observed on plateau which are new to the Botanical Science. Many of the endemic, endangered plants are found on Plateau. More than 850 species of flowering plants are reported on the plateau. 624 species have entered in the Red Data Book. Out of these 624 species, 39 are found only in Kaas Region. After reaching there, professional guide was allotted to us. He gave all the useful information regarding various botanical species like Smithia hirsute, Karvi Flowers,Impatiens oppositifolia. He told Impatiens oppositifoliawere the largest blooms covering Kaas plateau.He explained medicinal values of different flowering plants which was extremely useful for students. After getting lots of information we came back to campus at 4.30pm. On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by Asst. Professor Mrs R.P.Bhoite, and Ms.N.D.Naikwadi under guidance of B.Pharm HOD Mr. A.M. Bhagwat and Principal Dr. V. K. Redasani. Ms.S.S.Pawar, Mr.O.A.Devade, Mr.P.R.Joshi, Ms.J.S.Pingle and Ms.Ghorpade Namrata helped for smooth conductance of visit

President Hon. Dasharath Sagare Sir and Vice-president, Hon. Ajinkya Sagare Sir always motivate for such visits.

SWACHHATA ABHIYAN OCCASION GANDHI JAYANTI
FACULTY OF AIDS ENGINEERING

On October 2, 2024, Yashoda Technical Campus celebrated Gandhi Jayanti, commemorating the birth of Mahatma Gandhi, a pivotal figure in India's struggle for independence and a champion of cleanliness and sanitation. In line with Gandhi's vision of a clean and healthy environment, the campus organized a cleaning drive in classrooms and laboratories.

o Students and staff participated enthusiastically in the cleaning activities, which included:

§ Tidying up classrooms by organizing desks and removing unnecessary clutter.

§ Cleaning laboratory equipment and workspaces to ensure a safe and hygienic environment.

§ Disposing of waste responsibly and promoting recycling efforts on campus.

DANDIYA MOHOTSAV
FACULTY OF AIDS ENGINEERING

On October 9, 2024, Yashoda Technical Campus celebrated its annual Dandiya Mahotsav, marking the vibrant festival of Navratri. This event aimed to promote cultural heritage, community spirit, and traditional dance participation from students, faculty.

Faculty of Engineering

POSTER PRESENTATION
FACULTY OF AIDS ENGINEERING

On October 15, 2024, Yashoda Technical Campus organized a poster presentation competition to honor the birthday of Dr. A.P.J. Abdul Kalam, a renowned scientist and former President of India. The event aimed to inspire students to reflect on Dr. Kalam's contributions to science, education, and nation-building.

Event Highlights

Inauguration:

The event commenced with a brief introduction to Dr. Kalam's life and achievements. Faculty members emphasized his vision for a developed India and the importance of innovation and education.

Poster Presentations:

Students showcased their creativity and research through visually appealing posters. Topics ranged from Dr. Kalam's scientific contributions to his philosophies on education and leadership. Each poster was designed to reflect a different aspect of his life and work.

Judging Panel:

The competition was judged by Mr. Ajay Jagtap and Mrs. Smita Jagtale, both of whom are esteemed professionals in their respective fields. They assessed the posters based on creativity, clarity of ideas, and presentation skills.

Awards Ceremony:

At the end of the presentations, awards were given for the best posters in various categories, including Best Creativity, Best Presentation, and Best Theme. Winners received certificates and prizes, recognizing their hard work and dedication.

AVISHKAR 2025: INSTITUTE LEVEL ROUND
FACULTY OF MECHNICAL ENGINEERING

The institute level round of Avishkar 2025 was held on October 15th 2024 on the occasion of birth anniversary of Dr. APJ Abdul Kalam. 43 students had participated in the event which was held in six disciplines namely Humanity, Language, Fine Art, Commerce, Management and Law, Pure Science, Agriculture, Animal Husbandry, Engineering Technology, Medicine and Pharmacy.

