YSPM's Yashoda Technical Campus, Satara

President's Desk

*Today's reader
can be a tomorrow's
leader !*

Prof. Dasharath Sagare

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

**Prof. Dasharath Sagare
Founder President**

Principal's Desk

Dr. Vivekumar Redasani
Principal

YSPM's Yashoda Technical Campus
Faculty of Pharmacy

Dear Students, Faculty Members, Alumni, and Esteemed Readers,
It is with great pride that we present this edition of our annual magazine, a celebration of the academic, cultural, and innovative spirit of Yashoda Technical Campus, Faculty of Pharmacy, Satara.

Pharmacy today is at the forefront of healthcare and scientific progress. As pharmacists, researchers, and healthcare professionals, we play a key role in promoting well-being and a healthier society. At our campus, we empower students with a blend of knowledge, practical skills, ethical values, and a passion for lifelong learning.

This magazine is a reflection of the dedication, creativity, and collaboration of our campus community. It showcases academic projects, research, artistic expressions, and social initiatives that highlight the talents of our students and faculty.

A special thanks to the editorial team for their thoughtful work in bringing together diverse voices. As we turn these pages, let's celebrate our achievements and renew our commitment to growth, integrity, and excellence in pharmacy.

Editor's Desk

Dr. Sahin H. Rohane

YSPM's Yashoda Technical Campus
Faculty of Pharmacy

Dear Students, Faculty Members, Alumni, and Esteemed Readers,

It is with great pride and joy that I present this edition of our annual magazine—a reflection of the academic, cultural, and innovative spirit that defines the Yashoda Technical Campus, Faculty of Pharmacy, Satara.

Pharmacy today plays a vital role in advancing healthcare and improving lives. At our campus, we are committed to nurturing well-rounded professionals equipped with knowledge, practical skills, strong ethics, and a passion for lifelong learning.

This magazine captures the creativity, dedication, and collaborative spirit of our vibrant community. From groundbreaking research to artistic expression and social initiatives, every page showcases the diverse talents of our students and faculty.

I extend my heartfelt appreciation to our students and faculty for their continued excellence and to the editorial team for crafting such an inspiring issue.

As you turn these pages, may you find pride in our journey and motivation for the road ahead. Together, we are shaping the future of pharmacy with purpose and passion.

TEACHER'S DAY CELEBRATION

FACULTY OF PHARMACY

We celebrate Teachers' day every year throughout the country on 5th September. A celebration conducted at our department by our students on 5th September 2023. The whole function was planned by Mrs. Jyoti Pingale with faculty coordinators. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. Students prepared a timetable of lectures for Third and final year B pharmacy from 10:00 am to 01:00 pm. Students went to class to deliver lectures on the ongoing semester subjects.

The afternoon session of a program started by Saraswati poojan which was followed by felicitation of all the teachers by the students expressing their appreciation for the teachers. Then student gave the audience, a peek into the life of Dr. Radhakrishnan through speech & also expresses their gratitude for the teachers for their work. Then our honorable Principal Dr. V. K. Redasani Sir speaks about the significance of the teacher's day & appreciates all the students for the whole day, which was the proudest moment for the teachers. Vote of thanks declared that program is over.

Pharmacy along with three faculty members visited to the Hospital. During this visit, students were very eagerly waiting for listening to the hospital's higher authorities.

In the morning at 11:50 am we visited the Sahyadri Hospital Karad. When we reached at the hospital, HR personnel of the Hospital welcome us and drive us to the meeting room where we introduce our students to Mr. Prashant Waghmare (HOD - Pharmacy department) and he introduced himself and other members to the students. Then he introduced students to the various department of the hospital. The HOD of Pharmacy department provides knowledge to student regarding professional aspects of Pharmacy department also give information about drug purchase, drug storage, prescription handling, counseling with patients, etc. After that, we divided our students into 2 batches students per batch for the visit and interaction with the hospital person. The HR personnel and HODs of different departments drove us to visit different departments like Pharmacy, Operation theatre, Store department, Baby care area, Kidney transplant area, Cancer patient area, etc. In all departments, departmental HODs have given us information regarding their respective department and how to connect this whole department work with Pharmacy. After lunch, our students have clicked pictures at hospital and then we leave the place.

GROOMING YOUR PERSONALITY BY ACCENTURE INDIA

FACULTY OF MBA

Three days Personality development Workshop was organized at Yashoda Technical Campus, under the students development programme Activity. MBA organized Personality development workshop titled "Grooming your Personality" for students of MBA of Yashoda Technical Campus on 6th, 7th and 8th September 2023.

