### PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to import value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

**Prof. Dasharath Sagare**  
**Founder President**  
**YSPM - YSS, Satara**

### EDITOR'S DESK

I am pleased to release (41 volume) of YSPM newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

**Kind Regards:**  
**Mr. Somnath N Kumbhar**

Prof. Lembhe sir Civil Department YSPM expressed the vote of thanks.

### General Championship winners

- Final Year B Pharmacy Won the General Championship by achieving 65 points in Pharmacy department.
- Electrical Department won the General Championship in Polytechnic department by securing 50 Points
- Jasper house won the General Championship in Architecture by securing 28 Points
- General Science first year 2 won the General Championship in Degree Engineering department by securing 82 Points
- MBA won the general championship in Tournaments held between MBA & MCA 20 by securing Points.

### Faculty of Pharmacy

#### SHIVJANMOTSAV-2023

Under the National Service Scheme Organized "Shivjanmotsav-2023" (19 February) on the celebration of "Shivjayanti" on 19/02/2023. This event was graced with the presence of Chief Guest Hon. Police Inspector Satara Tehsil Mr. Vishwajit Ghodake also Mr. Sikandar Pathan and other dignitaries, President Prof. Dasharath Sagare sir. YTC Associate Director Hon. Mohite R.D., YTC Registrar Mr. G. K. Survase and all other campus Principals and All campuses respected Head of Departments, Faculty members, staff members and Students were present.

### FUEL'S FREE RESIDENTIAL TRAINING PROGRAM – IMPACT @ BHUGAON (PUNE) CAMPUS

Training and Placement Department took initiative to organize 30 Full days Free Residential Training Program IMPACT which is CSR Initiative i. e. Sponsored by Capgemini for YTC's more than 55 students from MCA & Various Engineering departments. FUEL (Friends Union for Energizing Lives) founded by Mr. Ketan Deshpande, It was started as a guiding institution to solve problems that he himself faced after his 12th grade. Ketan and his friends were uninformed regarding various entrance exams to be taken after grade 12 as they had either missed the exams, inappropriately filled the exam forms or were unaware about education avenues altogether. Getting motivated by this, Ketan was spurred to take actions and hence he compiled information of major entrance exams and education opportunities after class 12, and published it as a book Students FUEL. The book was widely appreciated, however, the helper in him wanted to do something further. FUEL (Friends Union for Energizing Lives) is a non-profit organization with a mission to create a supporting community for the youth of the nation. A community working towards providing students with the essential information and right career opportunities. A one-stop community they can count on. FUEL has a vision to empower the youth and enable them to become the torch bearers of tomorrow.

IMPACT Free Residential Training (30 Full Days) Program which runs under CSR initiative i. e. sponsored and designed by Capgemini includes theoretical (Class room) as well as practical (Lab) based approach towards Aptitude Training, Interview Skills & Java Developer where students get company (corporate) exposure during 12 hrs. Training per day.

## Training & Placement

### CAMPUS VISIT – "MR. LAVIN MELWANI FROM XU UNIVERSITY – GERMANY" @ YASHODA TECHNICAL CAMPUS – SATARA

Training and Placement took initiative to invite Mr. Lavin Melwani from Exponential University (XU) of Germany along with Mr. Shekhar Bidwai from Chinmay Education Consultancy (Pune) to visit our Yashoda Technical Campus and fruitful discussion about international collaboration between

YTC and XU, dated on 23/02/2023 at Yashoda Technical Campus - Satara, The XU Exponential University near Berlin is Germany's first university that focuses exclusively on digitization and technology. XU created a place that focuses specifically on the training, promotion and networking of future heroes of digital change. Every idea is only really good if it is implemented and with the same thought XU is focusing for developing new ideas for the innovations of tomorrow. During the visit, Mr. Lavin Melwani has given guidelines about the various opportunities available for various department students in Germany for value added programs, How XU practices will help students to build their career path effectively, Opportunities available for Internships in famous MNC's, Also suggested to organize virtual (online) project competition (Hackathon) event with YTC and XU students where XU is ready to sponsor for the same. Dr. V. K. Redasani (Director) has given a brief overview about Yashoda Institute and has done felicitation of all delegates, Dr. S. V. Balshetwar (HOD- CSE) and Dr. D. S. Badkar (Principal) has also discussed about how to implement student or faculty exchange program. Mr. Tushar Shende (TPO) has shown entire campus of Yashoda Institute.