Dr. T. R. Shinde, Associate Professor and Head of the Department of Mechanical Engineering and Institute Avishkar Coordinator coordinated the activity along with department coordinators. Dr. V. K. Redasani, Director, YTC, Dr. Vikram S. Patil, Principal, Faculty of Engineering and Prof. R. D. Mohite, Associate Director of YTC felicitated the students in the valedictory function.

SWACHHTA ABHIYAN CONDUCTED AT YASHODA TECHNICAL CAMPUS
FACULTY OF GENERAL SCIENCE DEPARTMENT & HUMANITIES

Satara, 2 October 2024: In observance of Mahatma Gandhi's birth anniversary, Yashoda Technical Campus, Satara, organized a Swachhta Abhiyan on 2 October 2024, from 10 AM to 1 PM. The cleanliness drive witnessed active participation from the Head of Departments (HODs), faculty members, and a large number of students. The HODs and faculty members led by example, working alongside students to ensure the campus environment remained clean and well-maintained. They encouraged students to adopt clean habits in their daily lives and emphasized the importance of contributing to the nation's vision of a cleaner India. At the conclusion, an evaluation was conducted by Dr. Rohane, accompanied by Dr. Shivade, the HOD of FY B.Tech, along with other faculty members. They appreciated the students' efforts and provided insights on further improvement. The event was a meaningful tribute to Gandhi's vision, promoting sustainability and community well-being.

INSPIRING SESSION SEMINAR ON "KEY TO SUCCESS" BY DR. DILIP PATWARDHAN
FACULTY OF GENERAL SCIENCE DEPARTMENT & HUMANITIES

On October 8, 2024, the Engineering Wing at YTC hosted an inspiring seminar titled "Key to Success" by the renowned Dr. Dilip Patwardhan. Held in two sessions at the Yellow Seminar Hall from 10:00 AM to 1:00 PM, the event attracted students and faculty members eager to gain valuable insights into achieving personal and professional success. Dr. Patwardhan's session highlighted the essentials of success, focusing on goal-setting, discipline, and persistence. He encouraged the audience to set SMART goals—Specific, Measurable, Achievable, Relevant, and Time-bound and explained how these goals form the foundation for progress. A special highlight of the event was the felicitation of Dr. Patwardhan by Dr. V.S. Patil, Principal of the Engineering College, who expressed gratitude for Dr. Patwardhan's impactful contributions to students' growth and success.

This well-received session left participants motivated, sparking engaging discussions on campus. Dr. Patwardhan's guidance has inspired many to actively pursue their goals with renewed determination, and attendees are already looking forward to more such sessions.

IGUEST LECTURE ON AI IN IT INDUSTRY
FACULTY OF CSE ENGINEERING

On October 9, 2024, the Department of Computer Science and Engineering at YTC hosted an enlightening guest lecture on the impact of Artificial Intelligence (AI) in the IT industry. The session aimed to provide students and faculty with valuable insights into current trends, challenges, and future prospects of AI applications in technology. The lecture was conducted by Dr. Saurabh Deshmukh, who shared his expertise and experiences, engaging the audience in a thoughtful discussion on the transformative role of AI in shaping the future of the IT sector. This event was a fantastic opportunity for attendees to deepen their understanding of AI and its implications for the industry.

INDUSTRY VISIT TO ANILEE ANIMATIONS PVT. LTD.
FACULTY OF CSE ENGINEERING

The Department of Computer Science and Engineering organized an insightful industry visit to Anilee Animations Pvt. Ltd. on October 21st and 22nd. The purpose of this visit was to enhance students' understanding of the intersection between computer science, engineering, and the art of digital design. Participants gained valuable insights into fundamental artistic principles and their application in modern technologies such as gaming and virtual reality (VR). This experience offered students a unique opportunity to see firsthand how theory is applied in the industry, bridging the gap between their academic studies and real-world applications.

CLEANLINESS CAMPAIGN PROGRAM
FACULTY OF POLYTECHNIC

Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara organized cleanliness campaignprogram, on 02/10/2024 on the eve of "Mahatma Gandhi Jayanti".

