PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each student's a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

Prof. Dasharath Sagare
Founder President
YSPM - YSS, Satara

EDITOR'S DESK

I am pleased to release (59 volume) of YSPM & YSS newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

Kind Regards:
Mr. Somnath N. Kumbhar
System Administrator

Training and Placement

SUCCESSFUL PLACEMENT DRIVES AT YASHODA TECHNICAL CAMPUS, SATARA

THE CAMPUS PLACEMENT DRIVE _VEDANT EQUIPMENTS

Yashoda Technical Campus, Satara has once again proven its commitment to student success by organizing a series of highly successful placement drives. Top companies from diverse industries visited the campus, offering exciting career opportunities to final-year students across various departments. A total of 120 students participated in the placement drives, representing diverse fields such as engineering, business administration, computer science, and more. The drives saw active participation from students, with pre-placement training programs, mock interviews, and skill development workshops organized by the institute to prepare them for the recruitment process.

Recruiters praised the students for their technical knowledge, problem-solving skills, and professionalism. Representatives from The Karad Urban Cooperative Bank Limited, Vedant Equipments, English Bol stated, "The students Yashoda Technical Campus, Satara displayed excellent academic understanding and interpersonal skills, making them strong candidates for our organization." Students expressed their excitement and gratitude for the opportunities provided. The students appeared says "The placement drive was well-organized, and the preparation sessions conducted by the university helped us immensely. We are thrilled to have received an offer from my dream company."

The success of the placement drives is a testament to the quality of education and industry-oriented training at YTC. The placement cell, continues to work closely with leading companies to ensure a bright future for its students.

This year's placement drives have not only brought pride to the institution but also opened new horizons for students, equipping them with the skills and opportunities necessary to thrive in today's competitive job market.

CELEBRATION OF TEACHERS' DAY

FACULTY OF MBA

Teachers' day is celebrated throughout the country on 5th September as a remembrance of Birthday of great teacher, Dr. Sarvepalli Radhakrishnan; second President of India. He was a great academic Philosopher and one of the most well-known diplomats, scholar, President of India and above all a teacher. YSPMs Yashoda Technical Campus, Faculty of MBA, Satara celebrated Teachers Day as a tribute to this great teacher. Students express their gratitude and appreciation for their teachers on this day by taking the responsibility of teaching. Total 18 students participated in teaching. The schedule began from 10 am and the lectures were conducted by students-teachers on the ongoing semester subjects. Teacher judges are appointed at all classrooms. They evaluated all student teacher performance.

In Afternoon Session Teachers Day Celebration was organized. In the function Students felicitated the teachers.

Head of Department Mr. R. D. Mohite with all MBA Staff members and Students of MBA were present. Students were enjoying the day with good memories since the Teachers' Day is a special occasion that honors the contributions and dedication of teachers who shape the minds and futures of students. In many countries, this day is celebrated on various dates to acknowledge the vital role teachers play in society. In India, Teachers' Day is observed on September 5th, marking the birth anniversary of Dr. Sarvepalli Radhakrishnan, a revered scholar, philosopher, and the second President of India. His belief in the value of education and teachers' impact on society remains a guiding principle behind this celebration.

Every Teachers' Day celebration revolves around a particular theme. These themes serve as a foundation for all activities, speeches, and performances, emphasizing the essence of teaching and learning.

Teachers' Day is more than a day of celebration; it's an opportunity to reflect on the profound influence that educators have on individuals and society. Through a thoughtfully planned event, schools and institutions can honor their teachers, reminding them that their work transcends the classroom and leaves a lasting legacy on generations to come.

B. PHARM PARENTS MEET 2024-25

FACULTY OF PHARMACY

The Parents Meet was arranged by Yashoda Technical campus, Faculty of Pharmacy Wadhe Satara. For the parents of S.Y., T.Y. and Final year B.Pharm students on Sunday 29th September 2024 at 11:00 am. The meeting was arranged by online mode. The reason behind

conducting the meeting online is that many parents leave far away from Satara. They can't come to college to attend the parents meet but still they want to know what is happening in the college. So by considering their problem college decide to conduct the parents meet by online mode. The meeting was conducted on Google meet. More than 95 parents were attended the meeting online. The meeting was started by welcome speech of Prof. R.P. Devale. She discusses the agenda of meeting with parents and also gives brief introduction about the college and campus. He also underlined the need of working of parents and teachers hand to hand for betterment of students. The next session was interaction with all Parents in common. It was a nice interactive session.

Finally the give vote of thanks was given by Prof. R.P. Devale & parents were asked to give their feedback about this meeting by filling the online feedback form. Prof. Devale R.P.Devale made the necessary arrangement for smooth conduct of the parents meet. She looked after every aspects related to the same. President Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare & Principal Dr. V.K. Redasani have provided all the necessary facilities and motivated for conduct of this meeting.