Mr. Shekhar Bidwai from Chinmay Education Consultancy is the key source for making this collaboration between YTC and XU who is ready to support and coordinate for further process.

### GUEST LECTURE - "CAREER OPPORTUNITIES AVAILABLE IN INDIAN AIR FORCE" BY MR. KAPIL RAO TANLA

Training and Placement took initiative to invite Mr. Kapil Rao Tanla & his team of 17 wing commander members from Indian Air Force to guide our Engineering students dated on 16/02/2023 on the topic "Career Opportunities available in Indian Air Force " at Yashoda Technical Campus – Satara. The Indian Air Force (IAF), which was established in 1932, is today the fourth largest in the world. The IAF is a modern, technology intensive force distinguished by its commitment to excellence and professionalism. Keeping the demands of contemporary advancements, the IAF continues to modernize in a phased manner and is counted amongst the foremost professional Air Forces in the world. IAF has developed a special "Induction publicity exhibition vehicle" (IPEV). It is specially modified vehicle (make - VOLVO) to showcase various aspects of IAF and a medium to bring the IAF to the doorstep of the candidates / aspirants across the country. The IPEV showcases career related information, life and training in the IAF, its assets including Flying Simulator to experience various facets of the IAF. IAF is organizing special induction road drives in various part of the country to reach out to students towards enhancing the awareness of IAF. During the lecture, he has given guidelines about the various opportunities available for various department students in Indian Air Force; Students also raised different questions which were answered by all the team members of India Air Force, Students and staff members also got the exposure (demo) Air (Fighter) plane operations through Induction publicity exhibition vehicle (Bus). The Indian Air Force Team experience about the entire organization of the event was very good and ready to help us in the future.

Dr. V. K. Redasani (Director) has given a welcome speech and has done felicitation of all delegates, Dr. D. S. Badkar (Principal) has also guided and motivated students for taking advantage of these kind of an unique opportunities. Mr. Tushar Shende (TPO) has done Vote of thanks for event, there was great support and coordination from First Year Engineering HOD and Staff Staff Members to made the event successful.

## UNION BUDGET 2023 BROADCASTING

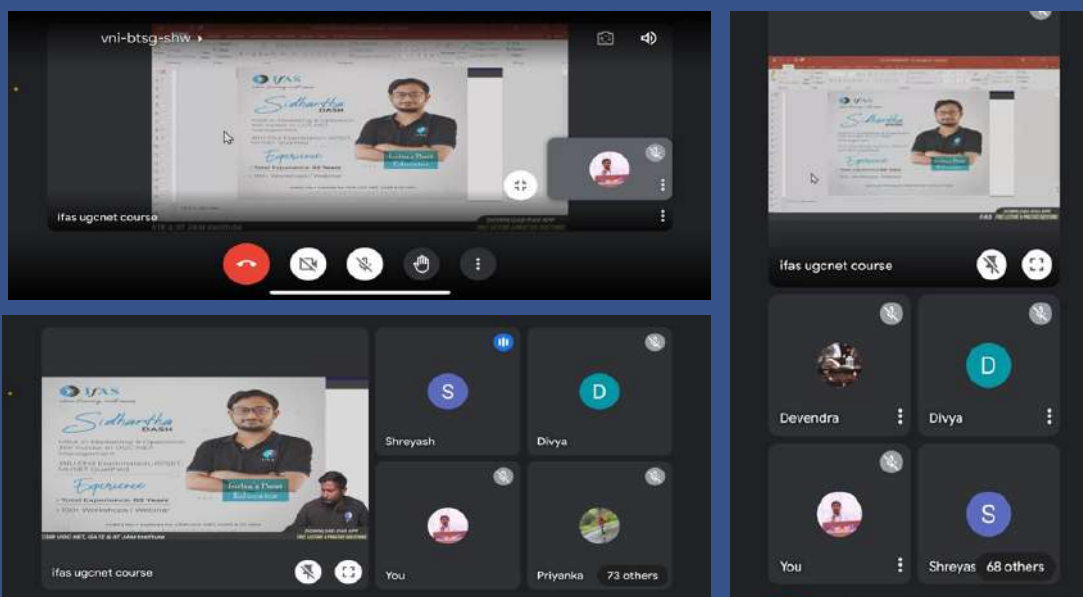

The Union for Budget of India 2023 was presented by the Finance Minister, Nirmala Sitharaman on the 1st February 2023. This is another budget of Narendra Modi led NDA government's second term. Students of Faculty of MBA are expecting detailed knowledge about the budget. So on-line budget broad-casting session has been organised for presentation of Budget by the faculty of M.B.A.