In this program event judge Prof. Dr. Rohane Sir, from Yashoda Technical Campus Satara and Principal Prof. P. P. Gavade (Faculty of Polytechnic), Prof. R. S. Khandekar (HOD General Science and Humanities), and all teaching staff and students were present during the event. Swachh Bharat Abhiyan is the mantra of Mahatma Gandhiji, "The Father of Nation". He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for integrated waste management to make zero waste, dust free, plastic free and green.

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep their surrounding clean. Community people were encouraged to maintain their surrounding clean. Thus, the first-year diploma students have initiated one steps towards- cleanliness.

GUEST LECTURE PROGRAM
FACULTY OF POLYTECHNIC

We, the Department of Electrical Engineering, Faculty of Polytechnic, YTC, Satara, are pleased to announce that a Parents meeting is arranged This Program will help student & parents Academic progress, attendance, behaviour & social skills, Extracurricular activity, learning strategies Goals setting, confidance building.

Faculty of Polytechnic

INDUSTRIAL VISIT
FACULTY OF POLYTECHNIC

The Department of Electrical Engineering, Faculty of Polytechnic, had organised an industrial visit to Maharashtra state Electricity Distribution Co. Ltd (MSEDCL),33/22 KV, Kalambe substation, on 22/10/2024 for second year and third year students. It was Coordinated with Ms. Kamble K.B. and Mr, Kadam S.D. around 68 Student of the SY & TY class grasped this opportunity. the Objectives of the Visit were

To learn different components utilized in substation

To interpret single line Diadram of Various devices Avaliable in the Substation

To understand the best and sustainable practices in running a substation

PARENTS MEETING
FACULTY OF POLYTECHNIC

The department of Electrical Engineering, Faculty of Polytechnic, YTC, Satara arranged Parents meeting programProgram for the students Parents of SY & TY class om 25th October, 2024 under the guidance of Principal Prof. P. P. Gavade. This Program will help student & parents Academic progress, attendance, behaviour & social skills, Extracurricular activity, learning strategies Goals setting, confidance building.

The objectives of thisParents meeting:

1. Student Attendance:

Discussion on Students attendance for July, August and September months.

2. Student Progress:

Students progress review in academics and exams

3. Result Discussion:

4.Overall discussion of results of ut1 and ct 1, areas of improvement

This program provided students with valuable practical experience in a growing field. The program equipped them with the skills needed to contribute to energy

"CLEAN DEPARTMENT, CLEAN INSTITUTE" CAMPAIGN

FACULTY OF POLYTECHNIC

On the occasion of Lal Bahadur Shastri Jayanti and Gandhi Jayanti, celebrated on 2nd October, our Department of Artificial Intelligence & Machine Learning, Information Technology organized a "Clean Department, Clean Institute" campaign. This initiative aimed at promoting cleanliness and environmental awareness within the institute. The campaign witnessed the active participation of both students and faculty members, making it a collaborative effort to ensure a cleaner and healthier environment. In the spirit of Mahatma Gandhi's belief in cleanliness, the slogan "Cleanliness is next to Godliness" was embraced throughout the campaign.

The success of the campaign reflected the commitment of our students and faculty to uphold the values of cleanliness and community service. It also reinforced the importance of maintaining a clean and healthy environment for the betterment of all.

STUDENT DEVELOPMENT PROGRAM

FACULTY OF POLYTECHNIC

From 5th to 9th October 2024, the Departments of Artificial Intelligence & Machine Learning, Information Technology jointly organized a Student Development Program (SDP) workshop on "Artificial Intelligence and Deep Learning." This event was aimed at enhancing students understanding of advanced concepts in AI and fostering their overall development in the field. During his two days i.e. 05 & 06 Oct 2024, throughout his presentation, Mr. Yammen Hakim Sir covered key topics such as Machine Learning fundamentals, Data Preparation, Data Cleaning, and Data Manipulation techniques, emphasizing their importance in the AI workflow. On the fourth day of the first session, Mr. Tejas Phase introduced the students to deep learning concepts and explained how neural networks function. After covering these foundational topics, he provided hands-on training in the second and third sessions, giving students a brief overview of the coding aspects involved. He also addressed their questions and offered guidance on their career paths.