Faculty of Pharmacy

WEBINAR ON TOPIC " CAREER SCOPE AFTER B. PHARM "

FACULTY OF PHARMACY

The "YASHOCONNECT-alum's on & on & on..." series organized by Alumni Association of YSPM YTC Satara, is incredibly beneficial for students. It gives them the opportunity to gain insights and knowledge from successful alumni who have walked the same path they're on.

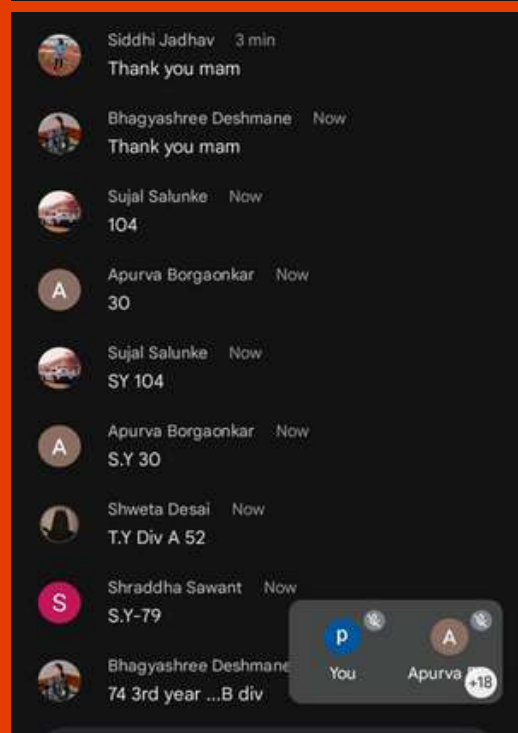

The activity was arranged by Alumni Association with intention that by hearing stories and experiences of successful alumni, students can get inspired, learn valuable lessons, and broaden their horizons. It's a fantastic way to connect students with real-world professionals and provide them with guidance and motivation for their own journeys.

Alumni Association of YSPM's YTC, faculty of Pharmacy, arranged webinar on topic "Career scope after B Pharm" on Sunday, 15th September 2024. The Lecture was delivered by Ms. Mira Tayappa Bansode, Assistant Professor at Late adv. Dadasaheb Chavan Memorial Institute of Pharmacy Malawadi, Karad. Ms. Pooja B Kadam, Assistant Professor and Alumni Association Incharge introduced the program & gave the introduction about speaker.

Ms. Mira Tayappa Bansode is our alumni from B. Pharm batch 2019 & M. Pharm (Pharmacology) batch 2021. Engaging in such extracurricular activities not only fosters personal growth but also develops important soft skills like teamwork, communication, and time management. It provides hands-on experience that complements theoretical knowledge acquired during academic studies, making students more well-rounded and prepared for their future careers in the pharmaceutical sector.

She took so much effort into making webinar beneficial by sharing important insights. Lastly the Q & A session was conducted where she cleared all doubts of students.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy the activity was coordinated by Ms. Pooja B. Kadam & Ms. Sucheta S. Pawar.

Faculty of Pharmacy

SEMINAR ON TOPIC "CLINICAL DATA MANAGEMENT"

FACULTY OF PHARMACY

Alumni Association of YSPM's YTC, faculty of Pharmacy, arranged seminar on topic "Clinical Data Management" on Saturday, 28th September 2024. The Lecture was delivered by Ms. Vaishnavi Veerker, Senior clinical data coordinator, IOVIA. The seminar commenced with Ms. Pooja Kadam, Assistant professor & the alumni in charge, setting the stage by highlighting the significance of the Yashoconnect Series. B Pharm HOD Dr. A. M. Bhagawat instructed the esteemed alumni speaker and also encouraged students to embrace the wisdom shared by her.

She not only covered technical aspects but also emphasized the significance of soft skills development. She highlighted the importance of English fluency and the need for enhancing presentation skills. By addressing these essential skills, Ms. Veerker provided students with a well-rounded understanding of the requirements for success in the field of clinical data management. Her insights into these areas undoubtedly added depth to the seminar, equipping attendees with a comprehensive skill set necessary for professional growth and advancement. The interactive session concluded with a question and answer segment where students had the opportunity to clarify their doubts. Ms. Veerker also emphasized the importance of keeping all educational documents ready, providing a holistic approach to the seminar. Overall, the Yashoconnect Series 2, led by Ms. Vaishnavi Veerker, proved to be a valuable platform for students to gain insights into the field of clinical data management and its prospects in the market.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy the activity was coordinated by Prof. Pooja B. Kadam & Prof. Sucheta S. Pawar.

TEACHER'S DAY CELEBRATION AT YASHODA TECHNICAL CAMPUS, MCA DEPARTMENT FACULTY OF MCA

The MCA Department of Yashoda Technical Campus celebrated Teacher's Day on 5th September to honor the invaluable contributions of their teachers. In India, this day is celebrated as a tribute to Dr. Sarvapalli Radhakrishnan, an eminent teacher, scholar, and former President of India.

