YSPM's Yashoda Technical Campus, Satara

President's Desk

*Today's reader
can be a tomorrow's
leader !*

Prof. Dasharath Sagare

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to import value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

**Prof. Dasharath Sagare
Founder President**

Editor's Desk

I am pleased to release (39 volume) of YSPM newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

**Kind Regards:
Mr. Somnath N Kumbhar

YSPM's Yashoda Technical Campus, Satara

A study tour to Sydney by Director Dr. V. K. Redasani

Yashoda Institutes, Satara is desirous to provide the world-class research and education to benefit the society on a local, regional, national and international scale. Campus Director and principal Pharmacy Dr. Vivekkumar Redasani has visited to Sydney, Australia for one week Study tour as part of EDUCON 2022 organized by Sakal Media Group. During this visit he has visited to various universities like UNSW, University of Sydney and Macquarie University. Along with this, he has also interacted with the TAFE, Sustainable Communities and Waste Hub, Sydney Start up Hub, Nanotechnology department, Incubation center. The infrastructural facilities, library and instruments equipments are studied and the process is understood. The practical and hands on experience is also outstanding. During this he also met with various government officials of Sydney for discussion on collaborative work. UNSW Sydney is one of the most distinguished schools and is a unique and historic institution, with many strategic programs and partnerships in place to drive positive health, economic, social and cultural outcomes locally and globally.

This study tour will open new avenues in terms of faculty and students exchange. Also, it will be further helpful to have joint research with campus. Since Yashoda Institutes believe in inculcating the Community outreach and boosting the International connect to develop the best possible learning environment at our campus, his tour will be the beginning of a step ahead

Founder President Prof. Dasharath Sagare and Vice-President Prof. Ajinkya Sagare has inspired and motivated to represent the Campus at global level by providing all the necessary facilities.

ICEBREAKERS EVENT BY YASHODA COLLEGE OF ARCHITECTURE

Aim: To inculcate the various activities of the institution and help them build bonds with other students, faculty members & expose them to a sense of larger purpose & self-exploration.

Objectives: To conduct different types of educational and non-educational activities and fun games for all first-year students with the participation of all-year students

Introduction:

The YSPM educational organization every year arranges an Icebreakers event for YCA all-year students. This year's event was conducted for three days and 2 activities per day from 05th December to **07th December 2022**.

It helps to create a relaxed environment where students share ideas and participate more fully in class. It encourages students to share ownership of the learning environment of the class and helps build rapport among students and fosters a productive learning environment.

Description:

Day 1: Activity: Stone Painting and Fun Game: Action Passing

First, to fourth-year students were equally divided into groups of five to conduct this activity. All groups were given 4 numbers of stones and different colors to paint stones. The concept for painting was Mandala art and using their creativity they have to paint those stones

Day 2: Activity: Two dimensional to three dimensional and Draw on my back challenge

For this activity First to fourth-year students were equally divided into five groups. Each group was given a tinted paper sheet the task was to develop form i.e. Cube and cuboid and make a composition out of it. Also, all groups are needed to make a Maximum number of cubes

Day 3: Treasure hunt

For this activity First to fourth-year students were equally divided into four groups. The task for each group was to search for four hidden clues and at the end complete the image of a monument by solving a puzzle.

The faculty Ar. Renuka Raut and Ar. Priyanka Patil co-ordinated the event.

Visit to Kalakari 2022

Aim: To enhance artistic skills and understand new tools and techniques of art, pottery, sculpture.

Objectives: To interact with skilled professional artists. To understand basic elements of art and experiencing it live.

Introduction: The cultural and art sector of Satara has been expanding for the last few years. But artists from both fields will find it rare to come together on the same stage. KALAKARI 2022 has been organized by Bharti Foundation in Satara with the concept of bringing cultural and art artists on the same stage.