On last day Students gave a quiz competition on topics they covered in entire five-day program.

Faculty of Polytechnic

STUDENT ASSOCIATION INAUGURATION
FACULTY OF POLYTECHNIC

On October 15, 2024, the birth anniversary of Dr. APJ Abdul Kalam, Student Day was celebrated at the "Artificial Intelligence and Machine Learning", as well as the "Information Technology" departments. This occasion also marked the inauguration of their student associations. The event was attended by Polytechnic Principal Prof. Gavade P.P. and HOD of Artificial Intelligence and Machine Learning Department Mrs. Kenjale.T. S, Central Academic Coordinator and HOD of General Science & Humanities Department Prof. Khandekar.R. S Sir, who both inaugurated the associations and shared their valuable insights with the students. Their words emphasized the importance of student engagement and the potential for future leaders to emerge from these departments.

Following their addresses, several students from both departments expressed their thoughts and reflections on the legacy of Dr. Abdul Kalam and the significance of Student Day. They highlighted his contributions to science and education, inspiring the next generation to pursue their dreams and excel in their fields. The atmosphere was filled with enthusiasm and motivation, as students were encouraged to embody Dr. Kalam's vision of knowledge and perseverance. This event not only commemorated a remarkable figure in Indian history but also fostered a sense of community and collaboration among the students, setting a positive tone for their academic journey ahead.

SWACHCHTA ABHIYAN
FACULTY OF POLYTECHNIC

Department of Mechanical Engineering (Polytechnic) conducted Swachchta Abhiyan on 2ne October 2024 for this Activity the all students and faculty members of department were present and actively participated. Aimed at improving sanitation, hygiene, and waste management. The mission is one of the largest cleanliness drives globally, involving millions of volunteers, organizations, and local communities in efforts to create a cleaner and healthier environment in the department. The Swachh Bharat Abhiyan has made significant strides in sanitation and hygiene, but to ensure its long-term success, ongoing efforts are needed to maintain and upgrade infrastructure, promote waste reduction practices, and encourage community participation.

AUTOMOTIVE PLASTIC PRODUCT DESIGN
FACULTY OF POLYTECHNIC

The Student Development Program (SDP) on "Automotive Plastic Product Design" was organised by department of Mechanical Engineering, Faculty of Polytechnic, YTC Satara on 11th October, 2024. Mr Mahesh Shinde, Tech Lead, Automotive Trims, pune was the resource person for this SDP.

The Student Development Program (SDP) on "Automotive Plastic Product Design" was organized to provide students with insights into the evolving role of plastic materials in the automotive industry and to develop their skills in designing automotive components using plastics. The program aimed to familiarize participants with industry standards, design methodologies, and the technical aspects of using plastics in product design, ultimately preparing them for careers in automotive design and manufacturing. The SDP coordinator Mr. S. J. Patil.

SWACHCHTA ABHIYAN
FACULTY OF POLYTECHNIC

The inauguration ceremony of the Mechanical Engineering Student Association (MESA) for the Academic Year 2024-25 was held on 11th October, 2024 at Department of Mechanical Engineering, Faculty of Polytechnic, YTC Satara. The event marked the beginning of a new term for the association, aimed at fostering professional growth, technical knowledge, and leadership skills among mechanical engineering students. With a fresh set of objectives, MESA 2024-25 is dedicated to enhancing student engagement, facilitating industry exposure, and organizing technical activities that align with the latest trends in mechanical engineering.

The inauguration was attended by faculty members, invited guests from the industry, and students. The ceremony was presided over by Mr. R. H. Basugade, Head of the Department (HoD) of Mechanical Engineering, and the Chief Guest was Mr. Mahesh Shinde an eminent figure in the mechanical engineering industry.

