Guest of honour Mr. Aanad Pawar gave an inspirational speech on the occasion of Republic Day And Principal Mrs. Fatima Patel delivered vote of thanks.

At the end, the program ended by refreshment for the students and all the faculty members of YSPM campus.

A FACULTY DEVELOPMENT PROGRAM ON NAAC ACCREDITATION ASSESSMENT

A Faculty Development programme (FDP) on 'NAAC Accreditation Assessment' by YSPMs Yashoda Technical Campus, Satara was organized on 18.01.2023. With an objective to educate and train faculties of college about NAAC new guidelines & upgrade about various Criteria and new metrics formed by NAAC which they have to fill while submitting AQAR 2021-22 and SSR. The programme was begun after inauguration of workshop and Saraswati Poojan with address by Prof. Dr. Uttam Jadhav (Dean-Academics Sanjay Ghodawat University, Atigre, and Kolhapur). He guided the participants about the AQAR, SSR, Best Practices, ICT Tools and all other relevant areas. Dr. Uttam Jadhav in his presidential remarks, emphasized on the importance of NAAC accreditation particularly affiliated to university. He also promised to extend all help and support in submitting NAAC application for assessment of second cycle. There were 75 participants from all the departments of Engineering, Pharmacy, MBA, MCA and Yashoda College of Architecture. The workshop comprises Technical Sessions followed by Open Discussion FAQ.

Dr. Jadhav discussed in detail about Institutional Preparation-before, during and after the process of Assessment & Accreditation. The post-lunch Open Discussion-FAQ session Resource persons replied all queries from the participants. It was a friendly and more interactive session. Participants also expressed their views and share experiences gained during such workshop. He appreciated the financial support from NAAC and also to the learned resource persons for helping in the training programme of this workshop.

GUEST LECTURE ON 'COMPETITIVE EXAMINATIONS, READING CULTURE AND PERSONALITY DEVELOPMENT'

A Guest lecture on Competitive Examinations, Reading Culture and Personality Development' was organized for the

students of Faculty of MBA, MCA & Pharmacy. Prof. Dr. Hanmantrao Karale-Patil was the renowned Guest Speaker for the event. He guided A Guest lecture on Competitive Examinations, Reading Culture and Personality Development' was organized for the students of Faculty of MBA, MCA & Pharmacy. Prof. Dr. Hanmantrao Karale-Patil was the renowned Guest Speaker for the event. He guided the students on Importance of Positive attitude, Goal Setting, Reading Habits and soft skills. The audience was very happy to hear Prof. Karale Patil. It was indeed a Motivating and Productive session students had. The focus of the lecture was on improving the personality of the students in order to prepare them for job interviews. Various parameters like basic introduction, body language, positive attitude, interactive skills and the level of confidence were taken care of by the speaker. Numbers of fun activities were conducted during the session to engage the students to achieve the objective of the lecture-Personality Development. The guest speaker encouraged students to read beyond syllabus to improve their worldview and vocabulary. He further sparked students' curiosity by talking about comic books and superheroes. He ended the talk by reciting a poem and showing students some of his favorite books. The talk ended with an interactive question and answer session with the audience. It was a fun and enriching session, which students thoroughly enjoyed. This type of personality development sessions encourages the students for their holistic development. The institute is desirous to provide more such opportunities to students. The session was concluded with the formal vote of thanks.

Faculty of Engineering

Outcome of the visit: -

1. Students gained the knowledge about Industry requirements.
2. Importance of working in interdisciplinary areas.

FACULTY ACHIEVEMENT (Faculty of Civil Engineering)

Dr. M.Nithya, Professor, Department of Civil Engineering, Faculty of Engineering, Yashoda Technical Campus, Satara, Participated and presented a paper titled "Characterization on Microstructure and Mechanical Properties of Al7050/TiC/BN Hybrid Metal Matrix Composite" in the 4th International Conference on Inventive Research in Material Science and Technology ICIRMST 2023 held on 20 – 21 January 2023.