The classroom was beautifully decorated by the students, who warmly welcomed the faculty members. As a gesture of appreciation, each teacher was presented with a gift to acknowledge their dedication and efforts toward the students' growth and development. The celebration was filled with excitement, embodying the spirit of the occasion.

The Head of the Department, Dr. S.P. Patil, along with all the faculty members, shared their thoughts, expressing

gratitude and appreciation for the heartfelt gesture. The event concluded with a cake-cutting ceremony, making the day memorable for everyone. The celebration was a success, leaving both students and teachers with cherished memories.

TREE PLANTATION EVENT ORGANIZED AT YASHODA TECHNICAL CAMPUS, SATARA

FACULTY OF MCA

On 24th August 2024, the Faculty of MCA at Yashoda Technical Campus, Satara, organized a "Tree Plantation" event in the campus garden. The event was attended by Director Dr. V.K. Redasani, MCA Head Dr. Smita Patil, faculty members, and students. The significance of tree plantation was highlighted, noting how trees provide oxygen, improve air quality, conserve

water, preserve soil, and support wildlife. Planting trees is essential for reducing pollution and ensuring a healthier environment for future generations.

The event was a successful step toward environmental conservation, promoting awareness among students about the importance of protecting nature and contributing to a greener, pollution-free world.

Faculty of MCA

ALUMNI MEET

FACULTY OF MCA

The Faculty of MCA at Yashoda Technical Campus, Satara, organized an Alumni Meet – 2024 for batches from 2014 onwards to reconnect with former students and celebrate their achievements. The alumni arrived at 10:30 a.m. and were welcomed by the registration team. The event began with a warm welcome address by Dr. Smita Patil, Head of the MCA Department, and was graced by Director Dr. V.K. Redasani.

Alumni member Mrs. Rohinee Lokhande shared her experiences, followed by an engaging interaction session where alumni discussed current trends in programming languages, certifications, open-source software development, and entrepreneurship. They also provided motivational talks to students about higher studies and placements. Students actively participated, asking questions about placements, which the alumni addressed. The program concluded with a vote of thanks by Prof. Khandagale, expressing gratitude to alumni, management, and faculty. The event ended with a tree plantation drive and a lunch organized for all attendees, making the day memorable.

WORKSHOP ON ADVANCE JAVA

FACULTY OF CSE ENGINEERING

A workshop on Advanced Java was conducted at YTC for the Department of Computer Science and Engineering on 21st Sept 2024 to 23rd Sept 2024. The event aimed to enhance participants' understanding of advanced concepts in Java programming and its applications in real-world scenarios.

The workshop saw participation from approximately 100 Students of Third Year Computer Science and Engineering, all eager to deepen their knowledge in Java programming.

ISHRAE INDUSTRIAL VISIT

FACULTY OF MECHANICAL ENGINEERING

Prof. S. K. Raut, Assistant Professor in Mechanical Engineering and ISHRAE Coordinator visited Copland-Karad, Copland- Atit & Ajinkya Sales and Services Satara along with other members of ISHRAE Kolhapur Chapter to understand the applications of HVAC in industries.

AVISHKAR 2025 MEETING OF DBATU

FACULTY OF MECHANICAL ENGINEERING

Dr. T. R. Shinde, Associate Professor and Head of the Department of Mechanical Engineering and Institute Avishkar Coordinator attended Avishkar 2025 meeting at Chh. Sambhajinagar on September 13th and 14th as a part of Annual meeting of Avishkar Coordinators to decide Zonal and University level host institutes.

INDUSTRIAL VISIT OF DEGREE MECHANICAL STUDENTS

FACULTY OF MECHANICAL ENGINEERING

An industrial visit of TY Mechanical students was conducted in State Transport Divisional Workshop Satara as a part Third Year B. Tech. Mechanical Automobile Engineering course to understand the working of automobile engines and its different component. This visit was coordinated by Prof. M. L. Rathod.

GUEST LECTURE FOR DEGREE MECHANICAL STUDENTS

FACULTY OF MECHANICAL ENGINEERING

An online guest lecture on SRPG UG 2024-25 & HVAC&R Hackathon was carried out for SY, TY and Final Year Mechanical students under YTC-ISHRAE student chapter by Prof. Avesh Husseney, President Elect- ISHRAE Kolhapur Chapter on September 11th 2024. Prof. Husseney introduced our students regarding different activities carried out by ISHRAE for students. This lecture was coordinated by Prof. S. K. Raut.

ENGINEER'S DAY CELEBRATION" UNDER CESA

FACULTY OF CIVIL ENGINEERING

Address: NH-4, S. No. 242/1, VN Rd, Wadhe
415015
WGS84: 17°43'18.06"N 74°1'14.47"E

Yashoda Technical Campus, Department of Civil Engineering in association with Civil Engineering Students Association (CESA) with the Institutions Innovation Council (IIC) has successfully organized, proudly celebrated Engineers' Day today 13/09/2024. This event, held in honour of the birth anniversary of the legendary engineer Sir M. Visvesvaraya, highlighted the significant contributions of engineers to society and the nation.