Students learned following important contents from the Budget session. The central ideas of the Budget are - "Aspiration India, Economic development, A Caring Society. These three broad themes are connected by governance that is corruption free and a financial sector that is clean and sound. Aspiration India:-Better standards of living with access to health, education and better jobs for all sections of the society. Economic Development for all:-"Sabka saath, Sabka Vikas, Sabka Vishwas" Caring Society:-Corruption free, policy drove Good governance. Clean and sound financial sector.

The budding managers obtained detailed knowledge of the budget 2023. Also doubts of students were clarified through careful listening of the Budget session. All the students as a good civilian and mature citizen of India realized that how to maintain the cash flow for future business. Students also obtained a detailed knowledge about to start new business and what are the positive provisions were made by the Government of India. Students also obtained in depth knowledge about Indian Economy. Various topics such as Blue Economy, Kisan Rail, Krishi Uddan, One product one District, Javik Kheti Portal, Zero budget, PM Kusum, Deen Dayal Antyodaya Yojana etc. were discussed through this Budget session. Students obtained a new focus of knowledge through this Budget Session.

## WEBINAR ON CAREER ADVANCEMENT AND FINANCIAL PLANNING FOR MBA & MCA STUDENTS

The students of MBA are the future budding managers; they have to run the business efficiently. In order to obtain detailed knowledge about future upcoming 21st century challenges and also to face the challenges regarding career alternatives the interactive in association with Institute for Advanced Studies, Pune was organized.

Hon. Siddharth Pathak explained in details about career opportunities and how to grow financially through investment in the financial sector. He discussed about following topics very effectively. Career opportunities after Post graduation, Investment Opportunities in developing country like INDIA, He explained meaning of Investment opportunity as, Investment opportunity means "anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation." He explained ten important Investment opportunities as follows. Some of the above investments are fixed-income while others are market-linked. Both fixed-income and market-linked investments have a role to play in the process of wealth creation. While market-linked investments help in navigating the volatility and in the process generate high real return, the fixed income investments help in preserving the accumulated wealth so as to meet the desired goal. For long-term goals, it is important to make the best use of both worlds. Have a judicious mix investment keeping risk, taxation and time horizon in mind.

### INDUSTRY EXPECTATION FROM MANAGEMENT STUDENTS, INSIGHT OUT OF BUSINESS STANDARD

Faculty of MBA, Yashoda Technical Campus organized guest lecture on February 13, 2023 at 10:00 AM. Lecture was on Industry Expectation from Management Students, Insight out of Business Standardry'. Sumedh Gupte, Regional Head of Business Standard, Pune was the speaker of this 2 hours session. Speaker shared his experience and also highlighted the opportunities and expectation of industry. Also given few tips to improve and aware about the market facts during his lecture. Speaker also motivated the students with chocolate for their right response to asked questions. Speaker advised student about the use the attitude not to show other but to use for individual growth. He also spoke about the Importance and Need of market i.e. 'English Communication". It would help to enter into organization and obtain placement afterwards one can continue his job with his/her local language. Guest was introduced by Dr. Mrs. R. R. Chavan and vote of thanks delivered by. All faculty members were present in this programme. Students' attendance and response was also overwhelming.

### Faculty of Pharmacy

#### STUDENT'S ACHIEVEMENT IN STATE LEVEL COMPETITIONS

Sitabai Thite collage of pharmacy, Shirur organizes State level Poster presentation competition on Tuesday 31st Jan 2023. Students from all Maharashtra participated in this. Approximately 55 students were participated in this competition. Our student Mr. Raje Rushikesh & Ms. Jagdale Anjali got third prize in competition. HOD Mr. A. T. Thorat, Ms. S. D. Patil, Ms. N. M. Bagwan, Ms. A. R. Sonmale Mr. A. S. Bhongale & Ms. S. M. Pradeshi supported them and encourage all the students to participate in the competition.

Founder president Prof. Dasharath Sagare sir & Vice-president Prof. Ajinkya Sagare sir, Principal Dr. V. K. Redasani, HOD Mr. Thorat sir congratulate them and give best wishes for the future.