SPARK 2K 24" A STATE LEVEL TECHNICAL COMPETITION
FACULTY OF POLYTECHNIC

"Spark 2K24" was a state-level technical competition held on 23rd October 2024 at Department of Mechanical Engineering, Faculty of Polytechnic, YTC Satara organized to bring together engineering students from various institutions across the state. The event aimed to foster innovation, encourage technical skills, and promote teamwork among students from diverse technical backgrounds. With multiple events and contests focused on problem-solving, design, and engineering skills, Spark 2K24 provided a platform for participants to showcase their technical knowledge and creativity.

More than 300 students have been participated for this event from various institutes of Satara district.

WORKSHOP ON ARTIFICIAL INTELLIGENCE AND DEEP LEARNING
FACULTY OF POLYTECHNIC

From 5th to 9th October 2024, the Departments of Artificial Intelligence & Machine Learning, Information Technology jointly organized a Student Development Program (SDP) workshop on "Artificial Intelligence and Deep Learning." This event was aimed at enhancing students understanding of advanced concepts in AI and fostering their overall development in the field. On 5th October 2024, the opening ceremony of the Student Development Program (SDP) workshop on "Artificial Intelligence and Deep Learning" was graced by the presence of several esteemed dignitaries. Hon. Director of Yashoda Technical campus Dr. Vivekumar K. Redasani Sir, Polytechnic Principal Prof. Gavade P.P , HOD of Artificial Intelligence and Machine Learning Department Mrs.Kenjale.T.S, Central Academic Coordinator and HOD of Genral Science & Humanities Department Prof. Khandekar.R.S Sir and Event Coordinator of SDP Mr. Pawar P.S Sir honored the event with their valuable attendance. Their presence added significance to the occasion, reflecting their support and encouragement towards initiatives that contribute to student development and academic excellence. On October 7, 2024, during the "Artificial Intelligence and Deep Learning" SDP workshop, Mr. Tejas Phase interacted with students following a warm welcome from the Hon. Principal of the Polytechnic, Prof. Gavade P.P.

In the first and second session, Mr. Tejas Phase Sir provided a concise overview of supervised and unsupervised machine learning, as well as key concepts in deep learning. He also guided participants through the setup of the Anaconda environment, offering essential details for effective implementation.

In the third session, Mr. Tejas Phase Sir facilitated hands-on practical exercises related to the topics discussed in the first session. The workshop was highly interactive, enabling students to deepen their understanding of machine learning and its various types.

Faculty of Architecture

CLEANLINESS DRIVE ON THE OCCASION OF MAHATMA GANDHI JAYANTI

FACULTY OF ARCHITECTURE

On the auspicious occasion of Mahatma Gandhi Jayanti, Yashoda College of Architecture,Satara organized a event on 2nd October 2024, which included a Cleanliness Drive and the Unveiling of Mahatma Gandhi's Photograph. The event was a tribute to the father of the nation, celebrating his values of cleanliness, non-violence, and selfless service. It was conducted in alignment with the ideals of Mahatma Gandhi and the national initiative, "Swachh Bharat Abhiyan. The event began at 9:30 AM with an inaugural speech by the Principal of Yashoda College of Architecture, who emphasized the values Mahatma Gandhi stood for, particularly his emphasis on cleanliness and sustainable living. The Principal highlighted the importance of taking collective action to maintain the cleanliness of our environment. Following the inaugural session, all participants, including students from various batches, faculty members, and administrative staff, assembled with cleaning equipment such as brooms, garbage bags, and gloves.

The cleanliness drive and the unveiling of Mahatma Gandhi's photograph at ABC College of Architecture were meaningful and successful events. The activities not only honored Mahatma Gandhi's legacy but also instilled a sense of civic responsibility among students and staff. The event scerved as a reminder of the power of collective action and reinforced the importance of cleanliness and sustainability in day-to-day life.