The celebration commenced with an inspiring keynote address by Dr. Vikram S. Patil, Principal of Faculty of Engineering, Yashoda Technical Campus, who emphasized the pivotal role of engineers in driving technological advancements and fostering innovation. He encouraged students to follow in the footsteps of Sir M. Visvesvaraya strives for excellence in their respective fields.

The event featured a series of engaging activities, including a technical workshop on "Entrepreneurship and Innovation as Career opportunity " conducted by Er. Shreedhar Inamdar(CEO SI consultants, Karad).The Future of Civil Engineering: Innovations and Sustainability was a highlight of the day, Speaker sharing their insights on emerging trends and sustainable practices in civil engineering.

The event was co-ordinated by Miss. Shweta Students coordinator, Prof. Shaikh Alfaj N. (E&D cell coordinator) and Prof. Vijaya Pawar (CESA coordinator) under the guidance of Principal Dr. Vikram Patil sir and Vice president of IIC cell Dr. S. S. Itraj sir & Head of Civil Engg. Department Dr. A .M. Zende sir.

We express our gratitude to Hon. Founder President Prof. Dasharath Sagare sir, Vice- President Prof. Ajinkya Sagare sir, Director Dr. V. K. Redasani Sir, Registrar Mr. Ganesh Survase sir for support and encouragement to organise such events.

Faculty of Engineering

INDUSTRIAL VISIT

FACULTY OF ELECTRICAL ENGINEERING

Electrical Engineering Department under Yashoda Technical Campus has organized one day Industrial visit for 3rd & Final Year students to "Chandrapur-Padghe HVDC transmission system". During Visit Mr. Sarfraj Ahmed (Senior Engineering) has taken a session to students and guided about what safety measures should be taken before visiting the high voltage electrical equipments, also he has given depth idea about HVDC transmission system. Mr. SAMARJIT SINGH (Asst prof) and Mr. Shivchandra Hindamani (Asst prof) has led the visitor team.

INDUSTRIAL VISIT

FACULTY OF ELECTRICAL ENGINEERING

Department of Electrical Engineering students has organized Freshers and Fairwell event in Yashoda Technical Campus, in sep-2024. During event senior students shared his journey of engineering course in Yashoda Technical Campus. The event was started by speech of Dr. N.M. Jamadar (HOD) and Dr. D.K.

Mahadik (Dean Academic). At this moment all faculty members have given blessings for his bright career.

ALUMNI INTERACTION

FACULTY OF CIVIL ENGINEERING

Yashoda Technical Campus, Department of Civil Engineering has successfully organized Alumni Interaction with SY, TY and Final Year Students on 24/09/2024. The event featured a series of discussion activities, including a practical and professional skill requirement to face future challenges in

Civil Engineering Industry. The session was guided by Ms. Sayali Shankar Desai, (Kirkoskar Industry) She was Alumni of 2021-22 Batch of Civil Engineering. The Future of Civil Engineering: Challenges after post Covid 19 industrial scenario was a highlight of the day. Speaker sharing their insights on practices in civil engineering. We express our gratitude to Hon. Founder President Prof. Dasharath Sagare sir, Vice-President Prof. Ajinkya Sagare sir, Director Dr. V. K. Redasani Sir, Registrar Mr. Ganesh Survase sir for support and encouragement to organize such events.

Faculty of Engineering

ENGINEER'S DAY 2K24 & FRESHERS PARTY

FACULTY OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

Teachers' Day is a special occasion to honor the invaluable contributions of our educators. At AI & DS department, YTC Satara, this day is celebrated with great enthusiasm and respect. Program was organized by student association of AI&DS department i.e. AISA. Program chief guest was Dr. Vikram Patil, Principal YTC, Satar. Various

games was organized for teachers on this occasion. All department teachers were honored and felicitated by student on the eve.

ITEACHER'S DAY 2K24

FACULTY OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

A vibrant and exciting event would have unfolded at Yashoda Technical Campus (YTC) Satara to commemorate both Freshers' Party and Engineers' Day. This combined celebration is a wonderful opportunity to welcome new students, foster a

sense of community, and honor the contributions of engineers. The Freshers' Party would have been a grand event to introduce new students to the YTC community. Games, icebreakers, and cultural performances would have created a fun and welcoming atmosphere. Engineer's Day is a special occasion to honor the invaluable contributions of our Engineers. At AI & DS department, YTC Satara, this day is celebrated with great enthusiasm and respect to all the Engineers.