Visit of Students of YSPM's Yashoda College of architecture was planned to KALAKARI 2022 on 18 December 2022 at morning 9:00 PM accompanied by faculty Ar. Renuka Raut mam and Ar. Gautam Bhurke sir.

Description:

Students and faculty one by one started going through all artist's work. All artists were working live in front of all people. Like live painting and sketching, Calligraphy, portrait painting of person, Pottery making, Sculpture making, live concert by singers and musicians.

Participation in slideshow and interaction session By Architect 'Ar. Hiren Patel'

The Indian Institute of Architects, Satara centre conducts various programs and activities for Architects, students, and people of Satara. So as part of this, the slideshow and interactive session Of the eminent Architects 'Hiren Patel' of HPA design studio from Ahmedabad was arranged on **Saturday 10th dec2022** at Fern Residency Satara.

The program started with the National Anthem and lighting of lamp ceremony with the hands of eminent Architects Hiren Patel from Ahemdabad, The chapter chairman Ar Suhas Talekar, Vice president Ar. Vipul Salvankar, Secretary Ar. Anirudha Joshi, Ar Yayati Tapale, and renowned architects of Satara Ar. Mahendra Chavan and Shri Atul Devi from devi lights, Shri Aalok malu from vinay lights along with their team.

The Ar. Suhas Talekar chapter chairman welcome all with his welcome note and gave a brief about the chapter activities to be conducted in the coming year. The Architect Hiren patel was facilitated with the hands of Ar. Mahendra Chavan. Ar. Suhas talekar facilitated Shri Atul Devi. The Program sponsorer 'Vinay electronics ' gave a brief introduction about their product and company. Which added information about current market traits to young architects and students. Ar. Vpul salvankar was facilitated by Ar Yayati Tapale for his achievement in table tennis sport held at Bangladesh.

The Hiren Patel Architect from the Ahemdabad-based HPA architectural firm, since 1985 works in interior, landscape, and green building consultation. His works is published in many well-known architectural magazines and blogs. Most of his works evolve around residential architecture which presents itself as the forte of the firm. His famous projects are the courtyard house, The garden house, The urbane house, the brick house, and the frill house, etc. In the slideshow the gave glimpses of his work and share his working experience during his work.

The slideshow was a motivation to young architects as well as other architects and our students. The architects from Karad, Satara, Sangli, and Kolhapur and students of various colleges attended the program. The students of Yashoda college of architecture attended the program also they co-ordinated the program as well. The faculty of Yashoda college of architecture who are members of IIA also attended the program. The program was concluded with a vote of thanks given by Ar. Anirudh Joshi.

Our students interacted with Ar. Hiren patel . They discussed about the his projects and project he shown.

YSPM's Yashoda College of Architecture, Satara

Childrens day and Christmas's celebration

Childrens day and Christmas's celebration at Yashoda Public School, Satara

Aim: To understand importance of Children's Day and Christmas day and use their art and craft skills to give additional knowledge to students younger than them.

Objectives: To teach students of school new craft elements and enhance their artistic skills.

Introduction:

November 14 is celebrated as Children's Day or Bal Diwas every year in India. The special day is celebrated in remembrance of India's first Prime Minister Jawahar Lal Nehru, born on November 14, 1889, he was also known as Pandit Nehru. Nehru, who was fondly called Chacha Nehru or simply Chachaji, was very popular amongst children for his love. November 14 marks Nehru's devotion to welfare, education and development of children and young people. A day marking childhood and to make this event a memorable for children Students of Yspm's Yashoda college of architecture arranged a program for children of Yashoda Public School. Christmas Day 2022: It is celebrated across the World on 25 December to remember the birth of Jesus Christ, the son of God.

Christmas Day 2022: It is celebrated on 25 December across the world annually with full of enthusiasm. Read below for the history, significance, and celebration of the day. The day reminds the birth of Jesus Christ, the son of God.

Christmas festival is the time when family, friends, and relatives come together and celebrate with full of joy. Children are mostly excited due to the gifts they receive from Santa Claus. Therefore, we can say that in the Christmas celebration there is a mythical figure named Santa Claus that plays an important role.

