Industrial / Study Visits

Industrial Visit-Faculty of MBA: An industrial visit has its own importance in a career of MBA students who is pursuing a professional degree. It is considered as a part of college curriculum, mainly seen in MBA courses. Students visit companies and get insight regarding the internal & actual working environment of a company & how it functions. Such visits also impart useful information related to the practical aspects of the educational course which cannot be visualized in lectures. The Faculty of MBA organized Industrial Visit to Mutha Engineering Pvt. Ltd., Satara on May 19, 2022, CEO and the HR Manager directed MBA Students about the Operations of the company. They also guided our students about how the levels of Management are distinct in terms of their Responsibilities and authorities. The curriculum of Shivaji University Kolhapur has involved Human Resource Management subject for study for which this industrial visit was organized.

An objective of the industrial visit is to provide students an insight regarding the internal working of companies. We know theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, the industrial visit provides the student a practical perspective on the world of work. It provides students with an opportunity to learn practically through interaction, working methods and employment practices. Their Human Resource Policies and Practices. It was indeed a productive and learning activity for the students. Prof. Landage and Prof. Patil were also accompanied with the students for this visit.

Orientation program on Investment Planning

The Faculty of MBA organized an orientation on Investment Planning dated May 26, 2022. The session was lead by Mr. Praveen Jilha, Chief Manager, Business Development – DNS Securities, Pune. The session focused on emphasizing the importance of planning for future care, how to protect the assets. It highlighted stating on a sound Investment strategy is one of the key of financial success. In the fast moving uncertain world, the ability to filter out from available alternatives and focus on what truly matters based on one's own risk and return is critical to developing a sound financial plan. The session showed the way to achieve long-term financial goals and objectives. It also covered a wide range of topics that can help students to take control of their financial future. It was a really informative session since the budding corporate professionals received knowledge about how to manage their portfolio of investment considering the future liquidity needs, the time horizon available before them and with the due consideration of risk and reward benefits. The individual life cycle stages and their choices of investment avenues is changing as per their priorities and the same has to be understood by the MBA students in order to become a good investment advisor. The purpose of his orientation session was to enable budding managers about Review of investment avenues, Specification of investment objectives, Formulation investment strategy, Selection of securities/assets, Performance.

Mr. R. D. Mohite, Dr. R. R. Chavan, Mr. M. V. Landge were present for the coordination of orientation session.

Plastic waste is handed over to RIDOFT SUSTAINABLE ENVIRONS PVT.LTD representative Ar.Shaunak Kadam by Principal of Yashoda College of Architecture Ar.Suhas Talekar

It is initiative taken by Yashoda College of Architecture in collaboration with RIDOFT SUSTAINABLE ENVIRONS PVT.LTD and sustainable development goals set by United States and Swachh Bharat Mission. Purpose of this initiative to achieve sustainable

development goals and to achieve this goal colleges and universities plays a vital role in preparing students to meet the sustainability challenges in future. This initiative is to be considered as a pilot project under swachh Bharat Mission. REUSE REDUCE RECYCLE is the motto of this initiative. Sustainable development is a development that meets the needs of the present without compromising the ability of future generations to meet their own needs. This initiative is for dry waste management to enhance, increase and establish more effective services with help of RIDOFT SUSTAINABLE ENVIRONS PVT.LTD. For this Yashoda college of architecture is collecting dry paper and models within college campus by all students of YCA.200 gm of plastic will be collected from each student during registration week and tag it with students and registration ID, store it. Then handover it to RIDOFT SUSTAINABLE ENVIRONS PVT.LTD representative Ar.Shaunak Kadam.

Also per student per year two and half kg of minimum plastic to be recycled and first three prizes will be given to students as green saviours. By engaging students, staff of YCA and their households in campaign to maximize on ground impact by using RIDOFT app.