ONE DAY WORKSHOP ON MACHINE LEARNING

FACULTY OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE ENGINEERING

A one-day workshop on machine learning would have been a valuable experience for the AI&DS (Artificial Intelligence & Data Science) students at Yashoda Technical Campus (YTC) Satara. This event would have provided a hands-on opportunity to learn about the latest techniques and applications in the field.

- Introduction to Machine Learning: Fundamental concepts, algorithms, and supervised/unsupervised learning.
- Python for Machine Learning: Practical programming skills using libraries like TensorFlow, Keras, or Scikit-learn.
- Data Preprocessing and Feature Engineering: Techniques for cleaning, transforming, and preparing data for analysis.
- Model Building and Evaluation: Creating, training, and evaluating machine learning models.
- Case Studies and Applications: Real-world examples of machine learning in various domains (e.g., healthcare, finance, image recognition).

Faculty of Polytechnic

ENGINEER'S DAY CELEBRATION

FACULTY OF POLYTECHNIC

On September 14, Civil Polytechnic Department hosted a vibrant Engineers' Day celebration with a distinguished gathering. The event featured Dr. A. M. Zende, Head of Civil Engineering, as the Guest of Honor, and Er. Manojkumar Pawar, Sectional Engineer at Zilla Parishad Satara, as the Chief Guest. Prof. P. S. Matkar, Head of Civil

Polytechnic, warmly introduced the guests and set the stage for a series of enlightening discussions. Key topics included the legacy of Sir M. Vishweshwaraya, engineering challenges, the government contracting process, and essential precautions for new contractors.

Chief Guest praised the college for its commitment to student development and expressed his satisfaction with the infrastructure and facilities on campus. The event was successfully held by entire department & CESA team. We extend our heartfelt gratitude to the Yashoda Family for their unwavering support, which continues to enhance our educational endeavors.

STATE LEVEL TECHNICAL PAPER PRESENTATION BY MSBTE AT GOVERNMENT POLYTECHNIC, KARAD

FACULTY OF POLYTECHNIC

On September 26, 2024, Mr. Mihir Sankpal and Mr. Omkar Joshi, third-year Civil Diploma students from Yashoda Technical Campus, represented the Civil Polytechnic Department at the prestigious State Level Technical Paper Presentation Competition. The event, organized by MSBTE at Government Polytechnic, Karad, showcased

some of the brightest young minds in the field of engineering.

The duo presented an insightful paper on Drone Technology, emphasizing its applications and innovations in civil engineering. Their presentation garnered attention for its depth and relevance in today's tech-driven landscape.

All faculty members, along with Prof. P. S. Matkar, Head of the Civil Polytechnic Department, and Prof. Pravin Gavade, Principal of Faculty of Polytechnic, Yashoda Technical Campus, extended their heartfelt congratulations to the students for their dedication and exceptional performance. Their success is a testament to the college's commitment to fostering academic excellence and innovation.

Faculty of Polytechnic

4-DAY SKILLING PROGRAM ON "GPS, DRONE, AND 3D TECHNOLOGY FOR CIVIL ENGINEERING." AT RIT, ISLAMPUR

FACULTY OF POLYTECHNIC

We are pleased to announce that two Second-Year Civil students from Faculty of Civil Polytechnic, Mr. Neel Manoj Nikam and Mr. Ranjeet Shankarrao Khade, have successfully completed a 4-day skilling program on "GPS, Drone, and 3D

Technology for Civil Engineering." The program was organized by AICTE-RIT Idea Lab in association with the Department of Civil Engineering Diploma at RIT, Islampur, from 24th September 2024 to 27th September 2024.

All faculty members, along with Prof. P. S. Matkar, Head of the Civil Polytechnic Department, and Prof. Pravin Gavade, Principal of Faculty of Polytechnic, Yashoda Technical Campus, extended their heartfelt congratulations to the students for their dedication and exceptional performance. Their success is a testament to the college's commitment to fostering academic excellence and innovation.

INDUSTRIAL VISIT AT NABL-ACCREDITED CONSTROTRAIT MATERIAL TESTING LAB

FACULTY OF POLYTECHNIC

On 30/09/2024, Monday, 15 students from the Second Year of the Civil Engineering Diploma program visited the NABL-accredited CONSTROTRAIT Material Testing Lab. The visit was organized to provide students with practical insights into material testing methods, modern equipment, and quality control measures under MOU signed between two prestigious organizations.

The students were guided by Mrs. P. K. Jadhav, Faculty Coordinator, and accompanied by Ms. P. A. Dhumal, Lab Assistant. Mr. P. S. Matkar, Head of the Department, supervised the visit. Er. M. G. Gaikwad, the Resource Person at the lab, led the session and demonstrated various testing procedures, enhancing the students' understanding of real-world civil engineering practices.

This visit served as an essential bridge between academic learning and industry application, aligning with the MSBTE curriculum.