#### GUEST LECTURE ON NBA

Guest lecture on NBA work specifically on criterion no.2 & 3 was arranged at Yashoda college of Pharmacy, Satara for D. Pharm and B. Pharm staff in digital classroom on Monday 13th of February 2023. Dr. S. F. Sayyad, Prof. Amrutvahini College of Pharmacy, Sangamner, Maharashtra was chief guest for the event. Dr. Jadhav P.D sir introduced chief guest. Felicitation was done by Principal Dr. V. K. Redasani sir. Dr. S. F. Sayyad sir in his speech gave a valuable guidelines for framing course outcomes, mapping of course outcomes to programme outcomes. He also discussed how attainment of Cos and POs is to be done.

Mr. Sayyad also focused on Blooms taxonomy and its applications in NBA work. Overall the session was very interactive and fruitful. Prof. R. P. Devale gave vote of thanks and concluded the session.

### Faculty of Pharmacy

#### INDUSTRIAL VISIT FOR FINAL YEAR B. PHARMACY

The Industrial visit was planned for final year B. Pharmacy students on 16th February 2023 where they were able to learn how actually the pharmaceutical industry works and got knowledge regarding Production of bulk drugs, API and manufacturing Departments of the Industry. Around 39 students and 4 staff

members visited two different companies from Hyderabad namely Casper Pharmaceuticals Ltd which is USFDA approved and Arene Life science having a FDA approval. Casper Pharmaceuticals Ltd Manufacturing solid oral dosage tablets, capsules and liquid oral product engaged in formulations business. Arene Life Sciences Pvt. Ltd is bulk drug manufacturing unit, synthesize anti-diabetic, analgesic drug etc. They do manufacturing of around 29 API including recent anti-corona Remdevisir. All students got loaded with lots of information from industrial working and they enjoyed this industrial tour. For this visit special efforts were taken by our TPO incharge Prof. Velhal sir.

We want to extend our sincere thanks for allowing our students and teaching staff to visit your esteemed organization. Special thanks to Unit head Dr. Das Mr. Purshotham, Mr. Kishan Reddy and Mr. Nalinikant, HR Mr. Balaji, HR Mr. Saiteja sir.

#### WORLD DAY OF SOCIAL JUSTICE

Yashoda Technical Campus, Satara in association with MAHARASHTRA STATE LEGAL SERVICE AUTHORITY celebrated WORLD DAY OF SOCIAL JUSTICE on 20th February 2023, Monday at green seminar hall. Hon. Shri S. D. Sawarkar, Chief Justice, Juvenile Justice Board, Satara and Hon Adv. Mrs. Manisha barge, co-ordinator, Maharashtra State Commission for Women were available as a chief guest for the programme. The programme was introduced by Prof. R. D. Mohite, Head of the Department, MBA. Shri S. D. Sawarkar in his presidential address guided upon the Procedure adopted by claims tribunal. Mrs. Manisha barge

guided the audience on Maintenance and Welfare of Parents and Senior Citizens Act. Dr. V. K. Redasani, Principal & director of Yashoda technical campus, Dr. V. J. Chaware, HOD, M. Pharm., Dr. A. M. Bhagwat, HOD, B Pharm witnessed the session. Vote of thanks given by Shri. Dilip Bhosale.

### Faculty of MCA

#### WEBINAR ON DATA ANALYTICS

MCA department had organized a One Day Webinar on Data Analytics Using Python on 30th Jan 2023 in online mode. A total of 73 students were present for the webinar. Prof. P. S. Gade welcomes the guests, faculty members and students and introduced our guest lecturers. Dr. Chetan Shelke Sir, who works as an Associate Professor and Dr. Achary Ratnakar Sir, Associate Professor, Head of Department at Alliance University, Bangalore were present. The webinar was a detailed discussion on methods and processes used in analysis. Tools and various data cleaning processes used Job applications available for students were explained with real time data using Kaggle data frame. He motivated students to work in these sectors and grow exponentially in this sector also supported it by saying these kind of workshops are beneficial for their upcoming placements and technical knowledge. He delivered his lecture on Python language and its application in Data Analysis. Python being object oriented language makes it easy to analyze the data and Dr. Ratnakar Sir began with introducing the Python languages and clearing the basic concepts, Pseudorandom Number Generation, Arrays in Python, reading and writing text, etc, with the help on Anaconda he gave hands on practical to students while explaining many concepts of Data Analytics and Business Analytics. He gave hands on practical with help of following libraries.