Description: On 16 December 2022 at 1:00pm program was planned at Yashoda public school. For this YCA students planned art and craft related activity which they will be teaching to a children's. Third and fourth standard class students participated in this activity. Students were gathered at seminar hall then all students were divided into four groups. Activity for each group was to make paper fans of different colours and using those fans they were supposed to make peacock on notice board also each children hand print cut will be pinned to that board with peacock.

Faculty of MBA

Yashoda Institutes Organizes 'The MBA-Alumnus Day' 2022

The Alumnus Day 2022 was celebrated in Yashoda Technical Campus, Faculty of MBA. The alumni consisted of individuals working in corporate companies in India and few budding entrepreneurs attended the alumni meet. Alumni meet allows sharing the memories of college life and also provides networking opportunities to connect recent graduates with the established corporates and also assist in making the career changes.

The YTC-MBA Alumnus who are presently working in IIFL, XL Dynamics, HCL, HDFC, Barclays and such reputed multinational companies made the students to understand the organization culture and the working environment.

The faculties and alumni representatives inaugurated the event by lightening the lamp and saraswati poojan. YTC-MBA ensures remaining connected with its students even once they graduate. The institute has been conducting annual get-together for the alumni of its MBA Programme. However, this time, an alumni meet was conducted for the participants of an MBA Batch 2017-19, 2018-20, 2019-21, 2020-21 & 2021-22, wherein over 35+ alumni came together to relive and recreate their memories.

HOD-MBA in his address, noted that, 'Yashoda is a Family', and we consider each stakeholder's contribution to the institute of utmost and equal importance. You, being an alumnus, play a substantial role in this.

The current batch of MBA program got a chance to interact with the alumni at the 'Interaction and panel discussion session'. The alumni shared their valuable experiences about the changing trends in the business world, how the companies are hiring these days, about the career opportunities and necessary certification courses to gain the expertise in the different fields. In the panel discussion the alumni clarified doubts of the students in terms of the placements and start-up of new ventures and entrepreneurship.

The panel discussion was followed by the delicious lunch and then Management Games and Cultural programs were organized wherein the alumni and existing students participated with full of enthusiasm. The alumni feedback was also taken and recorded for the future; the positive alumni feedback raises the awareness of the institute among the society.

The event received best wishes form the President-Prof. Dasharath Sagare, Vice-President Prof. Ajinkya Sagare, Director and Registrar. Faculties including Prof. R. D. Mohite (HOD-MBA) Dr. R. R. Chavan, Dr. S. A. Bhosale, Prof. M. V. Landge, TPO Tushar Shende graced the event. The event was coordinated by Prof. P. R. Patil.

The alumni also shared their delight in coming to the campus on this occasion.

Faculty of MBA

Industrial / Study Visits

An industrial visit has its own importance in a career of MBA students who is pursuing a professional degree. It is considered as a part of college curriculum, mainly seen in MBA courses. Students visit companies and get insight regarding the internal & actual working environment of a company & how it functions. Such visits also impart useful information related to the practical aspects of the educational course which cannot be visualized in lectures.

The Faculty of MBA organized Industrial Visit to Spark Engineering Pvt. Ltd. Satara MIDC, Satara on Saturday, December 16, 2022, Mr. Tushar Shinde directed MBA Students about the Operations of the company. He also guided our students about how the levels of Management are distinct in terms of their Responsibilities and authorities. The curriculum of Shivaji University Kolhapur has involved the Indian Ethos and Management Concepts as a subject for study for which this industrial visit was organized.