Faculty of Polytechnic

TEACHER'S DAY CELEBRATION

FACULTY OF POLYTECHNIC

Department of Mechanical Engineering (Polytechnic) celebrated a Teacher's Day in the Department on 5th September 2024 for the all students of department. Teachers' Day is celebrated annually to honor the contributions of teachers and educators in shaping the future of students. This year, our department organized a vibrant celebration that brought together students, teachers to express gratitude and appreciation. For this activity the chief Guest was Mr. R. S. Khandekar, Head, Department of General Science & Humanities, YTC Satara have shared their valuable thoughts. All Head of Respective department, all the faculties & students of Mechanical Department was present for this activity.

ENGINEER'S DAY CELEBRATION

FACULTY OF POLYTECHNIC

Department of Mechanical Engineering (Polytechnic) celebrated a Engineer's Day in the Department on 14th September 2024 for the all students of department.

Engineers' Day is celebrated to honour the contributions of engineers in building and shaping our modern world. This year, our school organized an engaging event to recognize the achievements of engineers and inspire students to pursue careers in engineering.

Activities Overview

The celebration commenced at 11:30 AM onwards and featured a variety of activities designed to educate and entertain students while celebrating the engineering profession.

On the occasion of engineer's day department has arranged the different technical events like Junk Yard and CAD Master. This activity was coordinated by Mr. Y. J. Potdar. The Engineers' Day celebration was a great success, providing a platform for students to appreciate the field of engineering. The event not only celebrated engineers' contributions but also inspired the next generation to think critically and innovate.

Faculty of Polytechnic

INDUSTRIAL VISIT AT " RADHA KRISHNA COLD STORAGE & UTKARSH TRANSMISSION PVT LTD. SATARA

FACULTY OF POLYTECHNIC

Department of Mechanical Engineering (Polytechnic) conducted industrial visit at Radha Krishna Cold Storage and Utkarsh Transmission Pvt Ltd Satara on 20th September 2024 for the all students of department. An industrial visit was organized for Mechanical engineering department students to provide practical insights into the manufacturing processes and operations of a real-world facility. The visit aimed to bridge the gap between theoretical

knowledge and industry practice.

Objectives

- To observe the manufacturing processes in action.
- To understand the application of engineering principles in an industrial setting.
- To interact with industry professionals and gain insights into career opportunities.

The industrial visit was a valuable experience that provided students with firsthand knowledge of manufacturing operations. The insights gained will enhance their understanding of engineering applications in the real world.

PARENT MEETING

FACULTY OF POLYTECHNIC

The Parent-Teacher Meeting (PTM) was held to foster communication between parents and teachers, providing an opportunity to discuss student progress, department policies, and collaborative efforts to enhance the educational experience.

Objectives

- To update parents on their students academic performance and behavior.
- To discuss department initiatives and upcoming events.
- To strengthen the partnership between parents and the department community.

Meeting Overview

The meeting commenced at 11:00 AM and lasted until 12:00 PM, with a turnout of approximately 75% of parents. The Parent-Teacher Meeting was a constructive platform for discussing student progress and strengthening the department community. The active participation of parents demonstrated their commitment to their students education.

Faculty of Polytechnic

TEACHER'S DAY CELEBRATION

FACULTY OF POLYTECHNIC

On 5th September 2024, the Civil Polytechnic Department of Yashoda Technical Campus, Satara, celebrated Teachers' Day under the banner of the Civil Engineering Students Association (CESA). A total of 29 students from Second Year (SY) and Third Year (TY) participated, along with all the faculty members from the department. The celebration included performances, speeches, and a heartfelt tribute to Dr. Sarvepalli Radhakrishnan.

Prof. P. S. Matkar, Head of the Civil Polytechnic Department, addressed the gathering, expressing gratitude to the faculty and emphasizing the importance of Teachers' Day. The event, organized by CESA, was a memorable occasion, strengthening the bond between students and teachers.

STUDENT FELICITATION BY BUILDER'S ASSOCIATION OF INDIA-SATARA CENTRE

FACULTY OF POLYTECHNIC

We are proud to announce that three students from the Civil Polytechnic Department of Yashoda Technical Campus, Satara, have been honoured by the Builder's Association of India, Satara Centre, for their outstanding academic performance:

- Mr. Neel Nikam – First Year
- Ms. Bhagyashri Gosavi – Second Year
- Ms. Pooja Dudhane – Third Year

Their dedication and hard work have been recognized by this prestigious association. Prof. P. S. Matkar, Head of the Civil Polytechnic Department, and our respected Principal, Prof. Pravin Gavade, congratulate the students on this remarkable achievement and wish them continued success in their academic journey.