EXPERT SESSION ON FINANCIAL PLANNING FOR MANAGEMENT STUDENTS

Faculty of MBA

A Guest lecture on Financial Planning for Management Students was organized wherein Dr. S. K. Patil explained in details about financial Planning to students. He focused on the definition of financial planning as looking at client's entire financial picture and advising them how to achieve their short and long term financial goals.

Sir discussed about six steps of financial process as, Identify your financial situation, Determine financial Goals, Identify alternatives for investment, Evaluate alternatives, Put together a financial plan and implement, Review and Re-evaluate and monitor the plan. Sir in details explained about types of financial planning as, 1) Cash flow Planning, 2) Tax Planning, 3) Investment Planning, and 4) Retirement Planning. While discussing about example of financial Planning Sir discussed that a Financial Plan example of possible goals might include the following, pay off your credit card debts; create a budget that you can live with, save an emergency fund of three to six months worth's of your income. Sir, also discussed about the principle of financial planning as, Information gathering, (i.e. Life goals, assets, liabilities, cash flows and out flows investment preferences etc.) and analysis. Plan development aligning resources to short and long term goals and then plan implementation. While discussing about importance of financial planning Sir explained as, financial planning allows you to achieve your financial goals, be it buying a family home, saving for children's education, having a comfortable retirement, or going on a dream vacation. It also prepares you for unforeseen situations like falling sick, losing your job or having to renovate your house. Dr. S. K. Patil concluded with discussion about financial functions as: Investment Decision, Financial Decision, Dividend Decision, and Liquidity Decision.

PARENTS-TEACHER MEET

Faculty of MBA

The Parent-Teacher MBA of MBA I was began with the Address by Mr. R. D. Mohite (HOD, Faculty of MBA). He conveyed the main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. Dr. S. A. Bhosale discussed students' participation in the activities. Mr. M. V. Landage discussed the Placement related activities and preparations of students. Department appreciated the presence of parents and focus on points viz. availability of Business Standard for the students focus on reading more books, focus on developing soft skills and appeal students that they should prepare themselves in such a way that each students will go for campus selection and should have minimum four campus appointments with them. Parents also took active participation in the meeting and suggest that Whatsapp group should be prepared for parents for the active participation and latest updates regarding their child. After formal meeting every parent meet all subject teachers personally and discuss about the progress of students. Parents expressed their opinions regarding the students' performance and improvement. It was a great interaction between the teacher and the parents for the development of their children where they discussed both the strengths and areas of improvement. The Unit Test result was shown to the parents and discussed the student's academic performance.

The meeting came to an end with the conclusion that joint effort, mutual understanding and co-operation of parents and teachers is very important for the proper nourishment and progress of students. The students and their parents met with all the faculties individually for interaction. Parents submitted the Feedback Form for curriculum activities.

GUEST LECTURE ON 'DESIGNING COMMUNICATION AND PROMOTION MIX STRATEGIES'

A Guest lecture on Designing communication and Promotion Mix Strategies for Management Students was organized wherein Dr. S. S. Desai discussed about the concept of designing communication and promotion mix strategy as the

communication mix is composed of advertising, professional selling, public relations, sponsorships (events and experiences), sales promotion and direct marketing and on-line media including social media. While speaking about design of communication mix Sir explained that the promotion (communication) mix is composed of advertising, professional selling, public relations, sponsorship (events and experiences), sales promotion, direct marketing and online media including social media. Dr. S. S. Desai explained about communication mix and marketing theories as, 1) Advertising (TV, Radio, Press, PPC), advertising covers all avenues where a business pays for their message to be broadcast. 2) Direct marketing and Digital marketing (E-mail, social media, gamification etc.) 3) Public Relations (PR) 4) Personal selling 5) Sales Promotion

While explaining about Promotion Mix strategies madam explained that, A promotional mix is defined as combination of different marketing strategies used to communicate the benefits of using a particular product or service and to influence the buying behavior of their target demographic. The marketing strategies that make up the promotional mix are advertising, public relations.