Pandas - Used for structured data operations

NumPy - A powerful library that helps you create n-dimensional arrays

SciPy - Provides scientific capabilities, like linear algebra and Fourier transform

Matplotlib - Primarily used for visualization purposes

The session was very interactive and knowledgeable. The session concluded in evening. MCA HOD Dr. Sunita Jadhav Ma'am interacted with students and collected feedback. The session was thus concluded.

#### ANNUAL SPORTS MEET 2K23

When we face the different phases in our lives with determination, discipline and sincerity; we have set the spirit of Harmony and progress. Sports are one of the wonderful ways to instill these qualities among the young minds. The Annual sports Day of Yashoda Institutes was celebrated from 21st to 23rd February, for the Post Graduates within the Campus. It included indoor sports namely Carrom board and Chess and outdoor games namely Kho-Kho, Kabaddi, Volley Ball, Throw Ball and Cricket. The outdoor sports also was inclusive of some athletics events namely disc throw, Javelin throw, 100 meters and 200 meters running, etc, and we had winners. Girls Team won Throw Ball and Boys won Kho-Kho match. Also in athletics we had numerous winners.

#### FACULTY DEVELOPMENT PROGRAMME

##### MECHANICAL ENGINEERING

Department of Mechanical Engineering had organized one week Faculty Development Program on “Renewable Energy Sources for Sustainable Development” from 20th Feb. 2023 to 24th Feb. 2023. Recourse persons from Industry and Academia delivered the sessions on Solar Power, Wind Power, and Hydrogen as a fuel for engines, Biomass and Energy Conservation. All the sessions were interactive and attended by near about hundred participants from industry and academia, all over India.

#### FACULTY DEVELOPMENT PROGRAMME IN ASSOCIATION WITH ISTE FACULTY CHAPTER

13/02/2023-17/02/2023 in Hybrid mode. More than 60 participants in online and 40 participants from offline mode were participated. 1. Department of Civil Engineering, Faculty of Engineering, YSPM's Yashoda Technical Campus, Satara organized One-week Faculty Development Programme in Association with ISTE Faculty Chapter on “Sustainable Building Materials & Practices” From 20/02/2023 to 25/02/2023. The mode of Faculty Development Programme was online mode. Various experts from Industry and organization were invited to give lecture on Sustainable Building Materials & Practices. The experts were Ar. Swarali Sagare, Dr. G.K. Arunvivek, Prof. Rohan Dasgupta, Dr. Uttam R. Awari and Dr. K.L. Muthuramu. They gave valuable guidance and shared their experience in the field of Sustainable Materials and its Practices. There were 90+ Participants joined the One-week Faculty Development Programme. Some participants were from foreign countries. Feedback from participants about this One-week Faculty Development Programme is very nicely managed and well organized Faculty Development Programme. Prof. Shah A.S, Assistant Professor and Prof. Shaikh Alfaj N. (ISTE Coordinator) from Civil Department jointly coordinates the event and Prof. Borate P.G., HOD Civil Department, express vote of thanks to all the participants and all the guest speakers.

### Faculty of Engineering

## FACULTY ACHIEVEMENT

### CIVIL ENGINEERING

Dr. M.Nithya from Department of Civil Engineering has Delivered a presentation on the topic "Identification of cloned/predatory journals and Writing the article from Editor's perspective" on 16.02.23 in the one week FDP organised by Yashoda Technical Campus, Satara in association with ISTE faculty chapter.

Prof. Shaikh Alfaj N. was participated in one-week AICTE approved FDP on "Implementation of Examination Reforms Policy of AICTE" organised by D.Y. Patil College of engineering, Akurdi, Pune, from 20 - 25 Feb. 2023.

Participated in 3 days online workshop on "3D printing technology" from 24.02.23 - 26.02.23 conducted by EDUXLABS in association with Mechanica - IIT Madras. Presented a Keynote address on the topic "Systematic Literature Review" in the International Conference on Science and Engineering (ICSE 2023) on 28.02.23 conducted by REST Labs, Kaveripattinam, Tamil Nadu, in Collaboration with IEI, Hosur Local Centre, Tamil Nadu, India.