WORLD ARCHITECTURE DAY
FACULTY OF ARCHITECTURE

World Architecture Day, celebrated annually on the first Monday of October, serves as a global platform to raise awareness about the crucial role of architecture in shaping the built environment and its impact on communities and the planet. Established by the International Union of Architects (UIA), the day promotes discussions around key issues such as urbanization, sustainability, and the social responsibility of architects. This year's theme emphasized the need for sustainable solutions that address the challenges of climate change and urban growth.

On Monday, 8th October 2024, Yashoda College of Architecture, Satara, celebrated "World Architecture Day" with an insightful program aimed at engaging students, faculty, Alumni and professionals in the field of architecture. The event was marked by the presence of renowned architects, who shared their experiences, knowledge, and perspectives on various architectural themes.Topic: "The Good, The Bad, and The Ugly" Ar. Atharva Gogale captivated the audience with his talk exploring the different facets of architecture, focusing on the successes, failures, and challenges within the profession. His insightful narrative shed light on the evolving nature of architecture and how practitioners navigate its complexities with the insights of his own designs and graphics. Topic: "Blueprints of Beginnings" Ar. Pratik Devi shared his journey of designing structures and spaces, focusing on the foundations of architectural ideation and practice. His presentation emphasized the importance of strong conceptual grounding and the impact of early-stage design decisions. He elaborated on his own designs and pitfalls in the field with the competition projects that his firm worked on. Topic: "Designing with Intention: Where Research, Art, and Sustainability Converge"

After the Sessions, Ar. Vipul Salavankar (Chairman, IIA Satara Center), the chief guest of the event, delivered an inspiring speech addressing the future of architecture and the role of young architects in shaping sustainable urban spaces. His message resonated deeply with the audience, particularly the students. The event concluded with a vote of thanks by Ar. Snehal Shedge, expressing gratitude to the speakers, guests, and organizers for making the event a success.

Faculty of Architecture

DR. APJ ABDUL KALAM JAYANTI
FACULTY OF ARCHITECTURE

Renowned scientist and former President of India, Dr. APJ Abdul Kalam was honored at Yashoda College Of Architecture, Satara on 15nd Oct 2024.

 The program started with a floral tribute to Dr. APJ Abdul Kalam's portrait by the college distinguished faculty members & student's council members. followed by a brief introduction to the life and works of Dr. APJ Abdul Kalam. The speech was delivered by students, from First year Sharvari Kate & from Fifth year Shivanjali Deshmukh, who highlighted Dr. APJ Abdul Kalam's major contributions towards the nation.

SKETCHING COMPETITION
FACULTY OF ARCHITECTURE

The Shrikar Gadre Sketching Competition for architectural students, organized by E-seed at Satara Club, was schedule for first to final year students on 6th October 2024,is a recent initiative aimed at promoting artistic talents, especially in the field of sketching.The competition at Satara. Club provides a platform for students to showcase their sketching talents, contributing to their professional growth and exposure in the architectural community.

This event aimed to encourage architectural students to showcase their talent through sketches, highlighting their creativity in architecture. The faculty coordinators for the sketching competition are Mrs. Aayesha Shinde and Ar. Rakhi Begampure

Faculty of Pharmacy

GUEST LECTURE ON AN OVERVIEW OF PHARMACEUTICAL INDUSTRIES
FACULTY OF ARCHITECTURE

A recent guest lecture, titled "An Overview of Pharmaceutical Industry," attracted significant attention from students and professionals alike. Held at Yashoda College of Pharmacy on 01/10/2024, the lecture featured Mr. Arun G Pawar, a renowned expert in the field, who provided an in-depth analysis of current trends and challenges facing the industry. Overall, the event was a resounding success, sparking meaningful discussions and encouraging participants to explore opportunities within the pharmaceutical sector.The lecture concluded with a Q&A session. The event fostered a deeper understanding and inspired future discussions. Special thanks to Mr. Arun G. Pawar for sharing their expertise, as well as to Founder President of YSPM Prof. Dasharath Sagare and Vice President Ajinkya Sagare for facilitating this informative lecture. During entire session Principal Dr. V.J.Chaware, all Teaching staff and B. Pharm students were present. Student expressed gratitude towards the Management.