The purpose of communication mix is that it is a method for delivering relevant promotional message via the most suitable channel for each segment. Improves communication with clients Companies develop a promotion mix trying to speak their consumer's language .If prepared correctly, it helps build trust between brand and its consumers. Madam explained about four basic communication styles as passive, aggressive, passive-aggressive, and assertive. It is important to understand each communication style and why individuals use them. Madam also explained a promotional strategy is a plan to create or increase the demand for product. It outlines the tactics you shall use to raise awareness about your product and get people interested in buying it .The goal of promotion strategy is to introduce potential customers to your product and convince them to make a purchase.

FACULTY DEVELOPMENT PROGRAM ON NBA ACCREDITATION ORGANIZED BY YASHODA TECHNICAL CAMPUS (FACULTY OF MBA AND MCA)

Faculty of MBA & MCA

At the inception of the program Dr. Mrs. H. V. Gaikwad madam explained about purpose of NBA accreditation. While explaining about purpose of NBA accreditation she proclaimed as the purpose of accreditation by NBA is to promote and recognize excellence in Technical Education in colleges and universities -at both Graduate and Undergraduate level. She explained that if at least two batches of students have passed out of the program proposed for accreditation except for the management program at least three batches have graduated. Dr. S. K. Patil explained about ten criteria's in NBA accreditation in brief. While explaining the importance of NBA accreditation Sir told that NBA accreditation matters so much especially for the reputation of the institution. It provides flexibility to students to choose the best professional opportunity at a global level. Dr. S. S. Desai explained that to promote quality conscious system of technical education where excellence, relevance to market needs and participation of all stakeholders are prime and major determinants. Mr. D. S. Patil explained that in 2020, the AICTE made it mandatory for technical institutions to have 60% of their programs NBA accredited. In 2021, the resolve was expressed through a warning that institutions failing to do so will not be accorded annual approval. Dr. S.K. Patil discussed about program outcomes, Course outcomes, and attainment matrix. Also how to prepare SAAR report to be submitted was also guided by Mr. Patil Mr. Digvijay Patil explained about NBA which is statutory autonomous body and it performs regulatory and advisory function for the government of India on issues of conservation, sustainable use of biological resources and fair and equitable sharing of benefits arising out of the use of biological resources. Patil Sir briefed about program articulation matrix.

Resource Person:

Dr. Mrs. H. V. Gaikwad (HOD) Management Department, R.I.T., Islampur,
Dr. S. K. Patil, Assistant Professor, R.I.T., Islampur
Dr. S. S. Desai, Associate Professor, R.I.T., Islampur
Mr. D. S. Patil Assistant Professor, R.I.T., Islampur

The workshop was well organized and full of information that the participants gained knowledge about the complete preparations for NBA accreditations. The criterion wise discussion helped the participants to recognize the importance of key inputs and development of the same. The open discussion in the last session helped to ask the queries to the teachers. The discussion session was headed by Dr. Gaikwad and other resource persons.

Faculty of MCA

INTER-COLLEGE IT-QUIZ

Faculty of MCA

Dhananjay Gadgil College of Commerce, Satara had organized Inter-College IT Quiz competition for students of MCA, BCA, BCS and B.Sc. The quiz was conducted on 24th January, at L. B. P. Auditorium, DG College. Students from various departments had participated in the

competition. The Quiz consisted of 4 rounds namely, General Knowledge questions, IT Symbol and their facts, Taglines for famous Brand, lucky draw. There was a tough competition between students. After all the four rounds, MCA Department had finally won the IT Quiz competition. Miss. Pratiksha Mahadik, Mr. Suraj Kumar Rajak, Mr. Shreyas Khule were the names of students who won the competition.