## FACULTY DEVELOPMENT PROGRAMME

### COMPUTER SCIENCE & ENGINEERING

The Computer Science and Engineering Department of Yashoda Technical Campus, Satara organized an Online Faculty Development Program on "Current trends in IT sector" from Feb 20th - 24th 2023 through the Google meet platform. The chief guest for the inaugural session Dr. D. S. Badkar, Principal, YTC Satara, appreciated the efforts taken by the department and congratulated Head of Department Dr. S V Balshetwar and her team for successfully appreciated the efforts taken **by the department and congratulated Head of**

Department Dr. S V Balshetwar and her team for successfully holding FDP. He expressed that FDP helps in faculty members to update the teaching, technological knowledge, and research skills. Chief Guest also emphasized the importance of Information Technology Sector in upcoming days as it is one of the fastest growing sectors during and after the pandemic. The first-day session was on current trends in Big Data by Dr. Rupali Mahajan, from VIIT, Pune. The second day commenced with a discussion on current trends in optical fiber technology by Mr. Somnath Tandale, Navi Mumbai. Then Mr. Ratnadeep Tembhurkar, Director and Founder of RTSoft solutions has given his expert lecture on UI/UX Design on third day of the FDP. With this immense response from the participants and all enthusiast learners on the fourth day Dr. Sanjay B. Ankali from KLE Technological university has delivered his expert knowledge about AI and ML. The final day of the FDP has been concluded with lecture on research tools and Latex by Dr. S. V. Balshetwar, HOD, CSE department followed by Valedictory speech from Principal of YTC Dr. D. S. Badkar.

Even though all the sessions were delivered through online mode, overall a total of 127 faculty members and 10 research scholars attended FDP 2022.

## NATIONAL SCIENCE DAY

On 28th February 2023, Yashoda Public School, Satara, organized science and math exhibition in its school. A number of students from various classes participated in the exhibition. The science exhibition was held in Honour of Dr. C.V Raman. The chief guest for this exhibition YSPMs Executive Director Mrs.

Namrata Sagare. On 28th February 2023, Yashoda Public School, Satara, organized science and math exhibition in its school. A number of students from various classes participated in the exhibition. The science exhibition was held in Honour of Dr. C.V Raman. The chief guest for this exhibition YSPMs Executive Director Mrs. Namrata Sagare.

The exhibition started at 12.00 pm and was open to all the parents and students of the school. The coordinator madam gave a commencement speech. As the exhibition started various students presented their project. Models of solar power energy, space satellites, hydro electric generators, AC and DC Motors, automatic Transformers and robots were built by the students. Apart from models students also organized visual presentations to help everyone understand the concepts of their working models. At the end of the exhibition, upon careful inspection of the different models, rangolis and projects done by Coordinator Ma'am, Principal Madam and teachers. Coordinator ma'am and Principal ma'am gave speeches on the importance of the contributions of the young generations to the field of Science and Technology. And they appreciated all the teachers and students for their great efforts also thanked all the parents for their support.

### CELEBRATION OF SHIVJAYANTI

Date:-19th Feb 2023 Sadhana English Medium School Celebrated Birth Anniversary of Chh. Shivaji Maharaj on 19th February. On this occasion teachers students and parents were present. Poojan of statue of Chh. Shivaji Maharaj was done by Hon. Principal Ma'am and parents. Different types of activities was performed by the students like, Powada, Dance act on life story of Chh. Shivaji Maharaj and speeches. The program was enthusiastic.

### CELEBRATION OF ARTS & CRAFTS, SCIENCE EXHIBITION

On account of National Science Day, Sadhana English Medium School has organized Science Exhibition along with arts & crafts activities. this day is marked as birth anniversary of Dr. C V Raman so the program is followed by pratima poojan and information of Science Day was given by Mrs. Pratibha Gurav teacher and Ms. Tejshree kirdat teacher. Then felicitation of Science subject teacher's was done. All students were actively participated in the exhibition, the exhibition was excellent.

### FAREWELL OF STD. X

Sadhana English Medium School was organized farewell for Std. X with the help of 9th std. Students. Hon. Principal Mrs. Vaishali Dhumale mam, Co-ordinator Ms. Mini Sebestain Mam and Teachers were felicitated by the students. Speeches were given by teachers and students. Which will encourage to students for their future. 9th std. students had organized a funny games for std. X students, and students participated actively. Afterwards lunch was given to students and teachers. 24 Photo Frames of legends of Indian history and standing fan was gifted to school by 10th std students.

### CELEBRATION OF MARATHI RAJYA BHASHA DIN

On account of Marathi Rajya Bhasha Din pratima poojan of Kusumagraj was done by Hon. Principal Vaishali Dhumale mam. During assembly State Song was sung by students. Marathi subject teacher's felicitation was done. Information of Marathi was given by Mrs. Pallavi Paralkar teacher which one is useful for students.