Mr. Mehul Shah was the Speaker for the Workshop. It was very motivational, useful workshop given by Speaker. Hon. Mr. Mehul Shah Sir conducted three days workshops for overall development of students. Sir focuses on communication skills, importance of body language and physique maintaining eye contact in public speaking. Sir also taught various soft skills for the students. With practical session this workshop was conducted in successful manner.

The workshop was started by giving blessing from Goddess Saraswati. President of Yashoda Technical Campus Prof. Dashrath Sagare Sir felicitated the Guest. Head of Department Mr. R. D. Mohite gives introduction of function and welcomes the Guest. Students were enjoying the workshop with good memories.

Grooming your personality is of utmost importance for several reasons, A well-groomed personality can significantly enhance your professional prospects. It includes aspects like communication skills, confidence, and a positive attitude, which are highly valued in the workplace.

Grooming your personality involves improving your communication skills, both verbal and non-verbal. Effective communication is crucial in building relationships, resolving conflicts, and advancing in your career. Working on your personality can boost your self-confidence. Confidence is attractive and can help you excel in various aspects of life, from personal relationships to public speaking. A good personality fosters healthy and meaningful relationships. It enables you to connect with others on a deeper level, build trust, and create a supportive network. A well-groomed personality often includes leadership qualities such as decisiveness, empathy, and the ability to inspire others. These skills are valuable in leadership roles.

Faculty of MBA takes initiative in the personality development of the students in order to prepare the students for their campus placements and life time achievements of the goal.

DISTRIBUTOR VISIT AT SUNNY PHARMA, SATARA ON 4TH NOV. 2023 FACULTY OF PHARMACY

A visit to Sunny Pharma Satara was arranged for the students of second year D. Pharm of Yashoda Technical Campus, Satara. Around 50 students along with 3 faculty members had visited the Sunny Pharma, Satara.

The visit started at 12.00 noon from the College. We boarded the college bus to reach to Sunny Pharma, Satara. We reached there around 12.30 pm. At Sunny Pharma we were welcome by the owner of Sunny Pharma Mr. Nitin Shah. He then gave information about his firm and how their work gets done. He also gave a brief about how medications are kept and how they are distributed. Lastly, he added how to tally your bills and how to maintain records of them. The arrangement of medicines was done by list-wise, category-wise as well as alphabetic order. Also, for getting orders, any method can be used which is online or by in-person through the order collector person of the firm.

Then the visit started and after that students interacted with the owner of Sunny Pharma. He gave answers to various questions asked by students. At the end, students' queries were resolved. Students also visited the firm for seeing the arrangements of medicines.

After visiting the firm, students were able to know about how the distribution of pharmaceuticals was done and how their records are maintained accordingly. Also, they were able to know about how to take orders from medical stores, how bills for those orders were prepared, and how various records like purchase orders, credit orders, and billing software were used by the firm.

SEMINAR ON TOPIC "MEDICAL CODING"

FACULTY OF PHARMACY

The "YASHOCONNECT-alum's on & on & on..." series organized by Alumni Association of YSPM YTC Satara, on Saturday, 27th March 2024 is incredibly beneficial for students. It gives them the opportunity to gain insights and knowledge from successful alumni who have walked the same path they're on.

The activity was arranged by Alumni Association with intention that by hearing stories and experiences of successful alumni, students can get inspired, learn valuable lessons, and broaden their horizons. It's a fantastic way to connect students with real-world professionals and provide them with guidance and motivation for their own journeys. Alumni Association of YSPM's YTC, faculty of Pharmacy, arranged seminar on Topic "Medical Coding". Medical coding is the transformation of healthcare diagnoses, procedures, medical services and equipment into universal medical alphanumeric codes. The Lecture was delivered by Mrs. Varsha Akshay Suryavanshi, Quality auditor. Ms. Pooja B Kadam, Assistant Professor and Alumni Association Incharge introduced the program & gave the introduction about speaker.

Mrs. Varsha Akshay Suryavanshi is our alumni from B. Pharm batch 2019. While having interaction with students she told that the accurate medical coding helps healthcare organization allocate resources efficiently. It ensures that they have an accurate understanding of the services they provide and the conditions they treat. This data is essential for making informed decisions regarding staffing, equipment, and facility planning. She also discussed the importance of medical coder in healthcare system. She briefly discussed about all the necessary skills & information required for making career as medical coder. She took so much effort into making webinar informative and valuable by sharing important insights. Lastly the Q & A session was conducted where students cleared all their doubts.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy the activity was coordinated by Ms. Pooja B. Kadam.