Finally the students were felicitated on the auspicious day of Republic Day i.e. 26th January, in presence of esteemed dignitaries.

DEBATE COMPETITION

Faculty of MCA

MCA Department had organized Debate Competition on 14th January 2023 from 2:30-4:30 PM for students of MCA at Pink Seminar Hall. 12 students i.e. 6 groups had participated in this event with great enthusiasm. The aim of organizing debate competition was to make students inculcate the ability of public speaking skills and how to put forth our view while being polite; it is necessary to listen properly and be able to counter the opponent. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the cashless economy among students. Unsurprisingly, this led to a wide spectrum of contrasting views – from being heralded as an inevitable future, to being poorly perceived positivity and doubtful future due to a severe lack of critical infrastructure and technology, to being an achievable dream that can lead to a more transparent economy and a possibility of less corrupt India.

The event was judged by HOD. Dr. Sunita Jadhav Ma'am. And we had winners.

Winners: 1. Miss. Shivani Ghadage 2. Miss. Aarti Kasurde

Faculty of MCA

INDUSTRIAL VISIT

Faculty of MCA

21st January 2023, MCA students went for an Industrial Visit in Pune. A total of 40 visited the companies and Prof P. S. Gade, Prof S. V. They provided training session on resume building and skill development.

ALUMNI MEET 2022-23

Faculty of MCA

MCA Department had organized an Alumnus Meet for students of past 3 years. The alumni meet was conducted to reconnect with the Alumni and celebrate their success and various achievements. The Alumni started arriving in college by 11.00 a.m. and they were received by the registration team. The meeting was scheduled in Red Seminar Hall and a total of 24 students attended the meet. The Alumni Meet started with a welcome address and was graced by the HOD Dr.Sunita Jadhav Ma'am.

Alumni also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumni shared their views. Vote of thanks was given by Mr. Tushar Shende Sir, Training and Placement Opportunities Officer and he thanked the various organizers alumni members of the event. He also thanked the management of YTC Campus for the support and guidance which has made Alumni Meet 2023 a grand success.

Training and Placement

STUDENT DEVELOPMENT PROGRAM

Felicitatation of FUEL Trainer Mr. Aniket from MCA HOD, MCA Cordinator and Centerl TPO

Participants of Aptitude Training Wokshop along with FUEL Trainer, MCA HOD and Central TPO

Training and Placement Department taken initiative to organize 06 days Aptitude Training Workshop in collaboration with Friends Union For Energizing Lives (FUEL). organization for our college First and Second Year MCA students at Yashoda Technical Campus - Satara scheduled from 04th January to 09th January – 2023. Founded by Mr. Ketan Deshpande, FUEL (Friends Union for Energizing Lives) was started as a guiding institution to solve problems that he himself faced after his 12th grade. Ketan and his friends were uninformed regarding various entrance exams to be taken after grade 12 as they had either missed the exams, inappropriately filled the exam forms or were unaware about education avenues altogether. Getting motivated by this, Ketan was spurred to take actions and hence he compiled information of major entrance exams and education opportunities after class 12, and published it as a book Students FUEL. The book was widely appreciated, however, the helper in him wanted to do something further. The Training and Placement Department invited Mr. Aniket (FUEL - Pune) to conduct a 06 days Aptitude Training Workshop at Yashoda Technical Campus – Satara. During the workshop, 68 students from MCA departments gone through workshop, Mr. Tushar Shende (Training & Placement officer - YTC), Dr. Sunita Jadhav (HOD - MCA) and Mrs. Pranjali Gade (Training & Placement Coordinator - MCA) guided to the students and also done felicitation of FUEL Guest during the Vote of Thanks session on the last day of the workshop, FUEL Trainer Mr. Aniket is very much happy with Infrastructure Facility and overall organizational support from Yashoda Technical Campus - Satara.

Training and Placement