Faculty of Polytechnic

THE ROLE OF ARTIFICIAL INTELLIGENCE IN IOT AND SEMICONDUCTOR TECHNOLOGIES

FACULTY OF POLYTECHNIC

On 23rd September 2024, the Department of Electronics and Computer Engineering organized an insightful international online seminar focused on Artificial Intelligence in IoT and Semiconductor Technologies. Held from 11:00 AM to 1:30 PM, the event featured Mr. Praveen Hanchinal, a renowned speaker and expert in AI, ML, Cloud, Big Data, and IoT. Many students from the SY-AN department participated in the seminar, eager to explore the expanding impact of AI, ML, and IoT in the semiconductor field and their practical applications. Mr. Hanchinal's session provided valuable insights into how AI is revolutionizing everyday life through automation, offering students practical knowledge, and highlighting emerging career opportunities in these fields.

This seminar provided students with a deeper understanding of AI and IoT technologies, especially in the context of semiconductor innovations. The knowledge gained will play a significant role in shaping their academic and professional growth in these cutting-edge fields.

ENGINEERS DAY

FACULTY OF POLYTECHNIC

On 14th September 2024, the Departments of AN, IF, and CO at Polytechnic organized a vibrant celebration in honor of Engineers' Day. The event featured a Technical Quiz competition and a Technical Rangoli competition, attracting enthusiastic participation from students across various departments.

The event was graced by the presence of the honorable chief guest, Mrs. Samiksha Nikam, who addressed the gathering and inspired the students with her words of wisdom. The culmination of the event was the prize distribution ceremony, led by the respected Principal of the Polytechnic, Prof. P.P. Gavade, who acknowledged the hard work and innovation displayed by the participants.

This Engineers' Day celebration not only encouraged academic excellence but also promoted a sense of collaboration and creativity among students. The success of the event was a testament to the unity and enthusiasm of the Polytechnic community in celebrating the contributions of engineers to society.

Faculty of Polytechnic

ENGINEER'S DAY

FACULTY OF POLYTECHNIC

The Electrical Department, Faculty of Polytechnic, YTC satara, celebrate Engineers day on the occasion of Birth Anniversary of India's most prominent engineer Dr.Mokshagundam Vishweshvaraya in the remembrance of their remarkable works in engineering field." We were fortunate to have our chief guest as Associate Manager Mr. Kishor Podtar, (Embtech Consumer Electronics & Software, Reasearch Development Team). The guest for the program were felicitated by Principal sir Mr. Gavade P. P (Faculty of Polytechnic). The program was organized by Electrical Engineer Students Association (EESA).

STUDENT DEVELOPMENT PROGRAM

FACULTY OF POLYTECHNIC

TEACHER'S DAY CELEBRATION

FACULTY OF POLYTECHNIC

The Department of Electrical, Faculty of Polytechnic, YTC satara celebrates Teacher's Day with great enthusiasm and appreciation on 5th of September 2024. The program was organized by TY students under guidance of (EESA). Students took the initiative to plan and execute the entire event. They coordinated various activities, showcasing their respect and admiration for their teachers. TY students Namrata Mane, Shreya Kadam, Vaishnavi Pangare taught Subjects as EMW, EEM, ECN to SY students. Selected students delivered heartfelt speeches reflecting on the invaluable lessons learned from their teachers.

The Electrical Department, Faculty of Polytechnic, YTC satara, celebrate Engineers day on the occasion of Birth Anniversary of India's most prominent engineer Dr.Mokshagundam Vishweshvaraya in the remembrance of their remarkable works in engineering field." We were fortunate to have our chief guest as Associate Manager Mr. Kishor Podtar, (Embtech Consumer Electronics & Software, Reasearch Development Team). The guest for the program were felicitated by Principal sir Mr. Gavade P. P (Faculty of Polytechnic). The program was organized by Electrical Engineer Students Association (EESA). This program provided students with valuable practical experience in a growing field. The program equipped them with the skills needed to contribute to energy-efficient lighting solutions, making them more competitive in the job market and more knowledgeable about sustainable

SKILL DEVELOPMENT PROGRAM

FACULTY OF POLYTECHNIC

Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara organized Skill Development Program, on 25/09/2024 at the Mechanical Seminar Hall, YTC, Satara. In this program Mr. Binish Kumar, State head of Maharashtra & Goa, All Society for Electronic & Computer Technology (AISECT), Bhopal. Mr. Amit - State Placement Coordinator, (AISECT), Mr. Vitthal Rathod, Business Development Executive (AISECT) & Mr. Rakesh Kamble, Consultant member, Yashoda Shikshan Prasarak Mandal, Satara and Principal Prof. P. P. Gavade (Faculty of Polytechnic), Prof. R. S. Khandekar (HOD, General Science and Humanities), and all teaching staff and students were present during the event. Principal Prof. P. P. Gavade sir guided the students, urging them to be confident in their missions and to refine their skills to meet global industrial demands. Eventually, the event was ended with the vote of thanks by the Prof. Basugade R. H.