An objective of the industrial visit is to provide students an insight regarding the internal working of companies. We know theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, the industrial visit provides the student a practical perspective on the world of work. It provides students with an opportunity to learn practically through interaction, working methods and employment practices. Under the valuable guidance of Mr. Tushar Shinde students practically acknowledged with various production methods applied in the industry. Students clearly obtained knowledge about authority and responsibility of various levels of management

Students were informed about pay for performance plans implemented in the industry. Students were informed about various motivational criterions implemented in the industry. The Visit was coordinated by Prof. M. V. Landgae and Prof. P. R. Patil

Faculty of MBA

Interactive Session on 'Overseas Education in Business Management'

The Faculty of MBA organized Interactive Session on 'Overseas Education of Business Management' on, December 15, 2022, with Sarswati Balayar (MBA, Germany). In her guidance to students of MBA she said "The all-round development that MBA students undergo during their time at the Program makes them a highly attractive proposition for employers" With so many possible career options after an MBA, it can be a bit overwhelming for students to narrow down on their ideal role. It was an informative and fruitful discussion that students had with the Saraswati.

More industry-oriented specialized programs: Increasingly, recruiters will demand better alignment between b-school curriculum and their job requirements. Super-specialized management qualifications will progressively become more crucial! Hence, industry-specific specialized programmes will increase, for instance in areas such as, insurance and mutual funds, healthcare management, business analytics etc. she added.

Faculty of MBA

B-School Quiz by Business Standard India

A Quiz Competition was conducted by Business Standard at Yashoda Institute's- Faculty of MBA. All the first year and second year students of MBA participated in the quiz competition. The quiz questions were designed to check the habit of reading among students. It encouraged students to stay updated on the world of business.

Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills at an early age, quizzes redefine the education system in significant ways.

These types of quiz help the students to examine their knowledge about the business environment where they have to enter in as a Business Manager or Entrepreneur. These types of Quiz will be regularly organized to update the aspiring managers. During this event the Faculty of MBA appealed all the students to take these opportunities and update themselves in the changing business era.

The B-Quiz was coordinated by Dr. R. R. Chavan and was supervised by all the Faculty members including Dr. S. A. Bhosale, Prof. M. V. Landage & Prof. P. R. Patil.

Results of the B-Quiz Contest

Rank	Name	Grade
Rank I	Kumbhar Somnath (MBA-I)	9.2
Rank II	Yadav Pratiksha (MBA-II)	8.8
Rank III	Gaikwad Ashwini (MBA-II)	8.8

Expert Session

Introduction to Stock Exchanges and Live Trading Session

The students of MBA are the future budding managers; they have to run the business efficiently. In order to obtain detailed knowledge about upcoming 21st century challenges and also to face the challenges regarding investment opportunities the interactive session of Hon. Karpe of Girisha Wealth Maker Pvt. Ltd. was organized.

He explained in details about various investment opportunities and how to grow financially through

investment in the financial sector. How stock exchanges works, what are the indexes of various stock exchanges and other important functions of it.

He also discussed about following topics very effectively. Investment Opportunities in developing country like INDIA, He explained meaning of Investment opportunity as, Investment opportunity means “anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation.” He explained ten important Investment opportunities as follows.

Some of the above investments are fixed-income while others are market-linked. Both fixed-income and market-linked investments have a role to play in the process of wealth creation. While market-linked investments help in navigating the volatility and in the process generate high real return, the fixed income investments help in preserving the accumulated wealth so as to meet the desired goal. For long-term goals, it is important to make the best use of both worlds. Have a judicious mix investment keeping risk, taxation and time horizon in mind.

Faculty of MCA

Student Development Program

MCA department had organized the Student Development Program on 19, 20, 21 December 2022. The overall session is related on basic concepts of HTML, PHP, MySQL and Bootstrap etc.

Objectives

- To increase the General Knowledge of the student in terms of the happenings in the outside world.
- To make them aware of the current market need/requirement.
- To enhance their skills required for higher education and research
- To bridge the gap between the theory and practical knowledge

Eminent Speaker: Mr. Ajinkya More (ICS Technology)

1st day of SDP: On 1st day of SDP sir has elaborated the concepts of all HTML, PHP and Bootstrap. Sir has given the basics of programming language then he continued with the HTML language and its tags. Then sir has given the difference between HTML 4 and HTML 5 what kinds of tags are different in both and its usages.