ENGINEERS DAY

FACULTY OF POLYTECHNIC

On the occasion of Engineers Day, the Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara celebrated "Engineers Day" on 14/09/2024. Department honoured the contributions of engineers to national development and recognized the legacy of Sir Mokshagundam Visvesvaraya. Principal Prof. P. P. Gavade (Faculty of Polytechnic), event Judge Dr. N. M. Jamadar (HOD, Electrical Engineering), Prof. R. S. Khandekar (HOD, General Science), all teaching staff and students were present during the event. Students showcased their talents through impressive model presentations, with those delivering exceptional performances receiving attractive prizes. Participants demonstrated and elaborated their models and defended questions asked by judge. At the end, winners were declared and the event were ended with the vote of thanks by Prof. R. V. Bhosale.

TEACHERS DAY

FACULTY OF POLYTECHNIC

Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara organized a "Teachers Day", on 05/09/2024 at the Yellow Seminar Hall, YTC, Satara.

The event was celebrated on the remembrance of birthday of Dr. Sarvepalli Radhakrishnan, a great teacher, scholar, and the second President of India. On this occasion, all head of departments were present along with the faculties and 1st year students. Eventually, the event was ended with the vote of thanks by Ms. Rananavare R. S.

INDUCTION PROGRAM- 2024

FACULTY OF POLYTECHNIC

Faculty of Polytechnic organized the Induction Program 'Arambha' 2024 for the students newly admitted students of First and Direct Second Year in Diploma Engineering at Yashoda Technical Campus, Satara. Dr. Dinkar Patil, a former Director of Education, Maharashtra State, was present as the chief guest and guide in this program. While addressing as a chief guest, he expressed his satisfaction with the educational facilities at Yashoda Technical Campus. Speaking on the occasion, he further said that along with parents and teachers, educational institutions play a very important role in the development of students.

The President of the program, Prof. Dasharath Sagare guided the students on the key to a successful life and the mantra of success in engineering. Few parents expressed their views on the said programs and facilities of the institute where they feel proud to be their students admitted. Students who have gone through the centralized admission process shared their views about the admission process and why they have chosen YTC, Satara. Students with excellent marks in their 10th standard were also felicitated in the event.

On this occasion the Director of Yashoda Technical Campus Dr. V. K. Redasani, Principal Prof. P. P. Gavade, Faculty of Polytechnic, Technical Campus Asso. Director Prof. R. D. Mohite were also present at the event and guided the students. The event was ended with the vote of thanks by the Prof. R. S. Khandekar.

Faculty of Pharmacy

WORLD PHARMACIST'S DAY CELEBRATION

FACULTY OF PHARMACY

World Pharmacists Day is celebrated annually on September 25th to recognize the vital role of pharmacists play in healthcare. The Pharmacist Day celebration featured engaging poster-making and reel-making activities aimed at highlighting the vital role of pharmacists in

healthcare. Participants created vibrant posters showcasing themes like Career scope after pharmacy, Different techniques of pharmaceutical Analysis and Roles and responsibilities of different departments in a Pharmaceutical Industry, while the reel-making competition focused on creative storytelling about Branded Medicines, Generic Medicines, Prescription medicines, OTC Medicines and Good Laboratory Practices and General Awareness. Overall, the event successfully blended creativity with education, emphasizing the ultimate importance of pharmacy in public health.

B PHARMACY TRADITION OF EXCELLENT RESULTS CONTINUES

FACULTY OF PHARMACY

Yashoda College of Pharmacy, B Pharmacy department run by Yashoda Shikshan Prasarak Mandal has maintained the tradition of excellent results. Students of Yashoda College of Pharmacy achieved brilliant success in the first year examinations of the Degree Course of Dr.

Babasaheb Ambedkar University Raigad Lonere. The students Sakshi Jadhav(SGPA-8.62), Shivani Ingwale(SGPA-8.52) Mrudula Dhamal(SGPA-8.31) Anuja Chavan(SGPA-8.28) Omkar Mardhekar(SGPA-8.14)& Ayush Patne(SGPA-8.14) stood first, second, third, fourth & fifth respectively at our college. Founder President Prof. Dashrath Sagare, Vice President Prof. Ajinkya Sagare, Principal Dr. Chaware, Director, Registrar congratulated the teachers and students and wished them all the best.

TEACHER'S DAY CELEBRATION AT YASHODA COLLEGE OF PHARMACY

FACULTY OF PHARMACY

On September 5, 2024, Yashoda Shikshan Prasarak Mandal's, Yashoda College of Pharmacy, Satara celebrated Teacher's Day with great enthusiasm and reverence. It is celebrated to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan, the second President of India and a great

scholar. Teachers' Day is an important occasion for all educational institutions and honours the hard work and teachings of all the respected teachers. It is a day filled with lots of excitement and celebrations for the college followed by a teacher's day speech. Various programs and functions are organized by the students in honour of the teachers. On this occasion our Founder president Prof. Dashrath sagare guided us and also Dr. Redasani V. K. Dr. Chaware V.J guided us and gives wishes to all.