2nd day of SDP: on 2nd day More sir has given the basic knowledge of Bootstrap it is the most popular HTML, CSS, and JavaScript framework for developing responsive, mobile-first websites. Then sir has elaborated the usage of Bootstrap the main functionality of bootstrap is to make a responsive website.

Points Discussed by sir are as follows:

- Bootstrap is a free front-end framework for faster and easier web development
- Bootstrap includes HTML and CSS based design templates for typography, forms, buttons, tables, navigation, modals, image carousels and many other, as well as optional JavaScript plugins
- Bootstrap also gives you the ability to easily create responsive designs.

Then sir has given the conceptual knowledge on PHP it is the Open Source Language. Then after he has given the functions in PHP and sir has also elaborated the Form handling mechanism in PHP.

3rd day of SDP: On 3rd day sir has explained the mechanism of database connectivity. The connectivity concept was thoroughly given by the hands on session in that sir has individually taken efforts upon each student and his or her queries.

At last the program was concluded by given vote of thanks to Mr. Ajinkya More Sir. Every student were enriched with a lot of knowledge about the PHP, MySQL and bootstrap.

Faculty of MCA

Rangoli Competition and Poster Presentation

MCA department has organized Poster Presentation and Rangoli competition for students of MCA I and MCA II. The program was organized so that students will be exposed to various technologies and would be able to put their imagination into art. The purpose of the program was completely fulfilled by students. The program was organized at MCA Department on 30th December 2022. Total 18 groups participated in the competition.

The prize distribution was later done by our Chief Guests during Fresher Day Celebration by Mr. Gaurav Nikam Sir and Mrs. Gulnar Sayyad Ma'am in presence of Director Dr. V. K. Redasani and HOD Dr. Sunita Jadhav Ma'am.

Faculty of MCA

Parents Meeting

MCA Department had organized Parent's meeting for students of MCA I and MCA II. The meet was scheduled on 31st December 2022, at Red Seminar Hall. The meeting was scheduled in order to develop the communication that will allow parents and teachers to make plans, set goals, solve problems, and establish the relationship that they need in order to have a good

partnership, a Parent-Teacher Meeting is required. The meeting was followed with tremendous response of 50 parents of different intellectual students. Prof.P.S. Gade Madam started the session and Dr. Sunita Jadhav Madam, HOD of MCA Department gave introduction of the meeting. She welcomed all faculties, students and Parents. The program was formally inaugurated by HOD Ma'am, faculties and few dignitaries from Parents. Then Miss Kajal Patil from MCA II gave the annual report of the MCA department which is showcased the various departmental activities and success achieved by department and intellectual students. The above 95% result of the department in gracing the meeting, so all winners was felicitated by the hands of Dr. S.P. Jadhav, HOD, YSPM. The meeting is surrounded by appreciative feedback of parents and some suggestions regarding development of department in order to improve the performance of student. Parents Mr. Sambhaji Salunkhe Sir and Mr. Ashok Kadam Sir who were parents of our students shared their views and also suggested few things to inculcate in department.

The event ended with most awaited speech with Vote of thanks which was given by Prof P. S. Gade Ma'am. Along with these we had provided refreshment session to the parents in order to give them proper hospitality. Thus the meeting was ended with intellectual students, responsible parents, esteemed personalities in smooth manner.

Faculty of MCA

Fresher's Day

MCA Department had organized Fresher's Day celebration on Friday 30th December 2022 at Pink Seminar Hall. Every student eagerly waits right from their time of admission for their most remarkable event of the college "FRESHER'S DAY". A total of 92 students were present for the same.

Guest Speakers:

1. Mr. Gaurav Nikam, CEO at Digipeddles Technologies, Banar
2. Mrs. Gulnar Sayyad, Owner and Trainer at Innovation Solutions, Satara

The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. Mrs. Gulnar Inamdar Ma'am and Mr. Gaurav Nikam Sir were the Guests for the event. Miss. Pratiksha Mahadik welcomed all guests and HOD Dr. Sunita Jadhav Ma'am felicitated all guests and gave introduction of the program. Mr. Gaurav Nikam Sir shared his experiences during his journey of starting his own business. The struggles he had faced and now how he is winning the Industry thus, conveyed the message that it is okay to be an Entrepreneur and run your own business. He inspired students to dream at young age and dreams do come true. Mrs. Gulnar Sayyad Ma'am encouraged students to keep learning new things everyday and gain knowledge. She told students to get certified on various technologies and languages, get exposed to various fields and keep growing. It is necessary to keep growing and learn new things to sustain in Industry. Lastly, Campus Director, Dr. V. K. Redasani Sir gave a complete guidance on campus and various activities and facilities that are been conducted within the campus. Then there was award distribution, where students who participated in Rangoli Competition and Poster Presentation were given awards for securing first and second rank. Our Guests and Director Sir distributed the awards and certificates.

Finally, Prof. P. S. Gade Ma'am gave vote of thanks and handed over the function to MCA II year students where they had arranged various activities, quizzes and games for their juniors and had a great time together.

Training and Placement

Aptitude Training Workshop from FUEL (Pune)

Training and Placement Department taken initiative to organize 05 days Aptitude Training Workshop in collaboration with Friends Union For Energizing Lives (FUEL) organization for our college Pre Final and Final Year Engineering students at Yashoda Technical Campus - Satara scheduled from 26th December to 30th December – 2022. Founded by Mr. Ketan Deshpande, FUEL (Friends Union for Energizing Lives) was started as a guiding institution to solve problems that he himself faced after his 12th grade. Ketan and his friends were uninformed regarding various entrance exams to be taken after grade 12 as they had either missed the exams, inappropriately filled the exam forms or were unaware about education avenues altogether. Getting motivated by this, Ketan was spurred to take actions and hence he compiled information of major entrance exams and education opportunities after class 12, and published it as a book Students FUEL. The book was widely appreciated, however, the helper in him wanted to do something further. The Training and Placement Department invited Mr. Aniket (FUEL - Pune) to conduct a 05 days Aptitude Training Workshop at Yashoda Technical Campus – Satara. During the workshop, 100 students from various departments gone through workshop, Mr. Tushar Shende (Training & Placement officer - YTC) guided to the students and also done felicitation of FUEL Guest during the Welcome session on the first day of the workshop, FUEL Trainer Mr. Aniket is very much happy with Infrastructure Facility and overall organizational support from Yashoda Technical Campus - Satara.

Webtech Developers (Pune) - Pool Campus Placement Drive

Training and Placement Department took initiative for inviting prestigious company Webtech Developer Pvt Ltd. - Pune for Pool Campus Placement Drive at Yashoda Technical Campus - Satara for fresher - 2023 passout MCA and Degree Engineering Computer Science students dated on 20th December – 2022.

Webtech Developers is one of the leading publishers of unique and innovative productivity software for the windows platform and mobile apps for Android and iOS. Company develops software's that are used by millions of people in the world. As a product company it's famous for quality and innovations. Founded in 20000 with the prime focus in developing video and speech based software, Company is specialized in building powerful, easy to use windows applications using C++, Mobile Apps for Android and iOS. The Training and Placement Department

invited Mr. Sahadev (HR-Webtech) for Pool Campus Placement Drive at Yashoda Technical Campus – Satara. During the drive more than 100 students from 05 colleges gone through company presentation and selection process, 01 student from our Yashoda college got selected for final round of selection which will be happen in 03rd week of January 2023 at company (Pune) office.

Guest is very much happy with Infrastructure Facility and overall organization of the event.

Faculty of D Pharmacy
